

NOTICE OF PUBLIC MEETING

Dear Interested Citizen:

The Steering Committee for the Alameda County Community Choice Energy (CCE) Program, East Bay Community Energy (EBCE), will hold its second meeting on Wednesday, July 29, 2015 at 7:00 p.m. at the Castro Valley Library, 3600 Norbridge Avenue, Castro Valley, CA 94546.

At this meeting, the CCE Steering Committee will discuss Brown Act requirements as they apply to the Committee, the upcoming CCE Technical Study, and the Request for Proposals (RFP) being issued by the County in the course of hiring a technical consultant to prepare the Technical Study. The Committee will consider staff recommendation of RFP revisions, and a decision on this matter could be made at this meeting.

The County's Community Development Agency, Planning Department, will provide a staff memorandum and other relevant documents in advance of the meeting. All interested parties and stakeholders are invited and encouraged to attend and be heard. For more information on the Alameda County CCE Program, EBCE, please go to this link:
