

Child Care Centers: **GO GREEN** & Save!

Need help complying with County recycling ordinance and preparing for mandatory composting requirements?

Contact the Alameda County Child Care Planning Council
Greening Preschools Coordinator

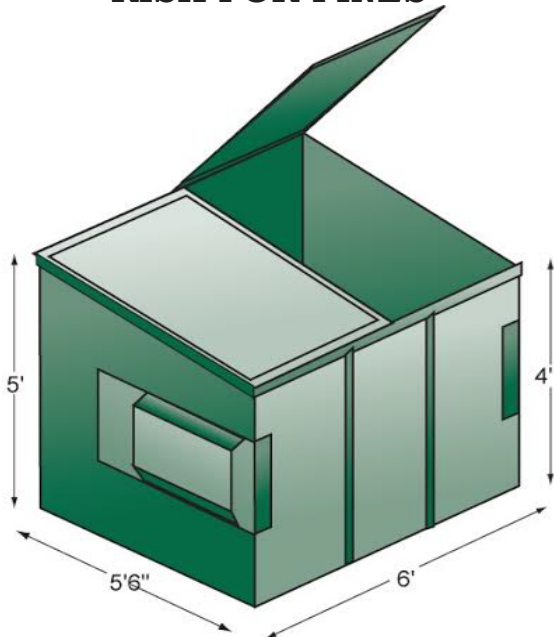

Kimberly Hazard

kim.hazard@acgov.org (510) 208-9653

If your center can fill a dumpster like this and is not recycling - **YOU COULD BE AT RISK FOR FINES**

4-Yard Bin

FREE SERVICES

In order to help centers change their trash service to include more recycling and compost, Kim can offer at no cost:

- Waste Assessments
- Service Change Support
- Lesson Plan & Curriculum Support
- Fun Recycling Trainings and Activities for Children
- Professional Development for Teachers and Staff

As well as support for any other greening effort including green cleaning and gardens!

FREE OFFER

The first 15 eligible centers to partner with Kim to change trash service will receive:

- Recycling and compost bins
- Reusable, non-toxic kitchenware

FREE MONEY!

StopWaste is offering **\$5,000** to non-profits with a membership base of at least 50 people serving disadvantaged communities in Alameda County.

After delivering an outreach campaign to improve food scrap recycling - the money is yours to spend however you like!
