

ALAMEDA COUNTY CHILD CARE PLANNING COUNCIL
SIX-MONTH WORK PLAN
 BY COMMITTEE

Committee	Three-Year Goal	Initiative	September Status Update
Early Care and Education Committee	Monitor, support and contribute to quality improvement initiatives	By June 2013, impact quality by utilizing the existing resource by the Council to improve quality and link to QRIS expectation.	Planning Council staff is co-leading the QRIS effort for Alameda County along with First Five staff. QRIS Advisory Committee members were recently selected and many are also current or former Planning Council Steering Committee members.
Public Policy Committee	Increase and retain funding	<ul style="list-style-type: none"> ●By June 2013, at June Public Policy meeting brainstorm realignment opposition strategy. ●By June 2013, we will take action on real advocacy opportunities to stop realignment. ●By June 2013, present at Public Policy meeting. ●By June 2013, if advocacy effort of Goal #1 fails, move to aggressive planning for realignment implementation/plan. 	<p>Realignment did not end up in the 2012-2013 budget so we are not focusing on this item now. It may come up again in January.</p> <p>The Committee is focusing on the fall election and in coordinating advocacy strategies with the State Contractors group.</p>
Community Development & Funding Committee	Strengthen and increase relationships and collaboration	By June 2013, LPC will have comprehensive communications plan to guide planning council work.	This Committee is being disbanded and State Contractors will become a Council Committee. We will continue to pursue these strategies internally through staff and Executive Committee.
		By June 2013, we will know where our collective Council voice is heard at local, state and national level and our voice will be stronger.	
Executive Committee	Increase the knowledge, engagement and expertise of council members	Every Council member will know who appointed them and share with them one key piece of economic or scientific research on the importance of ECE and a vision for a model program.	We have not worked on this item yet!
	.	By June 2013, increase the knowledge, engagement and expertise of council members and everyone.
