

ALAMEDA COUNTY
LEAD POISONING PREVENTION PROGRAM
A Joint Powers Authority serving the Cities of Alameda, Berkeley, Emeryville, and Oakland
2000 Embarcadero, Suite 300, Oakland, CA (510) 567-8282
www.achhd.org

DATE: November 12, 2021

TO: Directors and Alternates
Alameda County Lead Poisoning Prevention Program

FROM: Larry Brooks, Secretary
Joint Powers Authority

SUBJECT: **Meeting of the Board of Directors**

The meeting of the Alameda County Lead Poisoning Prevention Program Joint Powers Authority Board of Directors is scheduled for **Thursday, November 18th, 2021 at 9:00 a.m.**

In response to the COVID-19 pandemic, and pursuant to California Government Code section 54953, the Alameda County Lead Poisoning Prevention Program Joint Powers Authority Meeting of the Board of Directors will be available via teleconference.

Members of the public can also attend in person at the Alameda County Healthy Homes Department, 2000 Embarcadero, Suite 300, Oakland, CA. Members are encouraged to watch the meeting of the Board of Directors online by clicking the following link

<https://us06web.zoom.us/j/81970449908?pwd=V0pNN1BvMlJmSlFGMlVXdU pONDV1dz09>

Passcode: **120293**

or dial in by using your phone, 1-669-900-6833 Webinar ID: 81970449908; Passcode: 120293

If viewing the meeting via teleconference, you may provide written comment on an agenda item or raise an issue during Public Comment by sending an email to Lidice De La Fuente at Lidice.DeLaFuente@acgov.org. Please include your name and identify the agenda item you are addressing or that your comment falls under Public Comment. It is encouraged to send any comments 24 hours prior to the meeting; however, members of the public will be able to provide live oral comments or send written comments via email during the meeting as well.

If you require a reasonable modification or accommodation for a disability, please contact Lidice De La Fuente at Lidice.DeLaFuente@acgov.org or (510) 567-8291 at least 48 hours before the meeting of the Board of Directors.

Attached is the agenda packet for the meeting.

Thank you.

NOTICE: All meetings of the Alameda County Lead Poisoning Prevention Program Joint Powers Authority Board of Directors are open to the public. Those wishing to address the Board of Directors on items not on the agenda may do so during the open forum section of the meeting.

- 1) **Roll Call**
- 2) **Public Comment** (Discussion)
Directors, alternates, staff, or members of the public may address the Board of Directors regarding items not on the agenda. The Board will listen to matters presented but may not take action on these items.
- 3) **Resolution AB 361: Open Meetings State & Local Agencies** (Action) Pg. 1
- 4) **Meeting Minutes for October 28, 2021** (Action) Pg. 3
- 5) **JPA Meeting Schedule 2022** (Action) Pg. 5
- 6) **Director's Report** (Information/Action)
- 7) **Presentation: How Does Alameda County Compare?** (Information/Action) Pg. 6
- 8) **Lead Settlement Negotiations** (Information/Action)
- 9) **October Monthly Report** (Information) Pg. 13
- 10) **Future Agenda Items** (Discussion)
- 11) **Announcements by Board Directors** (Information)
- 12) **Adjournment**

Material related to an item on this Agenda, including those submitted to the Board of Directors after distribution of the agenda packet, and are available for public inspection at the Alameda County Healthy Homes Department office during normal business hours.

Agendas are available on the Department's website at www.achhd.org

RESOLUTION NO. 2021-____

A RESOLUTION AUTHORIZING REMOTE TELECONFERENCE MEETINGS
FOR THE PERIOD BEGINNING NOVEMBER 18, 2021

WHEREAS, the Ralph M. Brown Act (Gov. Code sections 54950 *et seq.*), requires the meetings of local legislative bodies to be open to the public; and

WHEREAS, all meetings of the Board of Directors of the Alameda County Lead Poisoning Prevention Program Joint Powers Authority (“the Board of Directors”) and its committees or subcommittees that are subject to the Brown Act are open to the public; and

WHEREAS, the Brown Act allows meetings by teleconference, provided specified requirements are met; and

WHEREAS, on March 4, 2020, the Governor of the State of California issued a Proclamation of a State of Emergency declaring a state of emergency exists in California due to the threat of COVID-19, pursuant to the California Emergency Services Act (Government Code section 8625), which has not yet been lifted; and

WHEREAS, the Governor, toward the beginning of the state of emergency, issued executive orders suspending certain requirements of the Brown Act regarding teleconferencing; the Governor’s suspension of Brown Act teleconferencing requirements expired on September 30, 2021, pursuant to Executive Order N-08-21; and

WHEREAS, on September 16, 2021, the Governor signed into law AB 361, which amended the Brown Act to allow teleconferenced meetings under abbreviated teleconference procedures during a state of emergency (Gov. Code section 54953(e)); and

WHEREAS, Government Code section 54953(e), provides for remote teleconferencing participation in meetings by members of a legislative body, without compliance with the requirements of Government Code section 54953(b)(3), during a state of emergency declared by the Governor pursuant to Government Code section 8625, if certain conditions exist; and

WHEREAS, the conditions of Government Code section 54953(e) are that state or local officials have imposed or recommended measures to promote social distancing, or in the alternative, the legislative body holds a meeting to determine, or has already determined, by a majority vote that meeting in person would present imminent risks to the health and safety of attendees; and

WHEREAS, the Division of Occupational Safety and Health of California’s (Cal/OSHA) issued Emergency Temporary Standards that require employers to train and instruct employees that the use of social distancing helps combat the spread of COVID-19 (8 Cal. Code Regs. 3205(c)(5)(D).); and

WHEREAS, on September 28, 2021, the Board of Supervisors of the County of Alameda accepted the recommendation of the Health Care Services Agency Director for continued social distancing at all meetings of the full Board of Supervisors and at all Board of Supervisors Committee meetings; and

NOW, THEREFORE, BE IT RESOLVED:

Section 1. All of the above recitals are true and correct and are incorporated into this Resolution by this reference.

Section 2. The Board of Directors finds that state and local officials have imposed or recommended measures to promote social distancing. The Board of Directors has reconsidered the circumstances of the state of emergency and finds that state and local officials continue to impose or recommend measures to promote social distancing.

Section 3. The Board of Directors finds that as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees. The Board of Directors has reconsidered the circumstances of the state of emergency and finds that the state of emergency continues to directly impact the ability of the members to meet safely in person.

Section 4. The Board of Directors therefore determines that it and its legislative bodies shall conduct their meetings by teleconferencing in accordance with Government Code section 54953(e).

Section 5. This Resolution expires thirty (30) days after the date of its adoption only to the extent required by law. Otherwise, this Resolution shall remain in effect until repealed by the Board of Directors.

ADOPTED this ____ day of _____ 2021 by the Board of Directors of the Alameda County Lead Poisoning Prevention Program Joint Powers Authority, by the following vote:

YES:

NO:

ABSENT:

ABSTAIN:

John J. Bauters
Chair

Attest:

Larry Brooks
Secretary

Approved as to form:
DONNA R. ZIEGLER
County Counsel

Andrew J. Massey, Deputy

MEETING OF THE BOARD OF DIRECTORS
MEETING MINUTES

October 28, 2021

Attendance:

Voting Directors: Susan Wengraf, Berkeley; John J. Bauters, Emeryville; Noel Gallo, Oakland

Non-Voting Directors: Gwen Hardy, Community Representative

Alternates: Jared Savas, County of Alameda

Staff: Larry Brooks; Lidice De La Fuente; Dale Hagen

Others: None

Absent: Malia Vella, Alameda

Director John J. Bauters called into order the teleconference for the Meeting of the Board of Directors at 9:02 A.M.

1) **Roll Call**

2) **Public Comment**

None

3) **Resolution AB361: Open Meetings State & Local Agencies**

Director John J. Bauters asked for the JPA Board to review every 30 days findings related to Resolution AB 361 extending the waiver and Brown Act provisions related to public in person meetings until January 31, 2022. Director Susan Wengraf asked to add Resolution AB 361 as a standing consent item to the JPA meeting agendas.

Approved: Noel Gallo **Seconded:** Susan Wengraf **Ayes:** 3- Gallo; Wengraf; Bauters

No: None **Abstain:** None **Community Representative's Vote:** None

Absent: Malia Vella; Gwen Hardy **Excused:** None

4) **Meeting Minutes for September 8, 2021**

Action: The Board approved the meeting minutes for September 8, 2021.

Moved: Susan Wengraf **Seconded:** Noel Gallo **Ayes:** 3-Gallo; Wengraf; Bauters

No: None **Abstain:** None **Community Representative's Vote:** None

Absent: Malia Vella; Gwen Hardy **Excused:** None

5) **Director's Report**

Gwen Hardy arrived at item 5.

Secretary Larry Brooks welcomed back Director John J. Bauters and reported the following items: National Lead Poisoning Prevention Week October 24-30, 2021; Congressional report on Toxic Metals in Baby Food spurring Demand for the FDA to take action; Rochester's report, Improving Children's Health Through Community Driven Policies for Lead-Safe Homes and Schools; 2021 Bishop Allen Award given to the California Healthy Housing Coalition; 2021 California Code Enforcement Officers Annual Seminar in Lake Tahoe, CA; Commendation by the Alameda County Board of Supervisors to City of Alameda staff, Orlando Givens. Mr. Brooks expressed his condolences to the family of Alameda County Code Enforcement Officer, Yvonne Grundy, who passed away.

Mr. Brooks and Dale Hagen, Healthy Housing Services and Lead Hazard Control Grant Manager informed of the Department's 30th year anniversary providing a historical overview of the Department's accomplishments in the last 30 years.

Director Susan Wengraf asked how Alameda County lead poisoning rates compare with those of other counties and any downward trends in renovated old housing stock and new housing stock.

Director Noel Gallo asked for a copy of the presentation.

6) **Lead Settlement Negotiations**

Secretary Brooks and Dale Hagen gave a recap and update on the lead settlement negotiations and informed of the County's intentions on the usage of the lead settlement funds. Mr. Hagen stated the County proposes expanding services to lead poisoned children; increase demand for lead safe services to prevent lead poisoning and build the necessary infrastructure to ensure properties are lead safe.

Mr. Brooks noted that City of Oakland's September 8th presentation to the JPA Board was critical of the Department's lead poisoning prevention efforts indicating he did not completely agree with the data presented and has concerns about their proposal. Mr. Brooks expressed concern with Oakland's plan to duplicate services offered by the Department; their plan for permanent lead abatement, which has not been successful in other jurisdictions such as Rochester, New York; and that lead settlement funds should not be used to fund a proactive rental inspection program.

Mr. Brooks stated the County sent a draft Memorandum of Understanding to the City's Lead Settlement Negotiations team for their consideration on the County's counter proposal for the expenditure of the lead settlement funds and has yet to hear from the City. Director Noel Gallo stated the Oakland City Council has not seen the draft MOU.

Lastly, Secretary Brooks informed Directors that he received an unpublicized copy of the Oakland Race and Equity Impact Assessment report.

Director Susan Wengraf asked how the City of Berkeley fits into the Department's lead settlement plan and whether there has been any communication with City of Berkeley staff on the matter. Both Mr. Brooks and Mr. Hagen indicated the City of Berkeley fits into the general plan for Alameda County and the Department has not communicated with City of Berkeley staff due to the ongoing negotiations with the City of Oakland.

7) **August & September Monthly Reports**

Lidice De La Fuente highlighted the Department's 30th Anniversary indicating the Department conducted various radio and social media campaigns promoting the event. Also, the Department distributed 100 newborn kits to First 5 Alameda County consisting of lead poisoning prevention material.

8) **Future Agenda Items**

None

9) **Announcements by Board Directors**

Director Bauters announced the next JPA meeting is November 18th, 2021. Director Wengraf agreed to host the December 16th JPA meeting.

10) **Adjournment**

Meeting adjourned at 10:52 A.M.

December 15 (3 rd Thursday of the month)	9:00 a.m. -11:00 a.m.

The General Board meeting begins at 9:00 a.m.

Hon. Malia Vella, City of Alameda Hon. Susan Wengraf, City of Berkeley
Hon. John J. Bauters, City of Emeryville • Hon. Noel Gallo, City of Oakland
Hon. Wilma Chan, Alameda County • Gwen Hardy, Community Representative

HOW DOES ALAMEDA COUNTY COMPARE?

PRELIMINARY DATA ANALYSIS OF ALAMEDA COUNTY LEAD POISONING PERFORMANCE

JPA MEETING –WHAT ARE THE QUESTIONS?

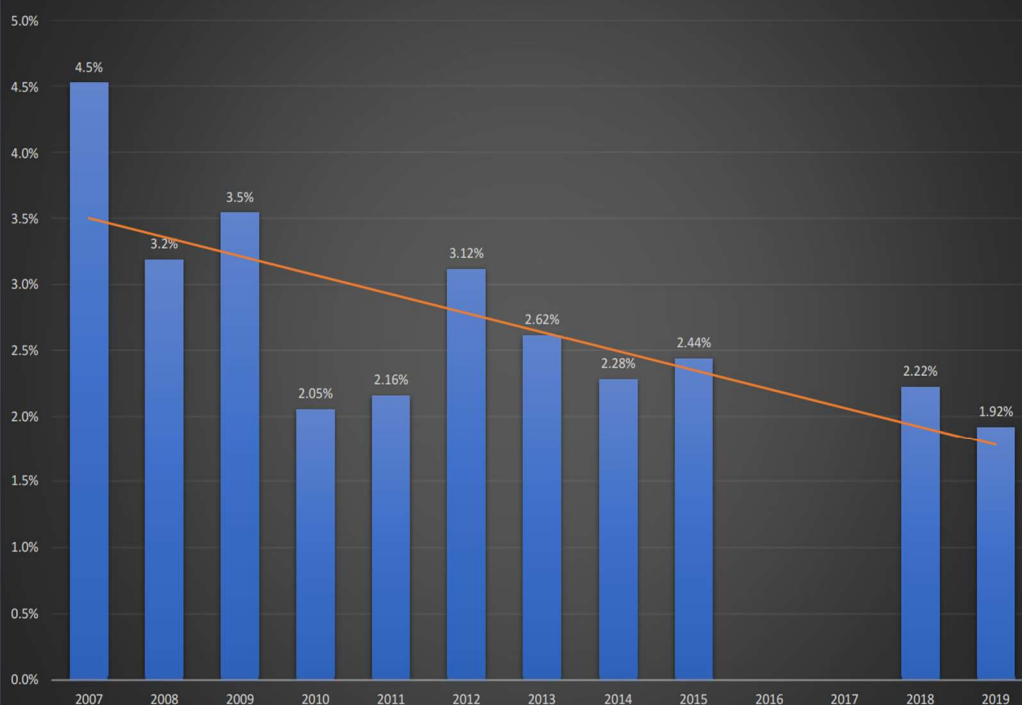

- Director Wengraf: As we see old housing stock renovated and new housing stock constructed are we seeing a decrease in lead poisoning, a trend downward in lead poisoning?
 - We are still higher than Flint, Michigan's 5%
 - Fruitvale is Ground Zero, above 7%
- Director Wengraf: If you compare Alameda County's rates with those of other counties, how does Alameda County compare?

WHY FREMONT? (2019)

Key findings from *Sources of Lead Exposure for Full Cases, FY 2017 to 2018* published by CA Childhood Lead Poisoning Prevention Branch:

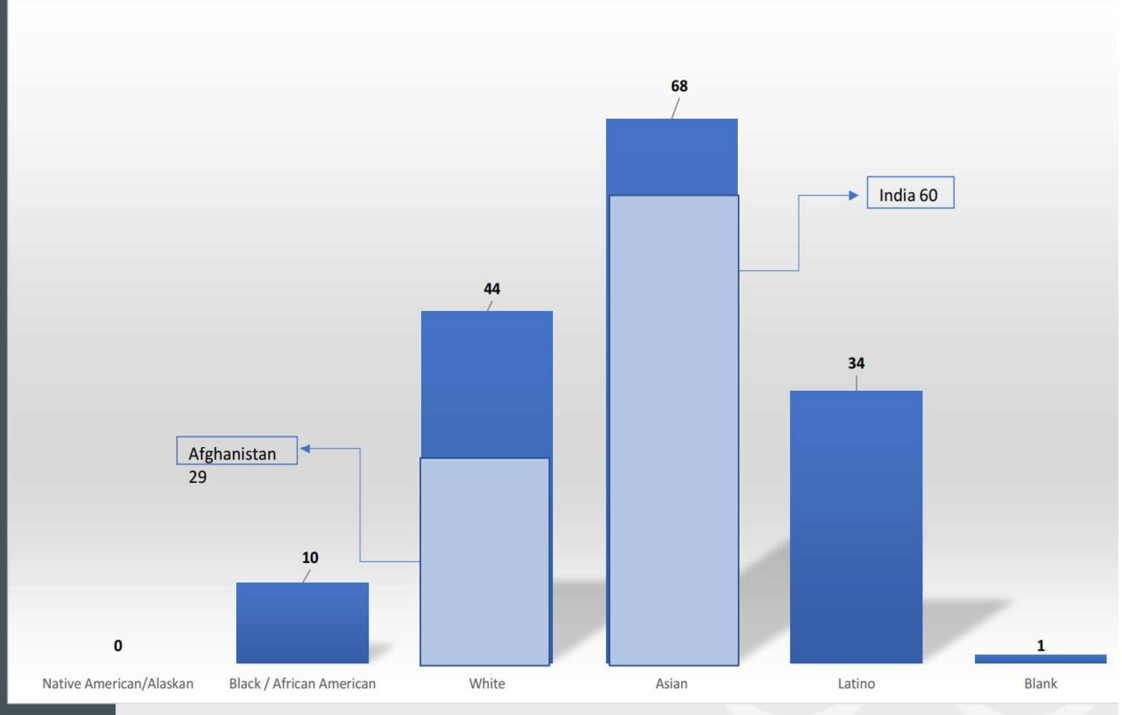

IN FY18: The major identified source of lead exposure in CA was non-housing related (51 percent), which reflected the high number of Afghan children with non-housing lead exposure.

- Major sources of lead exposure differed significantly by race/ethnicity.
- Housing-related sources (paint, dust, soil, water) of lead were the main exposure sources among non-Hispanic Black children.
- Non-housing sources of lead were the main exposure sources among non-Hispanic Asian children or non-Hispanic White children with Afghan origin.
- Unlike non-Hispanic children, both housing and non-housing sources of lead were commonly identified among Hispanic children.
- Lead found in cosmetic and spiritual products; food, spice and drinks; pottery/utensils; and take-home/occupational were commonly identified non-housing exposures in racially and ethnically diverse populations.

WHY FREMONT? (2019)

PHN Cases 2015 - 2019 Race Demographics n = 157

ADDITIONAL QUESTIONS?

THANK YOU!

With you then, with you now.
Celebrating **30 years** of making
homes healthier for children.

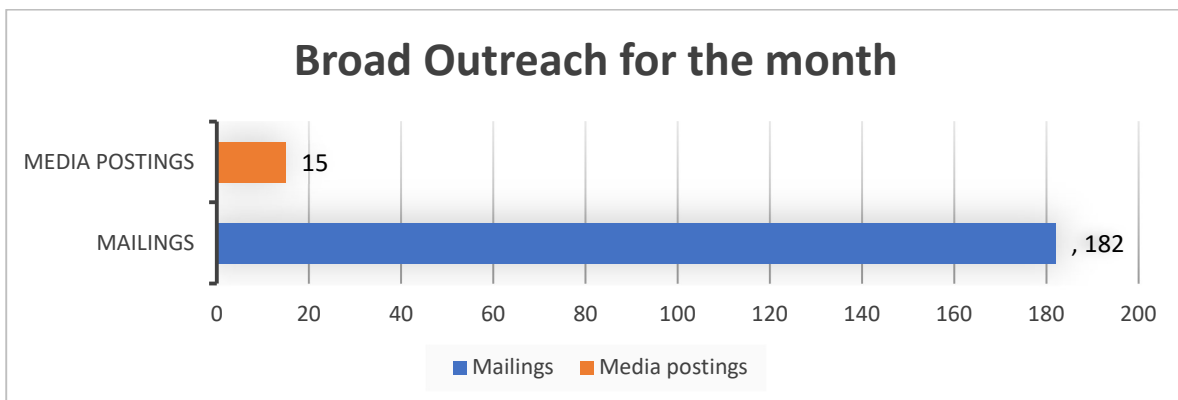

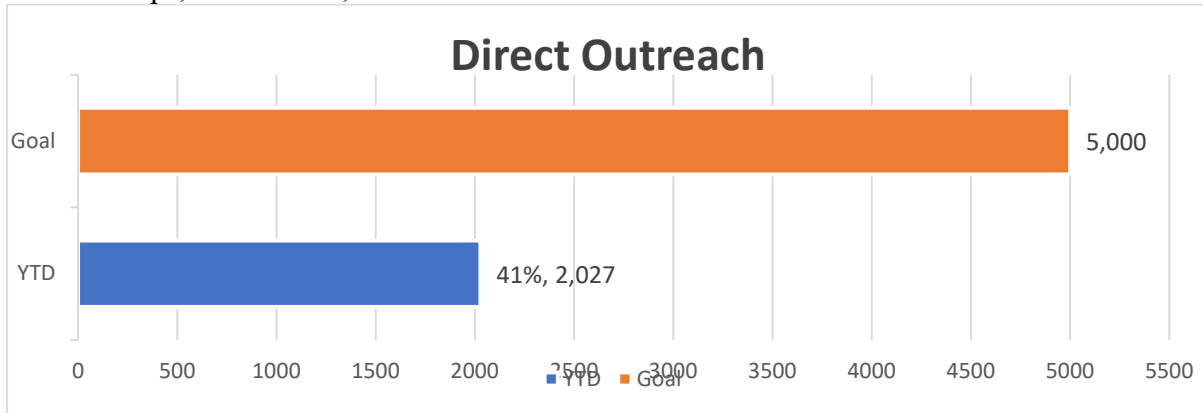

Alameda County Healthy Homes Department Outreach and Education Report Objectives FY 20-21

Report for October 2021

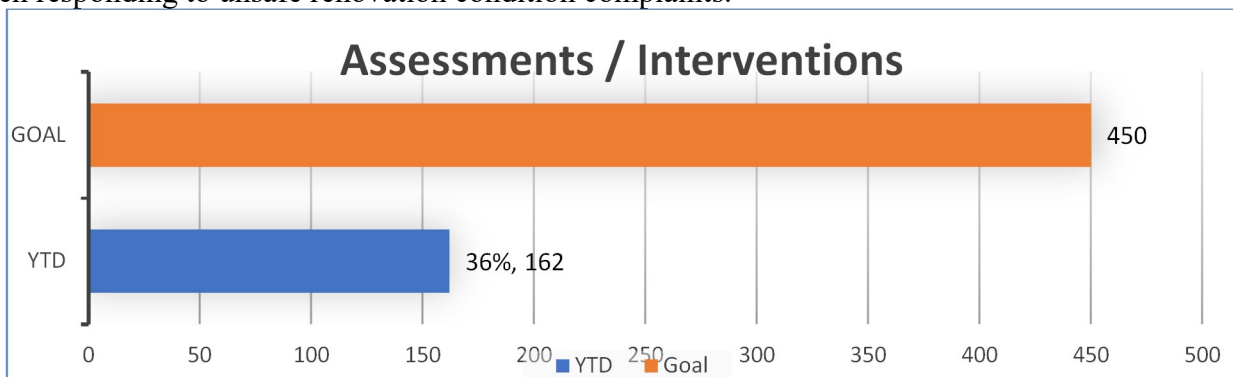

Public Outreach

By June 30, 2022, Alameda County residents will be reached and informed of CSA property owner services, lead safety, lead regulations, childhood lead poisoning prevention, maintaining a lead-safe property, the impact of housing on health and other Department services. Direct outreach to an estimated 5,000 residents will be done through community events such as presentations, information booths, trainings, collaboration meetings and phone consultations, etc. An estimated 1 million individuals will be reached through website, social media, mailings, literature drops, and articles, etc.

Healthy Housing Assessments/Interventions

By June 30, 2022, a total of 450 healthy housing assessments / interventions will be conducted in the homes of Alameda County residents participating in the Lead Hazard Control Program, Lead Poisoning Prevention Program, Minor Home Repair, and Independent Living Homes Project or when responding to unsafe renovation condition complaints.

Activities conducted October 2021:
