Responses to Written Questions

Q1) Is there a ballpark figure for the contract

A1) No funding amount has been disclosed for this RFQ.

Q2) Is Rapid Rehousing type included in this RFQ

A2) No. Rapid Rehousing is not included in this RFQ.

Q3) Will this be an ongoing RFQ

A3) Yes, this will be an ongoing RFQ that will be released quarterly unless ACPD feels service needs are met.

Q4) Under the vendor pre-qualifications on page 8: "Bidder must be regularly and continuously engaged in the business of providing housing services to the adult realigned population or Juvenile population for the past 24 months utilizing evidence-based correctional practice(s) that are widely accepted as strategies to reduce future criminal behavior." Does this include only providing housing services to the target population under contracts specific to re-entry clients, or can we demonstrate qualification by describing services to people who are in the realigned target population, but whom we served under a non-re-entry-specific contract?

A4) Yes, you can demonstrate qualifications by describing housing services to the realigned target population that were served under a non-re-entry specific contract.

Q5) Is there a minimum number of beds per vendor that you plan to fund?

A5) No minimum is specified in this RFQ.

Q6) Are the beds required to be held solely for Probation? E.g., if a vendor proposes 10 beds within a shelter that has overlapping programs, would those 10 beds be 100% obligated to Probation, or could a vendor fill the beds from other programs if there were not enough eligible Probation referrals?

A6) No, beds are not required to be held for Probation referrals only.

Q7) On page 10, the RFQ states that "5.If possible, Bidder will have the ability to implement and monitor a rental subsidy component." Should we incorporate rental subsidy costs into our budget and proposed per diem rate?

A7) Yes.
