

PARENTS, your child is learning all about going green at their preschool. Why should it end there? Here are some things you can do at home to help your child continue to remember their 4Rs (Reduce, Reuse, Recycle, Rot) and grow up green!

Reinforce Recycling & Sorting

RECYCLE: Plastic and glass bottles, metal cans, clean paper and cardboard.

COMPOST: Food scraps, soiled paper (pizza boxes, tissues, paper towels), yard trimmings.

Pack a ZERO WASTE LUNCH

Reusable Lunch Bag / Box

Refillable Drink Container

Durable Utensils

Cloth Napkin

Reusable Baggies & Tupperware

Items with Recyclable or Compostable Packaging

Most Importantly...

Embrace Their Imagination

Sometimes the best toys and activities come from the *creative reuse* of items that would otherwise be thrown away.

Toilet Paper Rolls
... Binoculars?

Glass jar...
Collect bugs?

Egg Carton
... Seed starter?

Cardboard box...
Build a Fort?
