Conflict of Interest: To vote or not to vote

- 1. Are you making, participating in, or using your “official position” to influence a governmental decision?***
- 2. Do you have an economic interest in the decision?***
- 3. Is your economic interest directly involved in the decision?***
- 4. Will the decision have a material effect on your economic interest?***
- 5. Is the effect of the decision on your economic interest distinguishable from its effect on the general public?***

(If the answer to all of the above questions is yes, you probably have a conflict of interest and should abstain from participating in the decision.)
