### I. <u>STATEMENT OF WORK</u>

#### A. <u>INTENT</u>

Alameda County Public Works Agency (ACPWA) is seeking RFP responses from interested and qualified contractors to provide tree maintenance services as listed below under Specific Requirements.

To be considered, contractors must demonstrate knowledge, qualifications, abilities, experiences, and competencies required to provide services in a timely and responsive manner. ACPWA intends to award one three-year contract with a two-year option to renew, to the contractor most qualified and whose RFP response meets ACPWA's requirements. The estimated contract amount will be a not to exceed amount of \$1,800,000, which will be used to pay the contractor for work performed.

The contractor must possess the appropriate California Contractor's State License Board (CSLB) License relevant to the service category being proposed, if required for work being performed.

This RFP generally describes the types of services that Contractor may be called upon to perform, the requisite Contractor experience and capabilities, ACPWA requirements, and the information that must be included in the RFP response. Failure to submit information in accordance with the RFP requirements and procedures may be cause for disqualification.

#### ACPWA will be conducting this procurement in a process comprised of evaluation and scoring of RFP responses submitted and references checked. From this evaluation, ACPWA will select the contractor for negotiation of the contract.

ACPWA expects that Contractor(s) will use their experience and knowledge to make recommendations and refine the potential work task assignment(s) as necessary to satisfy ACPWA objectives. Specific work requirements, time frames for completion, costs, and methods of payment shall be mutually agreed upon by Contractor and ACPWA in writing prior to commencement of each task.

#### B. <u>BACKGROUND</u>

ACPWA is the division of the County of Alameda (County) responsible for developing, operating, and maintaining public works infrastructure projects, such as county roadways. ACPWA also serves the Alameda County Flood Control and Water Conservation District (District). The County will be administering the contract, and references to the County include references to the District. Alameda County extends from the eastern shore of San Francisco Bay to San Joaquin County. There are six unincorporated communities and rural areas throughout the 813 square miles of the county. ACPWA aims to provide, maintain and preserve public infrastructure in an efficient and effective manner, while promoting a healthy and sustainable environment that supports safe and livable communities. Routine and recurring tree maintenance services are required along unincorporated roadways in the County and throughout the District's system of creeks, channels and facilities when and where the County or District owns the trees and deems work necessary.

The selected Contractor(s) shall provide all supervision, labor, materials, equipment, transportation, and tools necessary to safely, properly, and promptly perform on-call tree maintenance services within the boundaries of Alameda County.

#### C. <u>BIDDER QUALIFICATIONS</u>

- 1. BIDDER Minimum Qualifications
  - Bidder shall be regularly and continuously engaged in the business of providing tree maintenance services for at least three (3) years, for municipalities which includes trees posing an imminent threat to structures; and
  - The contractor must possess the appropriate California Contractor's State License Board (CSLB) License relevant to the service category being proposed, if required for work being performed; and
  - c. At time of bid submittal, Contractor shall submit a copy of the current registration showing bidder is qualified to perform public work pursuant to Section 1725.5 of the Labor Code; and
  - d. Bidder shall possess all permits, licenses and professional credentials necessary to supply products and perform services as specified under this RFP.

#### D. <u>SPECIFIC REQUIREMENTS</u>

Contractor shall perform on-call tree maintenance services within the boundaries of Alameda County. Contractor's tree trimming and removal services shall include but not be limited to the following:

1. Organization Requirements

- a. Contractor shall maintain compliance with the <u>International Society of</u> <u>Arboriculture (ISA) (https://www.isa-arbor.com/</u>) standards and applicable federal, state and local laws and regulations, including the Alameda County Tree Ordinance (<u>https://www.acpwa.org/codes-and-ordinances</u>), Alameda County Tree Manual (<u>https://library.municode.com/ca/alameda\_county/codes/code\_of\_ordina\_nces?nodeld=TIT12PUROPA\_CH12.11RETRCORI-W</u>) and any tree ordinance policies.
- b. Contractor's employees shall be certified by ISA as a Tree Worker Specialist.
  - c. Contractor's Arborist(s) shall:
    - (1) Evaluate trees and make recommendations to ACPWA;
    - (2) Supervise maintenance activities, i.e. tree trimming and removals, as directed by the Project Manager; and
    - (3) Supervise all work performed for the County as it relates to assigned task orders.
  - d. The Contractor shall adhere to all appropriate provisions of the California Labor Code in particular with Division 2, Part 7, Chapter 1, Articles 1-3. Any approvals, by the County, will not relieve the Contractor from the observation and/or adherence to the provisions of the California Labor Code. Contractor will use the Elation Systems online contract and labor compliance management system and will ensure it and its subcontractors attend the free training on using the system and use the system to report weekly certified payroll, fringe benefits statements, monthly progress payment status reports, and non-performance statements. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations pursuant to Labor Code Section 1771.4.
  - e. The Contractor and any subcontractor shall pay not less than the specified general prevailing rates of wages to all workers employed in the execution of the contract. General Prevailing rates of per diem wages shall be those general wage determinations made by the Director of the Department of Industrial Relations, State of California, for each craft, classification or type of worker required in the execution of the contract.
- 2. Tree trimming services shall be performed in a manner that protects the health and growth of the trees. Tree removal services shall be performed using the safest method possible. Contractors' services will be performed with particular attention to the following:

- a. No damage shall be done to the cambium layer, loosening or stripping of the bark shall be avoided.
- b. Cuts shall be made according to current standards as endorsed by the <u>Tree Care Industry Association</u> (<u>https://tcia.org/TCIA/Default.aspx?hkey=18f94022-9bd6-4327bec9-0a790dae328c&WebsiteKey=b9a41e1f-978d-4585-9172c411c78c5c14) and International Society of Arboriculture (ISA).
  </u>
- c. Climbing irons/spikes shall not be used on any tree unless the Project Manager has determined in writing that the tree shall be removed.
- d. All tree removal shall be done in a manner that protects surrounding property, vegetation, overhead lines, oncoming traffic and any other structures that could be affected.
- e. Tree trunks shall be removed to ground level, or to a specific height as directed by the Project Manager.
- f. Contractor shall perform stump-grinding services and/or stump treatments with an approved, registered herbicide to prevent regrowth as required or directed by the Project Manager. Herbicide applications shall be made in accordance with the laws and regulations established by the California Department of Pesticide Regulations.
- g. If monitoring of tree stumps proves stump sprouts have occurred, contractor shall remove stump sprouts and treat re-treat stump with an approved, registered herbicide.
- h. At County's request, contractor shall provide an estimate of trees' value before cutting begins.
- i. Contractor shall replace or make restitution for any tree that is damaged as a result of improper trimming, as determined by the County.
- j. Contractor shall be responsible for all lane closures, including signage, barricades and warning devices necessary to complete work in a safe manner. Any road break permits required shall be the responsibility of the Contractor.

- d. Contractor shall provide the County with an estimated time of arrival on site of an aerial lift, operator and crew. County Project Manager shall provide Contractor with an eight (8) hour window for nonemergency projects. Once a job is started, all work shall be completed in a timely manner without delay to the satisfaction of the County representative.
- e. Contractor shall arrive on site, within two (2) hours of notice when required due to storm and/or emergency conditions, as directed by the Project Manager.
- f. During a state of emergency, due to a natural disaster or other type of declared emergency, Alameda County is a first responder. As a result, Contractor should prioritize tree trimming and removal services for ACPWA when needed due to potential emergency conditions.
- g. In the event of an emergency or storm, Arborist(s) shall report to site within 2 hours to evaluate the health of trees and make a recommendation as to whether the tree should be pruned, removed or preserved.
- h. Removal services shall be performed in such a manner that limits unnecessary engine idling. Engine idling in excess of five (5) minutes is strictly prohibited, unless engine power is required to operate the vehicle's accessory equipment such as lifts.
- i. Contractor shall promptly transport all green waste to a recycling center, composting facility or a transfer station that offers separate processing for green waste in the form of composting or recycling into reusable materials.
  - (1) Per <u>Alameda County Waste Management Authority</u> (<u>http://www.recyclingrulesac.org/ordinance-overview/</u>) ordinance plant debris may not be landfilled and must be composted or recycled. County reserves the right to direct Contractor to deposit green waste at a County facility or jobsite for reuse, if needed.
- j. Contractor shall comply with <u>quarantine regulations</u> (<u>https://www.cdfa.ca.gov/plant/pe/InteriorExclusion/quarantine.ht</u> <u>ml</u>) set by the California Department of Food and Agriculture (CDFA)

when working in areas affected by Sudden Oak Death (SOD), and by Light Brown Apple Moth (LBAM). Regulations include, but are not limited to, ensuring that material is transported to a green waste processing facility that has been authorized by the local County Agricultural Department to accept affected loads, ensuring vehicle payloads are tightly covered with a tarp or otherwise enclosing green waste material to prevent releases during transport, and ensuring equipment is cleaned after working in a contaminated zone so as to prevent cross contamination.

- k. Contractor shall be responsible for knowing when they are working in a zone affected by SOD and the LBAM. Contractors may refer to <u>http://www.suddenoakdeath.org/about-sudden-oak-death/</u> for information on SOD. Contractor may to refer to <u>https://www.cdfa.ca.gov/plant/lbam/regulation.html</u> for information on the LBAM or <u>Alameda County Department of</u> <u>Agriculture (http://www.acgov.org/cda/awm/)</u>.
- I. When working in an area affected by SOD and/or the LBAM and transporting green waste out of Alameda County, Contractor shall promptly report the following details to Alameda County's Department of Agriculture:
  - (1) Date;
  - (2) Location;
  - (3) Type of tree(s);
  - (4) How many;
  - (5) Size;
  - (6) Work methods;
  - (7) How transported; and
  - (8) How refuse was disposed of.
- g. County Project Manager reserves the right to modify or suspend any work assignment at its discretion, including adverse weather conditions at no cost to the County.
- 3. Contractor's Pruning Operations shall sometimes but not always:
  - a. Reduce the risk of limb and/or whole tree failure;
  - Provide clearance for vehicles, cyclists and pedestrians as per CalTrans standards (dot.ca.gov);

