Alameda County Healthy Homes Department Outreach and Education Report Objectives FY 16-17

Report for August 2016

Public Outreach

By June 30, 2017, 6,000 Alameda County residents will be informed of the impact of housing on health and how to maintain a lead-safe property and healthy home. This objective will be completed through outreach events, phone consultations, publishing articles, conducting training, maintaining online visibility and developing partnerships with multiple organizations including rental industry, community clinics and advisory boards.

**Objective:
6,000 Public Outreach**

**Year to Date:
268 Reached**

Healthy Housing Assessments and Interventions

By June 30, 2017, 1,715 proactive healthy housing assessments and interventions will be conducted in the homes of Alameda County residents.

**Objective:
1115 Assessments
600 Interventions**

**Year to Date:
159 Assessments
3 Interventions**
