Project Title: Jess Ranch Compost Facility

Project Applicant: _____

Project Location (include county): Livermore, Alameda County, California

Project Description:

The proposed project would receive and process organic materials, primarily greenwaste, foodwaste, and biosolids, but would also receive untreated scrap wood, natural fiber products, non-recyclable paper waste, and inert material, such as sediment, gypsum, wood ash, and clean construction debris. Non-hazardous liquid wastes may also be accepted as a substitute for the water that is added for efficient composting. The project would process organic material utilizing a covered windrow system that would be a combination of composted materials (ACM) with other organic materials and
