Any vacancy in the office of a member appointed to a board of trustees shall be filled pursuant to Section 1779 of the Government Code (a vacancy on any appointed governing board of a special district shall be filled by the appointing authority within 90 days immediately subsequent to its occurrence. If no action is taken for a period of 90 days immediately subsequent to a vacancy on such a board, the board of supervisors of the county in which the larger portion of the district is located shall have authority to fill the vacancy by appointment.) Any person appointed to fill a vacant office shall fill the balance of the unexpired term.

Qualifications	Each person appointed by a board of supervisors to be a member of a board of trustees shall be a voter in that county and a resident of that portion of the county that is within the district. Notwithstanding any other provision of law including the common law doctrine that precludes the simultaneous holding of incompatible offices, a member of a city council may be appointed and may serve as a member of a board of trustees if that person also meets the other applicable qualifications. It is the intent of the Legislature that persons appointed to boards of trustees have experience, training, and education in fields that will assist in the governance of the districts. All trustees shall exercise their independent judgment on behalf of the interests of the residents, property owners, and the public as a whole in furthering the purposes and intent of this chapter. The trustees shall represent the interests of the public as a whole and not solely the interests of the board of supervisors or the city council that appointed them.

Appointments	By City Councils (13) or County Board of Supervisors (1); In the case of a district that is located entirely within a single county and contains both incorporated territory and unincorporated territory, the board of supervisors may appoint one person to the board of trustees, and the city council of each city that is located in whole or in part within the district may appoint one person to the board of trustees.

ALAMEDA COUNTY TRANSPORTATION COMMISSION

Objective	<p>The mission of the Alameda County Transportation Commission (Alameda CTC) is to plan, fund and deliver transportation programs and projects that expand access and improve mobility to foster a vibrant and livable Alameda County. Alameda CTC was created in July 2010 by the merger of the Alameda County Congestion Management Agency (ACCMA) and the Alameda County Transportation Improvement Authority (ACTIA), to streamline operations, eliminate redundancies and save taxpayers dollars. The Expenditure Plan contains a number of capital projects-including freeway widening, interchange improvements, high-occupancy vehicle (HOV) lanes, BART extensions and transit station development-as well as programs for local street and road improvements (fixing potholes), special transportation services for seniors and disabled individuals, bicycle and pedestrian safety, and transit operations.</p>
Established	March 25, 2010
Authority	The Joint Powers Agreement created a joint powers agency pursuant to the California Joint Exercise of Powers Act that will have all of the authority, powers and rights of the Alameda County Congestion Management Agency ("ACCMA") and the Alameda County Transportation Improvement Authority ("ACTIA") and certain additional powers as described in this Agreement.

Each Member County Board of Supervisors shall also appoint an alternate Director who shall have the authority to attend, participate in and vote at any meeting of the Board when the director is absent. A director or alternate director shall be a County Supervisor, other County official, or staff person of the Member County, and upon termination of office or employment with the County, shall automatically terminate membership or alternate membership on the Board. b) Ten directors consisting of seven Directors and three alternate directors chosen in the manner specified in the Bylaws from those participating as

public entity members. A director or alternate public entity Director shall be an official, or staff person of the public entity member, and upon termination of office or employment with the public entity, shall automatically terminate membership or alternate membership on the Board.

c) Member County Directors shall consist of a minimum of 80% of the eligible voting members on the Board. The public entity Member Directors shall be reduced accordingly to ensure at least 80% of the Board consists of County Director Members (By way of example, if the number of County Members is reduced from the current 54 by member withdrawals to a level of 28, then county members would be at the 80% level, 28/35. If the County Members go to 27, then the public entity members would lose one seat and would only have 6 votes). Any vacancy in a County Director or alternate director position shall be filled by the appointing County's Board of Supervisors, subject to the Provisions of this Article. Any vacancy in a public entity Director position shall be filled by vote of the public entity members.
