

ALAMEDA COUNTY
LEAD POISONING PREVENTION PROGRAM
A Joint Powers Authority serving the Cities of Alameda, Berkeley, Emeryville, and Oakland
2000 Embarcadero, Suite 300, Oakland, CA (510) 567-8282
www.achhd.org

DATE: June 18, 2021

TO: Directors and Alternates
Alameda County Lead Poisoning Prevention Program

FROM: Larry Brooks, Secretary
Joint Powers Authority

SUBJECT: **Meeting of the Board of Directors**

The next regular meeting of the Alameda County Lead Poisoning Prevention Program Joint Powers Authority Board of Directors is scheduled for **Thursday, June 24, 2021 at 9:00 a.m.**

In response to the COVID-19 pandemic, and pursuant to California Governor Gavin Newsom's Executive Order N-29-20, the Alameda County Lead Poisoning Prevention Program Joint Powers Authority Meeting of the Board of Directors will be available via teleconference.

Members of the public can also attend in person at the Alameda County Healthy Homes Department, 2000 Embarcadero, Suite 300, Oakland, CA. Members are encouraged to watch the meeting of the Board of Directors online by clicking the following link

<https://us06web.zoom.us/j/83137462355?pwd=RkNNdGpKek9wZ0hqSUpmcytLcVY0QT09>
Passcode: 824659

or dial in by using your phone, 1-669-900-6833, Webinar ID: 831 3746 2355; Passcode: 824659

If viewing the meeting via teleconference, you may provide written comment on an agenda item or raise an issue during Public Comment by sending an email to Lidice De La Fuente at Lidice.DeLaFuente@acgov.org. Please include your name and identify the agenda item you are addressing or that your comment falls under Public Comment. It is encouraged to send any comments 24 hours prior to the meeting; however, members of the public will be able to send written comments via email during the meeting as well.

If you require a reasonable modification or accommodation for a disability, please contact Lidice De La Fuente at Lidice.DeLaFuente@acgov.org or (510) 567-8291 at least 48 hours before the meeting of the Board of Directors.

Attached is the agenda packet for the meeting.

Thank you.

Hon. Malia Vella, City of Alameda • Hon. Susan Wengraf, City of Berkeley
Hon. John J. Bauters, City of Emeryville • Hon. Noel Gallo, City of Oakland
Hon. Wilma Chan, County of Alameda • Gwen Hardy, Community Representative

**PROGRAM OPERATIONS COMMITTEE
MEETING MINUTES**

May 27, 2021

Attendance:

Voting Directors: Malia Vella, Alameda; Susan Wengraf, Berkeley; John J. Bauters, Emeryville; Noel Gallo, Oakland

Non-Voting Directors: Gwen Hardy, Community Representative

Alternates: Jared Savas, County of Alameda

Staff: Larry Brooks; Lidice De La Fuente; Joy Sledge; April Williamson

Others: none

Absent: none

Director John J. Bauters called into order the teleconference for the Program Operations Committee Meeting at 9:20 A.M.

1) **Roll Call**

2) **Public Comment**

None

3) **Director's Report**

Secretary to the Board Larry Brooks informed Directors that the Department is changing its logo to reflect the variety of services it provides.

Mr. Brooks introduced the new Oakland representative to the JPA Board, Councilman Noel Gallo.

Lastly, Mr. Brooks alerted Directors of a documentary put together by high school students focusing on lead poisoning in the Oakland Fruitvale area and of the upcoming documentary also on lead poisoning in Oakland's Fruitvale area by filmmaker Alex Bledsoe. Director John J. Bauters welcomed Director Gallo to the JPA Board.

4) **Outreach and Education Monthly Report**

Lidice De La Fuente informed Directors of public awareness activities in April 2021 using radio media platforms on 96.5 KOIT, 102.9 KBLX and 99.7 NOW.

5) **Announcements by Board Directors**

There were no announcements by Board Directors.

6) **Adjournment**

Meeting adjourned 9:28 A.M.

**ADMINISTRATION AND FINANCE COMMITTEE
MEETING MINUTES**

May 27, 2021

Attendance:

Voting Directors: Malia Vella, Alameda; Susan Wengraf, Berkeley; John J. Bauters, Emeryville; Noel Gallo, Oakland

Non-Voting Directors: Gwen Hardy, Community Representative

Alternates: Jared Savas, County of Alameda

Staff: Larry Brooks; Lidice De La Fuente; Joy Sledge; April Williamson

Others: none

Absent: none

Director John J. Bauters called into order the teleconference for the Administration and Finance Committee Meeting at 9:28 A.M.

1) **Roll Call**

2) **Public Comment**

None

3) **Director's Report**

Secretary Larry Brooks informed Directors that the Department submitted a U.S. Department of Housing and Urban Development grant application for an Older Adults Home Modification Program. This grant will enhance the Department's Minor Home Repair Program and includes the services of an Occupational Therapist to ensure the best modifications to enable income eligible older adults can stay longer and safely in their home. If awarded this proposed program will be implemented in select cities in the County including in the cities of Emeryville and Oakland.

4) **Announcements by Board Directors**

There were no announcements by Board Directors.

5) **Adjournment**

Meeting adjourned at 9:30 AM

**GENERAL BOARD
MEETING MINUTES**

May 27, 2021

Attendance:

Voting Directors: Malia Vella, Alameda; Susan Wengraf, Berkeley; John J. Bauters, Emeryville; Noel Gallo, Oakland

Non-Voting Directors: Gwen Hardy, Community Representative

Alternates: Jared Savas, County of Alameda

Staff: Larry Brooks; Lidice De La Fuente; Joy Sledge; April Williamson

Others: none

Absent: none

Director John J. Bauters called into order the teleconference for the General Board Meeting at 9:31 A.M.

1) **Roll Call**

2) **Public Comment**

None

3) **Meeting Minutes for April 22, 2021**

a) **Program Operations Committee**

b) **Administration and Finance Committee**

c) **General Board Meeting**

Action: The Board approved the meeting minutes for April 22, 2021.

Moved: Susan Wengraf **Seconded:** Malia Vella **Ayes:** 4- Vella; Wengraf; Bauters; Gallo

No: None

Abstain: None

Community Representative's Vote: Aye

4) **Director's Report**

None

5) **Department's Budget FY 2021/2022**

Department Finance Manager, April Williamson, presented the Department's Budget for Fiscal Year 2021/2022. Ms. Williamson provided information on the Summary of Major Changes noting the Department's focus on next years' projected increase in remediation work; attributing to the increase in the Miscellaneous Revenue to loans and rehabilitation grants; and, projecting a small decrease for Minor Home Repair Program in the Urban County. Ms. Williamson highlighted the budget allocation for the Lead Safe Paint Supply kits, HEPA Vacuum lending program, increase in budget for education and engagement efforts and Lead Hazard Control remediation work.

Action: The Board approved the Department's Budget FY 2021/2022.

Moved: Susan Wengraf **Seconded:** Malia Vella **Ayes:** 4- Vella; Wengraf; Bauters; Gallo

No: None

Abstain: None

Community Representative's Vote: Aye

6) **Board & Committee Structure**

Director John J. Bauters introduced the discussion indicating he met with staff and County Counsel to discuss the current JPA's meeting structure and management. As a result of Counsel's comprehensive confidential memo Director Bauters recommended eliminating the Program Operations Committee Meeting and Administration and Finance Committee Meeting and moving the standing items from those meetings to the General Board Meeting. Director Susan Wengraf concurred with the recommendations to ensure better compliance with the Brown Act. Director Wengraf issued a motion to eliminate the Program Operations Committee Meeting and Administration and Finance Committee Meeting; Move committee meeting standing agenda items to General Board Meeting; Hold the General Board Meeting

in virtual format on the Fourth Thursday of the month and change the meeting time to 9:00 A.M.

Director Gwen Hardy asked for clarification of the Community Representative vote on the Board at which time Director Bauters clarified that while the Community Representative vote is not counted towards the tally it should be recorded as the vote and voice of the community representation.

Action: The JPA Board approved the elimination of the Program Operations Committee Meeting and Administration and Finance Committee Meeting; Move the standing agenda items to the General Board Meeting; Hold the General Board Meetings in virtual format as the State allows it indefinitely or hybrid at 2000 Embarcadero, Suite 300, Oakland on the Fourth Thursday of the month at 9:00 A.M., effective June 1, 2021.

Moved: Susan Wengraf **Seconded:** Malia Vella **Ayes:** 4- Vella; Wengraf; Bauters; Gallo
No: None **Abstain:** None **Community Representative's Vote:** Aye

7) **Director Compensation**

Director Bauters introduced the item noting that his goal is a comprehensive attempt to rectify practices adopted by his predecessors and put the Department into best practices. Noting that currently the JPA Board receives \$150 per meeting Director Bauters asked the Board to revisit and set a total compensation rate to be commensurate with other County agencies which rate range from \$150 to \$250 per meeting. Director Wengraf indicated a range between \$225-\$230 per meeting can be supported, which is in comparison with the Waste Management District Board which recently adopted a new rate to \$230 per meeting. Director Malia Vella supported Director Bauters statements and Director Wengraf's proposal. Director Wengraf issued a motion to adjust the JPA Board of Directors compensation rate from \$150 to \$225 per meeting in conjunction with changing the meeting structure by eliminating the Program Operations Committee Meeting and Administration and Finance Committee Meeting.

Action: The JPA Board approved an adjustment to their meeting compensation rate to \$225 per meeting in conjunction with eliminating the committee meetings effective June 1, 2021.

Moved: Susan Wengraf **Seconded:** Malia Vella **Ayes:** 4- Vella; Wengraf; Bauters; Gallo
No: None **Abstain:** None **Community Representative's Vote:** Aye

8) **September 23, 2021 JPA Board Meeting**

Director Bauters indicated he is unable to Chair the JPA meeting on September 23, 2021 and asked Directors to Chair the meeting or to conduct the meeting on another date. Directors agreed to meet on an alternative date at which time Director Bauters issued a motion to amend the regular meeting schedule by cancelling the September 23, 2021 meeting and holding a Special Meeting on Wednesday, September 8th, 2021 at 12:00 P.M. via teleconference.

Action: The JPA Board approved cancelling the September 23, 2021 JPA meeting and holding a Special Meeting on September 8th at 12:00 P.M. via teleconference.

Moved: John J. Bauters **Seconded:** Susan Wengraf **Ayes:** 4- Vella; Wengraf; Bauters; Gallo
No: None **Abstain:** None **Community Representative's Vote:** Aye

9) **Future Agenda Items**

There were no future agenda items discussed.

10) **Announcements by Board Directors**

Directors Wengraf, Vella and Gallo thanked staff and Director Bauters for his leadership and all his hard work. Director Bauters asked for a meeting with Director Gallo and Secretary Brooks. Director Gwen Hardy welcomed Director Gallo to the JPA Lead Board.

11) **Adjournment**

Meeting adjourned at 10:08 A.M.

MISSION STATEMENT

Our mission is to advance an integrated approach for safe and healthy housing, through collaborative community initiatives, applied research and policy development in order to improve the lives of vulnerable populations.

We do this by:

- Promoting comprehensive lead safety.
- Providing case management to lead poisoned children.
- Providing technical consultations, training and education to the public, property owners and renovators.
- Researching and demonstrating effective programs to address the environmental determinants of health.
- Working in community and stakeholders' collaborations to leverage existing resources.
- Developing infrastructures and promoting system change to provide coordinated, cost effective support for healthy housing.

ABOUT THE DEPARTMENT

The Alameda County Healthy Homes Department's (ACHHD) primary goal is to create safe and healthy housing by promoting an integration and nexus between housing and public health policy. The Department also works to shape an environment that sustains long-term healthy housing conditions to improve health outcomes in Alameda County; it does this by providing case management, public education, outreach, training, housing assessments and interventions, influencing relevant housing policies and regulations, applied research, building cross-sector alliances and workforce development.

The Department's proactive healthy homes strategy is the incorporation of a lead visual assessment on all homes where staff is conducting a site visit (in person/virtual), regardless of reason for the initial port of entry. This strategy is a proactive primary prevention approach that increases the number of homes where a lead assessment is done.

The Department provides the services above through funding by the local County Service Area (CSA) service charge for owners of pre-1978 properties in Alameda, Berkeley, Emeryville and Oakland, the California Department of Public Health (DPH), the U.S. Department of Housing and Urban Development (HUD) Office of Lead Hazard Control and Healthy Housing, Environmental Protection Agency (EPA), contracts and agreements for minor home repair and others such as local Measure A funds.

SUMMARY OF MAJOR CHANGES

The proposed goals and objectives for Fiscal Year 2021/2022 include modified activities such as virtual outreach events, virtual home visits and increase in social media presence in response to the COVID-19 pandemic. For this fiscal year activities will be developed, implemented and continually assessed while the circumstances remain the same.

The Healthy Homes Department will educate and engage the public on lead poisoning prevention measures and services supporting the nexus between health and housing. In Fiscal Year 2021/2022, the Healthy Homes Department will partner with community allies, industry organizations and leverage collaborations with local small business partners to encourage public engagement in the Healthy Homes community.

In Fiscal Year 2021/2022, the Alameda County Healthy Homes Department anticipates a final contractual agreement between the County and City of Oakland on the usage of Lead Paint Settlement Funds. The Department expects that Countywide activities funded by these funds will be fully developed and implemented in this fiscal year.

Under the Lead Hazard Control Program funded by a \$3.6 million HUD grant, the Department will continue to provide safe remediation of low-income residential units where lead hazards in older housing pose a threat to young children in Alameda County. This is the second year of the three- and half-year grant program.

The Department will continue the activities under the EPA Toxic Substances Control Act Special Purposes Activities – Lead-Based Paint Hazards Cooperative Agreement award. This project will train code enforcement officers to promote lead safety and compliance with EPA’s Renovate, Repair, Painting rule with key local stakeholder organizations as well as with stakeholders in EPA Region 9-Arizona.

Furthermore, the Department will continue the Fixing to Stay Project, this is a partnership with health and social services partner agencies to improve the lives of older adults living in-homes in need of minor repairs and/or accessibility modifications, by applying multi-strategy home interventions that include home hazard reduction so older adults can live securely and remain independent.

The Department will negotiate new contract agreements with the City of Union and City of Oakland to administer their minor home repair programs. Contract agreements are expected to be finalized in the first quarter of the fiscal year.

GOALS AND OBJECTIVES FY 2021-2022

Public Outreach

Goal: The public will become aware of lead prevention measures and the importance of healthy housing.	
Objectives:	Activities:
<p>1) By June 30, 2022, an estimated 5,000*Alameda County residents will be reached directly through multiple community outreach events and informed of CSA property owner services, lead safety, childhood lead poisoning prevention, training, maintaining a lead-safe property, minor home repair and the impact of housing on health.</p> <p><i>*Participation in collaboration meetings is expected to be higher due to the accessibility of meetings being in virtual format. However, the number of residents reached by face-to-face contact is estimated to be lower due to the current COVID-19 pandemic. The HHD will continually assess as the community situation changes in coming months.</i></p>	<p><u>Community Outreach Interaction:</u></p> <ul style="list-style-type: none"> ● Participate in live and/or virtual outreach events, presentations and health fairs reaching Alameda County residents, CSA property owners, rental property owners, property managers and single-family owner-occupants. ● Provide information, technical assistance and referrals to the public through phone calls, e-mails, and responses via social media platforms. ● In collaboration with CA-DPH medical consultant conduct presentations to medical providers (live and/or virtual). ● Distribute 500 Property owner DIY lead safe paint supplies kits in partnership with local hardware stores. ● Partner with local CSA hardware stores for the implementation of the DIY Lead Safe Paint Supplies Voucher program. ● Collaborate with Alameda County First Five to distribute lead safety educational materials in newborn kit packet.
<p>1.1) By June 30, 2022, an estimated 1,000,000* Alameda County residents will be reached through social media platforms, newspapers, radio, tv, e-mails, literature distribution and informed of CSA property owner services, lead safety, childhood lead poisoning prevention, training, maintaining a lead-safe property, minor home repair and the impact of housing on health.</p> <p><i>*The number of residents reached is estimated to be higher due to the virtual/remote format. The HHD will continually assess as the community situation changes in coming months.</i></p>	<p><u>Other Interaction Activities:</u></p> <ul style="list-style-type: none"> ● Develop and implement four multi-media (radio, tv, social and print media) campaigns educating the public and encouraging engagement in lead prevention measures. ● Distribute program services brochures in permit offices, hardware stores, paint stores, and venues visited by homeowners and landlords.

	<ul style="list-style-type: none"> ● Participate in regional Head Start Health Advisory Board meetings (live and/or virtual) to promote lead screening. ● Participate in collaboration meetings (live and/or virtual) with key community groups and organizations. ● Maintain partnerships with rental industry organizations such as EBRHA, Apartment Owners Association, Property Managers Associations and establish new contacts with real estate companies and homeowner associations to increase their knowledge of the impact substandard housing has on health. ● Develop and publish newsletters, e-mail blasts promoting program services, lead hazard control assistance, minor home repair, training, and health and safety. ● Partner with Alameda County Contractor Technical Assistance Program for contractor outreach. ● Establish relationships with social media influencers to increase the public's information on lead poisoning prevention measures. ● Write and publish articles, blogs, and podcasts on a variety of healthy homes topics via social media platforms including YouTube. ● Increase public engagement by utilizing online platforms such as the ACHHD website, Facebook page, Twitter and Instagram to highlight department services. ● Maintain a presence with online groups such as Reddit parents' groups and Parents Networks to contribute expert advice, and CSA services to participants. ● Explore partnership opportunities with local tool rental vendors and tool lending libraries for the implementation of a HEPA vacuum rental program.
--	---

<p>2) Train 60 individuals including property owners, property managers, renovators, maintenance workers, partner staff and residents in lead safety skills and lead and healthy housing principles by June 30, 2022.</p>	<ul style="list-style-type: none"> ● Provide (3) Healthy Homes or Lead Safety trainings to property owners, community members, home visitors, property managers, and inspectors. ● Provide (1) one-day U.S. Environmental Protection Agency Renovation, Repair and Painting (RRP) class. ● Provide training slots for partner agency staff in existing trainings in order to encourage adoption of Healthy Homes Principles with partner agencies.
<p>3) By June 30, 2022, an estimated 300* newly identified lead exposed children will receive one of three health promotion services (nursing case management, lead poisoning consultation or lead poisoning prevention outreach and education).</p> <p><i>* Note: Reduced pediatric office visits since the March 2020 Shelter in Place order in Alameda County. Meanwhile, the HHD is providing virtual case management until the community situation changes in coming months. The actual impact is unpredictable, so the HHD will continually assess as the community situation changes in coming months.</i></p>	<ul style="list-style-type: none"> ● Provide Public Health Nursing case management (live and/or virtual) to families of children with high blood lead levels (BLL ≥ 15 $\mu\text{g/dL}$), as per State protocols. ● Provide Lead Poisoning Consultations (live and/or virtual) to families of children with moderate blood lead levels (BLL 10-14 $\mu\text{g/dL}$), as resources allow. ● Provide Lead Poisoning Outreach and Education to families of children with low blood lead levels (BLL 5-9 $\mu\text{g/dL}$), as resources allow.

Healthy Housing Assessments and Interventions

Goal: Promote safe housing through proactive housing assessments and housing interventions in Alameda County.	
Objectives:	Activities:
1) Complete lead hazard control at 40 units of housing by June 30, 2022.	<ul style="list-style-type: none"> ● Conduct lead inspection risk assessments. ● Complete housing inspections and identify health and safety hazards. ● Develop work plans. ● Conduct clearance evaluations to ensure identified lead hazards have been addressed.
2) Respond to an estimated 65 unsafe lead renovation conditions/complaints by June 30, 2022.	<ul style="list-style-type: none"> ● Evaluate complaints for referral and response. ● Provide technical assistance to residents. ● Refer, track and provide technical assistance to appropriate enforcement agencies. ● Where appropriate, conduct site visits at properties related to unsafe lead renovation conditions and/or complaints and utilize the ACHHD's cooperative compliance model in to promote compliance.
3) Conduct an estimated 30* environmental investigations to identify the sources of lead exposure for children meeting the State mandated lead case criteria by June 30, 2022. <i>*The number of environmental investigations for lead poisoned children is estimated to be higher as we conduct the backlogged investigations that were deferred since the March 2020 Shelter in Place order in Alameda County. Meanwhile, the HHD is providing virtual case management until the community situation changes in coming months. The impact is unpredictable, so the HHD will continually assess as the community situation changes in coming months.</i>	<ul style="list-style-type: none"> ● Provide risk assessment reports and technical assistance to family and property owners for remediating the lead hazards. ● Conduct clearance testing to ensure lead hazards have been addressed. ● Utilize the ACHHD's cooperative compliance model and conduct progressive enforcement activities with non-compliant property owners where lead poisoned children reside. ● Refer non-compliant property owners to District Attorney for enforcement when lead based hazards have been found in the property where lead poisoned children reside.

<p>4) Reduce health and safety hazards and complete minor home repairs at 200 housing units with low-income homeowners by June 30, 2022.</p>	<ul style="list-style-type: none"> ● Conduct housing assessments to identify eligible health and safety hazards and minor home repairs. ● Develop and assign work orders to contractors to complete identified repairs.
<p>5) Complete 40 housing assessments for minor home repair who meet Fixing to Stay eligibility by June 30, 2022.</p>	<ul style="list-style-type: none"> ● Recruit and enroll 60 Fixing to Stay eligible clients minor home repair clients. ● Conduct post surveys of Fixing to Stay clients.
<p>6) Conduct 75 housing assessments and provide technical assistance to independent home operators under the Independent Living Homes project by June 30, 2022.</p>	<ul style="list-style-type: none"> ● Maintain an updated list to be shared with key stakeholders and providers. ● Respond to four complaints related to housing conditions. Conduct post surveys of independent home operators and training participants.

Compliance

Goal: Eliminate lead hazards in Alameda County.	
Objectives:	Activities:
1) Promote public policy and system change with healthy housing standards.	<ul style="list-style-type: none">● Collaborate with building officials, housing authorities, code enforcement agencies and contractors to address challenges to meet compliance.● Participate in local, regional, state and Federal upstream planning on policy for meeting compliance.● Provide technical assistance to local jurisdictions on proactive rental inspections for lead hazards● Provide training opportunities to code enforcement officers in regards to State and EPA lead safety rules

Alameda County Healthy Homes Department Outreach and Education Report Objectives FY 20-21

Report for May 2021

Public Outreach

By June 30, 2021, Alameda County residents will be reached and informed of CSA property owner services, lead safety, lead regulations, childhood lead poisoning prevention, maintaining a lead-safe property, the impact of housing on health and other Department services. Direct outreach to an estimated 2,500 residents will be done through community events such as presentations, information booths, trainings, collaboration meetings and phone consultations, etc. An estimated 275,000 individuals will be reached through website, social media, mailings, literature drops, and articles, etc.

Healthy Housing Assessments/Interventions

By June 30, 2021, a total of 415 healthy housing assessments / interventions will be conducted in the homes of Alameda County residents participating in the Lead Hazard Control Program, Lead Poisoning Prevention Program, Minor Home Repair, and Independent Living Homes Project or when responding to unsafe renovation condition complaints.