- c. Maintain tree health;
- d. Improve aesthetics.
- e. Contractor will also clear limbs and branches away from electrical wires, lights, buildings and traffic signal devices. Also, Contractor will remove all trunk sprouts and suckers and clear limbs to provide for pedestrian travel.
- f. All work will be performed in accordance with the Best Management Practices developed by the <u>International Society of Arboriculture</u> (ISA) (https://wwv.isa-arbor.com/store/shop), American National <u>Standards Institute A300 Standards</u> (https://www.tcia.org/TCIA/BUSINESS/ANSI\_A300\_Standards\_/TCIA /BUSINESS/A300\_Standards/A300\_Standards.aspx?hkey=202ff566-4364-4686-b7c1-2a365af59669) and ANSI Z 133.1 Safety Standards (https://wwv.isa-arbor.com/store/shop). The debris will be removed from the job site and taken to a designated facility for recycling or composting at the end of each workday.
- g. When work is completed, Contractor will clean and remove, from the area(s) where work was performed, all leaves, twigs, sawdust, tree fruits and any other waste material produced by trimming or removal operations .
- h. *Palm Trunk Skinning.* The County may request Contractor to perform palm tree skinning where appropriate. This will consist of the removal of dead frond bases only at the point they make contact with the trunk, without damage to the living trunk tissue.
- i. *Root Pruning.* The County may request Contractor to prune roots to a depth of approximately 12 inches by cleanly slicing through the roots, so as not to tear or vibrate the root causing damage to the tree. The excavated area will be backfilled and debris will be hauled away by Contractor.
- j. *Line Clearance Pruning.* Trees interfering with communication lines will be trimmed to achieve the required clearances.
  - In addition, line clearance pruning will be performed to protect the current health and condition of the tree and to maintain its symmetry.

- (2) Overhanging limbs will be removed, and natural pruning techniques that utilize the least number of cuts will be made to direct growth away from the communication lines.
- k. *Clearance Pruning*. Contractor will prune branches for vehicle traffic to provide a fourteen (14) foot clearance from the top of the curb when practical, or as specified by the County.
  - (1) Contractor shall clear limbs or branches away from wires, lights, buildings, and traffic signal devices. Contractor shall also remove all trunk sprouts and suckers and clear limbs and other tree materials to provide a safe path for pedestrian travel. All clearance pruning shall be performed in accordance with I.S.A. Standards, ANSI A300 Standards and County specifications.
- I. *Tree Planting*. The County may request Contractor to replace trees that have been removed and plant new trees with new specifications.
  - (1) The County may request Contractor send notices via U.S. Mail informing residents of the work that is to be performed.
  - (2) For any tree planting as requested by the County, Contractor will inform <u>Underground Service Alert (USA) North</u> (<u>https://www.usanorth811.org/</u>) of the location of work for the purpose of identifying any and all utility lines with at least forty-eight hours' notice.
  - Once the County approves the trees to be planted,
     Contractor's planting team shall perform the soil preparation and installation of the tree in accordance with ISA Standards,
     ANSI A300 Standards, the Alameda County Tree Ordinance, the Alameda County Tree Manual and County specifications.
- m. *Tree Watering.* County may request Contractor to provide tree watering on various routes, landscape medians, and young trees when requested by the County. Contractor watering team shall be responsible for reporting special care needs to the County. This may include but is not limited to reporting weed growth, soil issues and tree establishment and stability concerns, when necessary.
- n. *Small Tree Care and Small Tree Care Team.* Contractor will provide trained and certified personnel to care for small trees. Contractor's

small tree care team services shall include but are not limited to the following:

- (1) Selective structural pruning;
- (2) Removal of dead, interfering, split or broken limbs;
- (3) Pre-conditioning the water retention basin built around the tree;
- (4) Staking or re-staking;
- (5) Adjusting tree ties;
- (6) Adjusting trunk protectors;
- (7) Weed abatement; and
- (8) Tree watering (up to one time per week depending on weather conditions.)
- o. The County may request Contractor to establish a Small Tree Care Maintenance Program to address the tree and parkway maintenance requirements on an individual basis. Each tree is inspected to determine specific needs, then maintenance activities are performed accordingly.
- 4. Contractor's equipment shall include:
  - a. Truck mounted, fully insulated, fifty foot (50') minimum vertical reach aerial lift, equipped with all necessary outriggers and safety devices. Aerial lift shall comply with ANSI Standard A92.2 for "American National Standard Vehicle-Mounted Elevating and Rotating Aerial Devices".
  - b. Brush chipper shall be twelve-inch (12") minimum.
  - c. Chain saws and all other equipment used by Contractor shall be suitable and appropriate for the job at hand. Chainsaws shall be of sufficient size and design for the task.
  - d. Equipment shall be properly maintained by Contractor and remain in good and operable conditions throughout the term of any contract awarded as a result of this RFP.
  - e. Contractor shall provide experienced and trained personnel to safely operate all equipment.

- f. *Equipment Rental.* The County may request Contractor to dispatch a Hi-Ranger aerial tower(s) with a reach of 95 feet and/or a high-capacity crane with a reach of more than 100 feet.
- g. The County may request Contractor to have a number of roll-off boxes, trucks and loaders for projects requiring hauling of debris.
   Request for these services shall be coordinated directly by County Project Manager.
- 5. Contractor shall perform all services safely and in accordance with all applicable federal, state and local laws and regulations. Mandatory safety practices include, but are not limited to the following:
  - a. Upper booms and personnel baskets of aerial lifts shall be fully insulated at all times;
  - b. Approved hard hats shall be worn at each work site;
  - c. Personnel working near power lines shall have proper training and equipment to safely perform services;
  - d. Warning signs, traffic cones, flashing lights and all other necessary safety equipment and devices shall be utilized at each work site;
  - e. Aerial truck outriggers shall be fully operational and extended to achieve proper balance whenever the aerial lift is in action;
  - f. Whenever the aerial lift is going to be used, chocks shall be properly placed to the front and back of the rear driver or passenger side tire of the aerial lift truck. The outriggers shall not be substituted for the use of chocks;
  - g. Eye protection (e.g. safety goggles and/or face shield) and hearing protection (e.g. ear plugs and/or ear muffs) shall be worn at all times at work site;
  - h. Safety harnesses shall be worn and properly connected to the aerial lift by persons using the aerial lift; and
  - i. Proper safety equipment shall be used during all operations.

- 6. Contractor must keep its materials and equipment in good working order, and use them in accordance with the instructions of the applicable manufacturer, fabricator, supplier, or distributor.
- 7. Contractor shall perform services with minimal obstruction and inconvenience to the public, and shall perform its work with regard for the rights of the public.
- 8. Contractor shall ensure that its work poses no risk and creates no dangerous conditions.
- 9. The Project Manager may order the Contractor to stop work whenever any safety violation is observed and/or evidenced. The Contractor shall comply with the stop work order and shall not resume work until the safety violation is corrected to the satisfaction of the Project Manager. Contractor shall not be entitled to any compensation for time during the period of the work stoppage.
- 10. Identification and location of all utility or power lines are the responsibility of the Contractor. The Contractor shall:
  - Proceed with sufficient caution to preclude damaging any utilities known or unknown. In the event unidentified utilities are encountered, the Contractor(s) shall notify the Project Manager immediately informing of possible risk involved.
  - b. Repair or replace any damage caused by Contractor at Contractor's expense.
- 11. *Emergency Response.* Contractor shall provide an Area Manager who will be on call 24 hours a day, 7 days a week, including holidays. This number shall be provided to the County..
  - a. Contractor will receive emergency calls on a 7-day, 24-hour basis. Contractor will do what is necessary to render the hazardous tree or tree-related condition safe until the following workday. In the event of an emergency during normal business hours, Contractor staff members will respond to the scene and perform the required work.

#### E. <u>DELIVERABLES / REPORTS</u>

1. At the direction of the County, the Contractor is required to supply ad-hoc reports to the County related to any work that they do.

2. The County may request Contractor to provide reports by a Consulting Arborist on tree evaluations and site inspections.

### III. COUNTY PROCEDURES, TERMS, AND CONDITIONS

#### G. EVALUATION CRITERIA/SELECTION COMMITTEE

All responses that pass the initial Evaluation Criteria (which are determined on a pass/fail basis, see table below) will be evaluated by an Agency Selection Committee (ASC). The ASC may be composed of Agency staff and other parties that may have expertise or experience with the type of work required for this contract. The ASC will score and select the Contractor(s) who will be invited to negotiate a contract for On-Call Tree Maintenance services. Other than the initial pass/fail Evaluation Criteria, the evaluation of the responses shall be within the sole judgment and discretion of the ASC.

All contact during the evaluation phase shall be through Agency contact only identified on the cover sheet. Contractors shall neither contact nor lobby evaluators during the evaluation process. Attempts by Contractor to contact and/or influence members of the ASC may result in disqualification of Contractor. The ASC will evaluate each response meeting the qualification requirements set forth in this RFP. Contractors should bear in mind that any response that is unresponsive to the scope set forth in this RFP will be deemed reflective of an inherent lack of technical competence or indicative of a failure to comprehend the complexity and risk of Agency's requirements as set forth in this RFP.

The basic information that each section should contain is specified below, these specifications should be considered as minimum requirements. Much of the material needed to present a comprehensive response can be placed into one of the sections listed. However, other criteria may be added to further support the evaluation process whenever such additional criteria are deemed appropriate in considering the nature of the services being solicited.

Each of the Evaluation Criteria below will be used in ranking and determining the quality of a Contractor's response and scored on the zero to ten-point scale outlined below. The scores for all Evaluation Criteria will then be added, according to their assigned weight (below), to arrive at a weighted score for each response. A response with a higher-weighted total will be deemed of higher quality than a response with a lesser-weighted total.

The final maximum score for proposal evaluation (responses) is one hundred (100) points.

The zero to five-point scale range is defined as follows:

0	Not Acceptable	Non-responsive, fails to meet RFQ/P specification. The approach has no probability of success. If a mandatory requirement this score will result in disqualification of proposal.
---	----------------	---

1	Poor	Below average, falls short of expectations, is substandard to the average or expected norm, has low probability of success in achieving objectives.
2	Fair	Has a reasonable probability of success, however, some objectives may not be met.
3	Average	Acceptable, achieves all objectives in a reasonable fashion per RFQ/P specification. This will be the baseline score for each item with adjustments based on interpretation of proposal by Evaluation Committee members.
4	Above Average / Good	Very good probability of success, better than that which is average or expected as the norm. Achieves all objectives per RFQ/P.
5	Excellent / Exceptional	Exceeds expectations, very innovative, clearly superior to that which is average or expected as the norm. Excellent probability of success and in achieving all objectives and meeting RFQ/P specification.

The Evaluation Criteria and their respective weights are as follows:

	INITIAL CRITERIA	Score
1.	Completeness of Response:Responses to this RFP must be complete. Responses that do not include the proposal content requirements identified within this RFP and subsequent Addenda and do not address each of the items listed below will be considered incomplete, be rated a Fail in the Evaluation Criteria and will receive no further consideration.Responses that are rated a Fail and are not considered may be picked up by the Contractor at the delivery location within 14 calendar days of contract award and/or the completion of the competitive process.	Pass/Fail
2.	<b>Debarment and Suspension:</b> Bidders, its principal and named subcontractors are not identified on the list of Federally debarred, suspended or other excluded parties located at www.sam.gov/SAM/.	Pass/Fail

	EVALUATION CRITERIA - RESPONSES	Weight Factor	Max Rating	Max Score
1.	<ul> <li>Cost: The points for Cost will be computed by dividing the amount of the lowest responsive bid received by each Bidder's total proposed cost.</li> <li>While not reflected in the Cost evaluation points, an evaluation may also be made of: <ol> <li>Reasonableness (i.e., does the proposed pricing accurately reflect the Bidder's effort to meet requirements and objectives?);</li> <li>Realism (i.e., is the proposed cost appropriate to the nature of the products and/or services to be provided?); and</li> <li>Affordability (i.e., the ability of the County to finance oncall tree maintenance services).</li> </ol> </li> <li>Consideration of price in terms of overall affordability may be controlling in circumstances where two or more proposals are otherwise adjudged to be equal, or when a superior proposal is at a price that the County cannot afford.</li> </ul>	7.0	5	35
2.	Understanding of the Project: Proposals will be evaluated against the RFP specifications and the questions below:	6.0	5	30

#### H. CONTRACT EVALUATION AND ASSESSMENT

During the initial 60 day period of any contract which may be awarded to Contractor, the County may review the proposal, the contract, any goods or services provided, and/or meet with the Contractor to identify any issues or potential problems.

The County reserves the right to determine, at its sole discretion, whether:

1. Contractor has complied with all terms of this RFP; and

2. Any problems or potential problems with the proposed goods and services were evidenced which make it unlikely (even with possible modifications) that such goods and services have met or will meet the County requirements.

If, as a result of such determination, the County concludes that it is not satisfied with Contractor, Contractor's performance under any awarded contract and/or Contractor's goods and services as contracted for therein, the Contractor will be notified that the contract is being terminated. Contractor shall be responsible for returning County facilities to their original state at no charge to the County. The County will have the right to invite the next highest ranked bidder to enter into a contract. The County also reserves the right to re-bid this project if it is determined to be in its best interest to do so.

#### I. NOTICE OF INTENT TO AWARD

1. At the conclusion of the RFP response evaluation process ("Evaluation Process"), all bidders will be notified in writing by e-mail, fax, or US Postal Service mail, of the contract award recommendation, if any, by ACPWA. The document providing this notification is the Notice of Intent to Award.

The Notice of Intent to Award will provide the following information:

- a. The name of the bidder being recommended for contract award; and
- b. The names of all other parties that submitted proposals.
- 2. At the conclusion of the RFP response evaluation process and negotiations, debriefings for unsuccessful bidders will be scheduled and provided upon written request and will be restricted to discussion of the unsuccessful offeror's bid. Under no circumstances will any discussion be conducted with regard to contract negotiations with the successful bidder.
- 3. The submitted proposals shall be made available upon request no later than five calendar days before approval of the award and contract is scheduled to be heard by ACPWA.

#### J. <u>BID PROTEST/APPEALS PROCESS</u>

ACPWA prides itself on the establishment of fair and competitive contracting procedures and the commitment made to follow those procedures. The following is provided in the event that Contractors wish to protest the procurement process or appeal the recommendation to award a contract for this project once the Notices of Intent to Award/Non-Award have been issued. Protests submitted prior to issuance of the Notices of Intent to Award/Non-Award will not be accepted by ACPWA.

- Any protest by any Contractor to any part of the procurement process, must be submitted in writing to John Medlock, Alameda County Public Works Agency, Deputy Director, 951 Turner Court, Hayward, CA 94545, before 5:00 p.m. of the FIFTH (5th) business day following the date of issuance of the Notice of Intent to Award, not the date received by the Contractor. A protest received after 5:00 p.m. is considered received as of the next business day.
  - a. The protest must contain a complete statement of the reasons and facts for the protest.
  - b. The protest must refer to the specific portions of all documents that form the basis for the protest.
  - c. The protest must include the name, address, email address, fax number and telephone number of the person representing the protesting party.
  - d. ACPWA will transmit a copy of the protest to all Contractors affected by the protest as soon as possible after receipt of the protest.
- 2. Upon receipt of the written protest, the Public Works Deputy Director or designee will review and evaluate the protest and issue a written decision. The Public Works Deputy Director, may, at his or her discretion, investigate the protest, obtain additional information, provide an opportunity to settle the protest by mutual agreement, and/or schedule a meeting(s) with the protesting Contractor and others (as appropriate) to discuss the protest. The decision on the protest will be issued at least ten (10) business days prior to the Board hearing date. The decision will be communicated by e-mail or fax, and certified mail, and will inform the proposer whether or not the recommendation to the Board of Supervisors in the Notice of Intent to Award is going to change. A copy of the decision will be furnished to all Contractors affected by the decision. As used in this paragraph, a Contractor is affected by the decision on a protest if a decision on the protest could have resulted in the Contractor not being the apparent successful Contractor on the procurement.
- 3. The decision of the Public Works Deputy Director on the protest may be appealed to the Auditor-Controller's Office of Contract Compliance & Reporting (OCCR) located at 1221 Oak Street, Room 249, Oakland, CA 94612, Fax: (510) 272-6502 unless the OCCR determines that it has a conflict of interest in which case an alternate will be identified to hear the appeal and all steps to be taken by OCCR will be performed by the alternate. The Contractor whose proposal is the subject of the protest, all Contractors

affected by the Public Works Deputy Director decision on the protest, and the protestor have the right to appeal if not satisfied with the Public Works Deputy Director's decision. All appeals to the Auditor-Controller's OCCR shall be in writing and submitted within five (5) business days following the issuance of the decision by the Public Works Deputy Director, not the date received by the Contractor. An appeal received after 5:00 p.m. is considered received as of the next business day. An appeal received after the FIFTH (5th) business day following the date of issuance of the decision by the Public Works Deputy Director shall not be considered under any circumstances by ACPWA or the Auditor-Controller OCCR.

- a. The appeal shall specify the decision being appealed an all the facts and circumstances relied upon in support of the appeal.
- b. In reviewing protest appeals, the OCCR will not re-judge the Contractor submission. The appeal to the OCCR shall be limited to review of the procurement process to determine if the contracting department materially erred in following the RFQ/P or, where appropriate, County contracting policies or other laws and regulations.
- c. The appeal to the OCCR also shall be limited to the grounds raised in the original protest and the decision by the Public Works Deputy Director. As such, a Contractor is prohibited from stating new grounds for the protest in its appeal. The Auditor-Controller (OCCR) shall only review the materials and conclusions reached by the Public Works Deputy Director or department designee and will determine whether to uphold or overturn the protest decision.
- d. The Auditor's Office may overturn the results of a RFQ/P process for ethical violations by ACPWA staff, ACPWA Selection Committee members, subject matter experts, or any other staff managing or participating in the competitive process, regardless of timing or the contents of a proposal protest.
- e. The decision of the Auditor-Controller's OCCR is the final step of the appeal process. A copy of the decision of the Auditor-Controller's OCCR will be furnished to the protestor, the Contractor whose response is the subject of the protest, and all Contractors affected by the decision.
- f. ACPWA will complete the protest/appeal procedures set forth in this paragraph before a recommendation to award the Contract is considered by the Board of Supervisors.

The procedures and time limits set forth in this paragraph are mandatory and are each Contractor's sole and exclusive remedy in the event of protest. A Contractor's failure to

timely complete both the protest and the appeal procedures shall be deemed a failure to exhaust administrative remedies. Failure to exhaust administrative remedies, or failure to comply otherwise with these procedures, shall constitute a waiver of any right to further pursue the protest, including filing a Government Code Claim or legal proceedings.

#### K. TERM / TERMINATION / RENEWAL

- 1. The term of the contract, which may be awarded pursuant to this RFP, will be three (3) years.
- 2. By mutual agreement, any contract which may be awarded pursuant to this RFP, may be extended for an additional two-year term at agreed prices with all other terms and conditions remaining the same.

#### L. <u>QUANTITIES</u>

Quantities listed are annual estimates based on past usage and are not to be construed as a commitment. No minimum or maximum is guaranteed or implied.

#### M. <u>PRICING</u>

- 1. All pricing as quoted will remain firm for the term of any contract that may be awarded as a result of this RFP.
- 2. Unless otherwise stated, Bidder agrees that, in the event of a price decline, the benefit of such lower price shall be extended to the County.
- 3. All prices are to be F.O.B. destination. Any freight/delivery charges are to be included.
- 4. Any price increases or decreases for subsequent contract terms may be negotiated between Contractor and County only after completion of the initial term.
- 5. All prices quoted shall be in United States dollars and "whole cent," no cent fractions shall be used. There are no exceptions.
- 6. Price quotes shall include any and all payment incentives available to the County.
- 7. Bidders are advised that in the evaluation of cost, if applicable, it will be assumed that the unit price quoted is correct in the case of a discrepancy between the unit price and an extension.

An emerging business is defined by the County as having either annual gross receipts of less than one-half that of a small business OR having less than one-half the number of employees AND that has been in business less than five years.

- 3. The County reserves the right to reject any or all responses that materially differ from any terms contained in this RFP or from any Exhibits attached hereto, to waive informalities and minor irregularities in responses received, and to provide an opportunity for bidders to correct minor and immaterial errors contained in their submissions. The decision as to what constitutes a minor irregularity shall be made solely at the discretion of the County.
- 4. Any proposal/bids that contain false or misleading information may be disqualified by the County.
- 5. The County reserves the right to award to a single or multiple Contractors.

- 6. The County has the right to decline to award this contract or any part thereof for any reason.
- 7. A contract must be negotiated, finalized, and signed by the recommended awardee prior to ACPWA approval.
- 8. Final Standard Agreement terms and conditions will be negotiated with the selected bidder. Bidder may access a copy of the Standard Services Agreement template can be found online at:

http://www.acgov.org/gsa/purchasing/standardServicesAgreement.pdf

The template contains minimal Agreement boilerplate language only.

9. The RFP specifications, terms, conditions and Exhibits, RFP Addenda and Bidder's proposal, may be incorporated into and made a part of any contract that may be awarded as a result of this RFP.

#### O. <u>WARRANTY</u>

1. Bidder expressly warrants that all goods and services to be furnished pursuant to any contract awarded it arising from the Bid will conform to the descriptions and specifications contained herein and in supplier catalogs, product brochures and other representations, depictions or models, and will be free from defects, of merchantable quality, good material and workmanship. Bidder expressly warrants that all goods and services to be furnished pursuant to such award will be fit and sufficient for the purpose(s) intended. This warranty shall survive any inspections, delivery, acceptance or payment by the County. Bidder warrants that all work and services furnished hereunder shall be guaranteed for a period of 3 years from the date of acceptance by the County.

#### P. <u>INVOICING</u>

- 1. Contractor shall invoice the requesting department, unless otherwise advised, upon satisfactory receipt of product and/or performance of services.
- 2. County will use best efforts to make payment within 30 days following receipt and review of invoice and upon complete satisfactory receipt of product and performance of services.
- 3. County shall notify Contractor of any adjustments required to invoice.

