**Alameda County Healthy Homes Department
Outreach and Education Report
Objectives FY 15-16**

Report for April 2016

Property Owner Services

By June 30, 2016, at least 645 CSA property owners will understand the importance of maintaining lead-safe properties and are aware of CSA program services through direct contact with ACHHD staff while maintaining visibility in community venues as demonstrated by property owners fully utilizing the educational and CSA services (presentations, events, mailings, poster displays, work with housing authorities).

Objective:
645 Property Owners

Year to Date:
589 Reached

Property Owner Lead Safety/Property Related Consultations

By June 30, 2016, the owners of 270 units of housing in the CSA or their designees will learn about potential lead hazards at their properties, the basics of lead safe repairs, unsafe renovation condition and available resources.

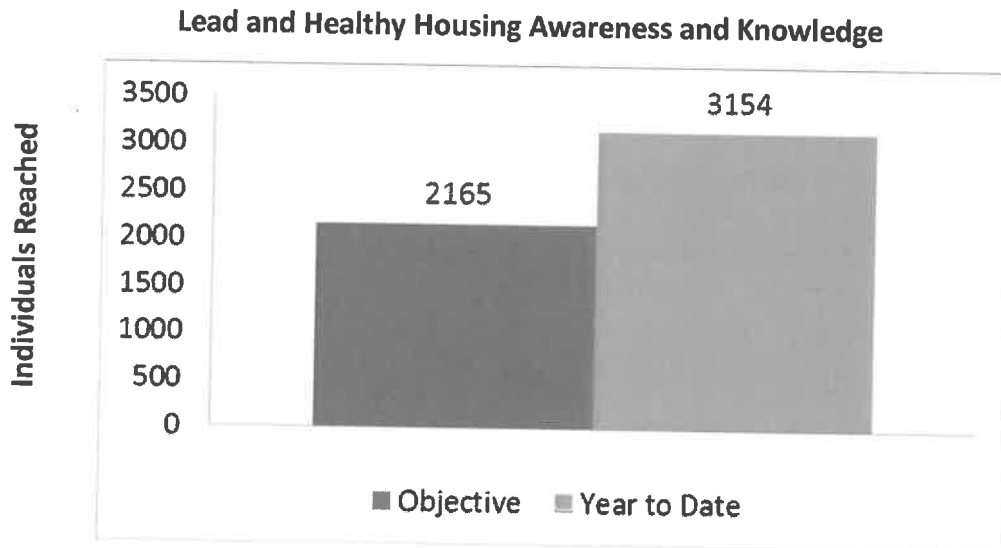

Objective:
270 Property Related Consultations

Year to Date:
176 Consultations Provided

Lead and Healthy Homes Awareness and Knowledge

By June 30, 2016, over 2,165 individuals will increase their knowledge of lead and housing related health hazards, and the unique ACHHD services through direct contact as promoted with community outreach activities.

Objective:
2,165 Individuals

Year to Date:
3,154 Individuals reached
