FEMA MAPPING

This project is located on the FEMA flood hazard map.
1. Overhead power line, 34.5kV
   - 66' county road ROW (Manning)
   - Infrastructure Owner/Responsible Party: Alameda County

2. Underground power line, 2kV
   - Waterway
   - Infrastructure Owner/Responsible Party: Alameda County and/or local water district

3. Overhead power line, 34.5kV
   - Waterway
   - Infrastructure Owner/Responsible Party: Alameda County and/or local water district

4. Overhead power line, 34.5kV
   - FEMA Flood Zone "AE Floodway"
   - Infrastructure Owner/Responsible Party: Alameda County and/or local water district

5. Underground power line, 34.5kV
   - Paved road (Hartman)
   - FEMA Flood Zone X
   - Infrastructure Owner/Responsible Party: Alameda County and/or local water district

6. Overhead power line, 34.5kV
   - FEMA Flood Zone "AE Floodway"
   - FEMA Flood Zone X
   - Infrastructure Owner/Responsible Party: Alameda County and/or local water district

7. Underground power line, 34.5kV
   - 66' county road ROW (Livermore)
   - Infrastructure Owner/Responsible Party: Alameda County
   - 20' communications easement
   - Infrastructure Owner/Responsible Party: Pacific Telephone & Telegraph (AT&T)
Location

1. Overhead power line, 34.5kV
   - 66' county road ROW (Manning)
   - Alameda County
   - 75' power line easement
     - Pacific Gas & Electric
   - 75' underground electrical easement
     - Pacific Gas & Electric

2. Underground power line, 2kV
   - Waterway
     - Alameda County and/or local water district

3. Overhead power line, 34.5kV
   - Waterway
     - Alameda County and/or local water district

4. Overhead power line, 34.5kV
   - FEMA Flood Zone "AE Floodway"
     - Alameda County and/or local water district
   - FEMA Flood Zone X
     - Alameda County and/or local water district
   - FEMA Flood Zone AE
     - Alameda County and/or local water district

5. Underground power line, 34.5kV
   - Paved road (Hartman)
     - Alameda County (no public ROW evident)
   - FEMA Flood Zone X
     - Alameda County and/or local water district
   - FEMA Flood Zone AE
     - Alameda County and/or local water district

6. Overhead power line, 34.5kV
   - FEMA Flood Zone "AE Floodway"
     - Alameda County and/or local water district
   - FEMA Flood Zone X
     - Alameda County and/or local water district
   - FEMA Flood Zone AE
     - Alameda County and/or local water district

7. Underground power line, 34.5kV
   - 66' county road ROW (Livermore)
     - Alameda County
   - 20' communications easement
     - Pacific Telephone & Telegraph (AT&T)