- 4. Invoices shall contain County PO number, invoice number, remit to address and itemized products and/or services description and price as quoted and shall be accompanied by acceptable proof of delivery.
- 5. Contractor shall utilize standardized invoice upon request.
- 6. Invoices shall only be issued by the Contractor who is awarded a contract.
- 7. Payments will be issued to and invoices must be received from the same Contractor whose name is specified on the PO.
- 8. The County will pay Contractor monthly or as agreed upon, not to exceed the total quoted in the bid response.

#### Q. ACCOUNT MANAGER / SUPPORT STAFF

- 1. Contractor shall provide a dedicated competent account manager who shall be responsible for the County account/contract. The account manager shall receive all orders from the County and shall be the primary contact for all issues regarding Bidder's response to this RFP and any contract which may arise pursuant to this RFP.
- Contractor shall also provide adequate, competent support staff that shall be able to service the County during normal working hours, Monday through Friday. Such representative(s) shall be knowledgeable about the contract, products offered and able to identify and resolve quickly any issues including but not limited to order and invoicing problems.
- 3. Contractor account manager shall be familiar with County requirements and standards and work with the Alameda County Public Works Agency to ensure that established standards are adhered to.

limitations or restrictions of Bidder in providing the services that the County should be aware of in evaluating its Response to this RFP.

- 6. **Description of the Proposed Equipment**: Bid response shall include a description and/or images of the proposed equipment, as it will be used during the term of the contract. The description shall specify how the proposed equipment will meet or exceed the requirements of the County and shall explain any advantages that this proposed equipment would have over other possible equipment. The description shall include any disadvantages or limitations that the County should be aware of in evaluating the quotation.
- 7. **Credentials**: Copies of any licenses, certifications, or other third party verification of credentials stated as BIDDER QUALIFICATIONS in the RFP must be submitted with the bid response; Documents must be clearly identified as to which requirement they are responsive.

## SMALL LOCAL EMERGING BUSINESS (SLEB) PARTNERING INFORMATION SHEET

#### RFP No. MAO2021310 – On-Call Tree Maintenance Services

In order to meet the Small Local Emerging Business (SLEB) requirements of this RFP, all bidders must complete this form as required below.

Bidders not meeting the <u>definition of a SLEB</u> (<u>http://acgov.org/auditor/sleb/overview.htm</u>) are required to subcontract with a SLEB for at least 20% of the total estimated bid amount in order to be considered for contract award. SLEB subcontractors must be independently owned and operated from the prime Contractor with no employees of either entity working for the other. This form must be submitted for each business that bidders will work with, as evidence of a firm contractual commitment to meeting the SLEB participation goal. (Copy this form as needed.)

Bidders are encouraged to form a partnership with a SLEB that can participate directly with this contract. One of the benefits of the partnership will be economic, but this partnership will also assist the SLEB to grow and build the capacity to eventually bid as a prime on their own.

Once a contract has been awarded, bidders will not be able to substitute named subcontractors without prior written approval from the Auditor-Controller, Office of Contract Compliance & Reporting (OCCR).

County departments and the OCCR will use the web-based Elation Systems to monitor contract compliance with the SLEB program (Elation Systems: <u>http://www.elationsys.com/elationsys/</u>).

#### COUNTY OF ALAMEDA MINIMUM INSURANCE REQUIREMENTS

Without limiting any other obligation or liability under this Agreement, the Contractor, at its sole cost and expense, shall secure and keep in force during the entire term of the Agreement or longer, as may be specified below, the following minimum insurance coverage, limits and endorsements:

	TYPE OF INSURANCE COVERAGES	MINIMUM LIMITS
Α	Commercial General Liability Premises Liability; Products and Completed Operations; Contractual Liability; Personal Injury and Advertising Liability	\$1,000,000 per occurrence (CSL) Bodily Injury and Property Damage
В	Commercial or Business Automobile Liability All owned vehicles, hired or leased vehicles, non-owned, borrowed and permissive uses. Personal Automobile Liability is acceptable for individual contractors with no transportation or hauling related activities	\$1,000,000 per occurrence (CSL) Any Auto Bodily Injury and Property Damage
С	Workers' Compensation (WC) and Employers Liability (EL) Required for all contractors with employees	WC: Statutory Limits EL: \$1,000,000 per accident for bodily injury or disease
<b>D</b>	Endemente and Candifferen	· · · · ·

D Endorsements and Conditions:

