Dear Mr. Rude:

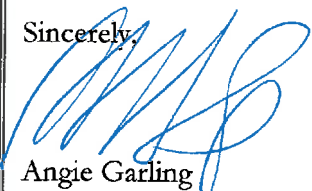

Thank you for approving the Alameda County Individualized Child Care Pilot Plan. We are so glad that we are able to work with you to implement the provision in this plan. Our agencies have already been enrolling children who would not otherwise have been eligible before the pilot. These families and the agencies that serve them are very happy these changes have been made. We are very grateful for the significant amount of time you and the rest of the involved staff devoted to the pilot. Our agencies and families are very appreciative!

We have been meeting regularly to iron out details of the implementation, and as a result we would like to request the following three minor modifications to the 24 month eligibility policy:

1. Alameda County is requesting 24 months of eligibility for seeking employment.
2. When a family's only need is either seeking housing or seeking employment, they would receive 6.5 hours instead of 6 hours of services.
3. The updated family fee schedule which was previously submitted to you.

Thank you for your consideration, and we look forward to your response.

Sincerely,

Angie Garling
