Education Visioning Group

**“Our lives begin to end
the day we become silent
about things that matter.”
— Martin Luther King, Jr.**

We believe...

**Children, education and
schools matter.**

We believe...

**Educated citizens are the
basis of our democratic
society.**

We believe...

Eden Area residents recognize that robust, successful schools are an essential component of strong, vibrant communities.

We believe...

**Students will thrive when
given every opportunity to
reach their potential.**

We believe...

**All students will be
educated and supported by
caring and committed staff.**

We believe...

All parents must be engaged in every aspect of their child's education.

We believe...

**We must take the initiative
to provide the resources to
make this happen.**

**Please offer your hands to
them, so that no child is left
behind because we did not act.**

~Marian Wright Edelman

Goals

**Advocate & provide avenues
for increasing resources and
opportunities for all schools
and students in the Eden Area.**

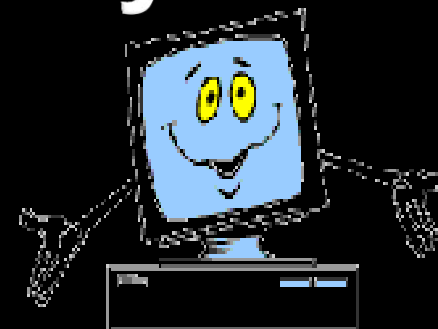

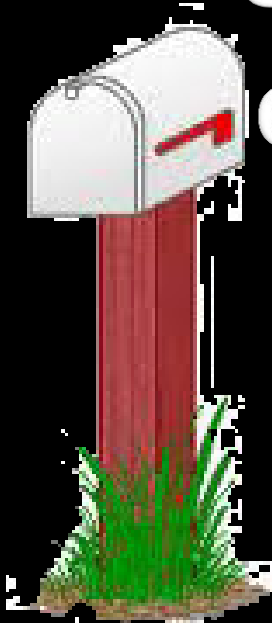

Identify and implement strategies and mechanisms to ensure student and staff safety for all Eden Area schools.

Encourage all school districts and the County Office of Education to expand engagement and communication with the Eden Area community.

Promote healthy lifestyles in the Eden Area schools and communities.

Thank you