- ADDITIONAL INSURED: All insurance required above with the exception of Commercial or Business Automobile Liability, Workers' Compensation and Employers Liability, shall be endorsed to name as additional insured: Alameda County Flood Control and Water Conservation District and County of Alameda, its Board of Supervisors, the individual members thereof, and all County officers, agents, employees, volunteers, and representatives. The Additional Insured endorsement shall be at least as broad as ISO Form Number CG 20 38 04 13.
- 2. DURATION OF COVERAGE: All required insurance shall be maintained during the entire term of the Agreement. In addition, Insurance policies and coverage(s) written on a claims-made basis shall be maintained during the entire term of the Agreement and until 3 years following the later of termination of the Agreement and acceptance of all work provided under the Agreement, with the retroactive date of said insurance (as may be applicable) concurrent with the commencement of activities pursuant to this Agreement.
- 3. REDUCTION OR LIMIT OF OBLIGATION: All insurance policies, including excess and umbrella insurance policies, shall include an endorsement and be primary and non-contributory and will not seek contribution from any other insurance (or self-insurance) available to the County. The primary and non-contributory endorsement shall be at least as broad as ISO Form 20 01 04 13. Pursuant to the provisions of this Agreement insurance effected or procured by the Contractor shall not reduce or limit Contractor's contractual obligation to indemnify and defend the Indemnified Parties.
- 4. INSURER FINANCIAL RATING: Insurance shall be maintained through an insurer with a A.M. Best Rating of no less than A:VII or equivalent, shall be admitted to the State of California unless otherwise waived by Risk Management, and with deductible amounts acceptable to the County. Acceptance of Contractor's insurance by County shall not relieve or decrease the liability of Contractor hereunder. Any deductible or self-insured retention amount or other similar obligation under the policies shall be the sole responsibility of the Contractor.
- SUBCONTRACTORS: Contractor shall include all subcontractors as an insured (covered party) under its policies or shall verify that the subcontractor, under its own policies and endorsements, has complied with the insurance requirements in this Agreement, including this Exhibit. The additional Insured endorsement shall be at least as broad as ISO Form Number CG 20 38 04 13.
- JOINT VENTURES: If Contractor is an association, partnership or other joint business venture, required insurance shall be provided by one of the following methods:
  - Separate insurance policies issued for each individual entity, with each entity included as a "Named Insured" (covered party), or at minimum named as an "Additional Insured" on the other's policies. Coverage shall be at least as broad as in the ISO Forms named above.
- Joint insurance program with the association, partnership or other joint business venture included as a "Named Insured".
   CANCELLATION OF INSURANCE: All insurance shall be required to provide thirty (20) down advance written patient to the
- CANCELLATION OF INSURANCE: All insurance shall be required to provide thirty (30) days advance written notice to the County of cancellation.
- 8. CERTIFICATE OF INSURANCE: Before commencing operations under this Agreement, Contractor shall provide Certificate(s) of Insurance and applicable insurance endorsements, in form and satisfactory to County, evidencing that all required insurance coverage is in effect. The County reserves the rights to require the Contractor to provide complete, certified copies of all required insurance policies. The required certificate(s) and endorsements must be sent as set forth in the Notices provision.

# EXHIBIT D SAMPLE TASK ORDER

#### Task Order No. \_\_\_\_\_

#### **1.0 BACKGROUND**

*Provide the background information including a high-level description for the project; keep it short/concise.* 

#### **2.0 OBJECTIVES**

Describe what this task will accomplish. This should reflect the end state desired.

#### 3.0 SCOPE

Describe the type of work (individual tasks, range of tasks) the task order will support. Attach documents if necessary.

#### 4.0 REQUIREMENTS

Describe the tasks the Contractor must provide in support of this task order. Include as many tasks as required.

- Fully describe the specific requirements and work the Contactor must perform, identifying the final outcome, not how-to.
- Breakout each discrete task separately. Each task may include subtasks.
- Make sure to determine the **minimum** requirements.

#### **5.0 DELIVERABLES & DELIVERY INSTRUCTIONS**

Describe all expected deliverables and the timeframe for their delivery including costs. Recommend including a table, similar to Table 1 below that provides this information.

Required Deliverables/Reports	Date Due	Description of Deliverable Content	Costs

#### **EXHIBIT E**

## DEBARMENT AND SUSPENSION CERTIFICATION

## COUNTY OF ALAMEDA

For Procurements Over \$25,000

The contractor, under penalty of perjury, certifies that, except as noted below, contractor, its principals, and any named and unnamed subcontractor:

- Is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency;
- Has not been suspended, debarred, voluntarily excluded or determined ineligible by any federal agency within the past three years;
- Does not have a proposed debarment pending; and
- Has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past three years.

If there are any exceptions to this certification, insert the exceptions in the following space.

Exceptions will not necessarily result in denial of award, but will be considered in determining bidder responsibility. For any exception noted above, indicate below to whom it applies, initiating agency, and dates of action.

Notes: Providing false information may result in criminal prosecution or administrative sanctions. The above certification is part of the Proposal. Signing this Proposal on the signature portion thereof shall also constitute signature of this Certification.

## IRAN CONTRACTING ACT COMPLIANCE CERTIFICATE (for contracts of \$1,000,000 or more)

# **COUNTY OF ALAMEDA**

## The Iran Contracting Act (ICA) of 2010

The California Legislature adopted the Iran Contracting Act (ICA) to respond to policies of Iran in a uniform fashion (PCC § 2201(q)). The ICA prohibits persons engaged in investment activities in Iran from bidding on, submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars (\$1,000,000) or more (PCC § 2203(a)). A person who "engages in investment activities in Iran" is defined in either of two ways:

- 1. The person provides goods or services of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or
- 2. The person is a financial institution (as that term is defined in 50 U.S.C. § 1701) that extends twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created by the California Department of General Services (DGS) pursuant to PCC § 2201(b) as a person engaging in the investment activities described in paragraph 1 above.

By signing below, I hereby certify that as of the time of bidding or proposing for a new contract or renewal of an existing contract, neither I nor the company I own or work for are identified on the DGS list of ineligible persons and neither I nor the company I own or work for are engaged in investment activities in Iran in violation of the Iran Contracting Act of 2010.

If either I or the company I own or work for are ineligible to bid or submit a proposal or to renew a contract, but I believe I or it qualifies for an exception listed in PCC § 2202(c), I have described in detail the nature of the exception:
