

EXHIBIT E.5

REQUIRED GENERAL CONDITIONS

RFP No. 901098 – REGIONAL RENEWABLE ENERGY PROCUREMENT (R-REP)

The following is a list of links to unique construction management requirements or general conditions documents for each Participating Agency. These are documents which define hours of operation, safety requirements, and other factors relating to capital construction on government owned properties. It is the Qualified Proposers responsibility to carefully consider these contracting requirements when preparing their bid submittals..
