

# COUNTY OF ALAMEDA

## Questions & Answers

to

RFSOQ No. 902017

for

## PROJECT MANAGEMENT/CONSTRUCTION MANAGEMENT SERVICES FOR DUBLIN TRANSIT CENTER PARKING GARAGE PROJECT

Networking/Bidders Conference Held on September 24, 2021

This County of Alameda, General Services Agency (GSA), RFSOQ Questions & Answers (Q&A) has been electronically issued to potential bidders via e-mail. E-mail addresses used are those in the County's Small Local Emerging Business (SLEB) Vendor Database or from other sources. If you have registered or are certified as a SLEB, please ensure that the complete and accurate e-mail address is noted and kept updated in the SLEB Vendor Database. This RFSOQ Q&A will also be posted on the GSA Contracting Opportunities website located at [Alameda County Current Contracting Opportunities](#).

Alameda County is committed to reducing environmental impacts across our entire supply chain. If printing this document, please print only what you need, print double-sided, and use recycled-content paper.

**County of Alameda, General Services Agency – Procurement  
RFSOQ No. 902017, Questions & Answers**

Thank you for your participation and interest in the County of Alameda.

All the questions are direct copy and paste from written questions emailed by Bidders. In the answers of these questions, the County of Alameda shall be noted as “County”. The Questions and Answers are the final stance of the County. Please consider this document in preparation of your proposal response.

<b>Questions and Answers:</b>
-------------------------------

- Q1) How will special inspections (concrete, rebar, structural steel, welding inspections, etc.) be addressed by the County? For instance, will this service be a sub consultant role to the prime PM CM, be procured under a separate contract -- perhaps as a shared responsibility with the County’s own internal support? ( I recall that the County has materials testing services internally but not special inspection services).
- A1) Special inspections (concrete, rebar, structural steel, welding inspections, etc.) and material testing is not part of this RFSOQ. County will use its own pool of the Special Inspectors for this service.**
- Q2) Please confirm the overall expected budget for the design-build contract and duration of the project.
- A2) The overall expected budget for the design-build contract is \$29,000,000 and the duration of the Project is from February 1, 2022 thru November of 2023 including the close-out period.**
- Q3) Please confirm that the Special Inspection and Testing will be procured separately.
- A3) Yes. Please see response to A1.**
- Q4) Please confirm that the Design-Build Contractor will provide the office space and internet connections for the project.
- A4) Yes. Please refer to Appendix E, Part A and Part C (Division 00 & Division 01) documents.**
- Q5) Is there a desired Parking System that the County has chosen? Is there a planned parking access revenue control system?
- A5) The County has included MacKay’s parking meters and equipment as an owner provided and installed item. The Design Build Entity (DBE) is responsible to provide the Design and the infrastructure requirements for this Owner Provided Equipment.**

County of Alameda, General Services Agency – Procurement  
RFSOQ No. 902017, Questions & Answers

**The parking access revenue control system is done through the Sentinel™ Meter Management System (Sentinel) that is integrated with the MacKay meters.**

- Q6) Has the County completed the geotechnical borings and survey to begin the Civil/Structural Design?
- A6) Yes, County has completed the geotechnical studies that was utilized for the Civil and Structural Design of the On-Site and Off-site work. However once the DBE is onboard they will acquire their own Geotechnics to verify/complete the Detail Design and construction work.**
- Q7) Does the County have all the necessary environmental and ROW permits acquired, including any MOU's that may be necessary?
- A7) Yes, the County has completed the Environmental Impact Report (EIR) process. There are several EIR mitigation measures that are outline in Appendix E, Part A and Part C (Division 00 & Division 01) documents of the specifications that are required to be implemented by the Design Build Team. The RFP is made available to the proposers for reference. The Right of Way permit has been submitted to the City and the County intends to have an Encroachment permit issued by the City with a set of conditions and requirements that will be included in the DBE's scope of work to provide before start of Construction.**
- Q8) Please confirm that there are no preference points for a Joint Venture with less than 51% going to a Small Local Business Enterprise.
- A8) Certified Small Local Emerging Business (SLEBs) proposing as a prime will be eligible for preference points. This also applies to a joint venture/partnership. Only one proposal should be submitted for the joint venture or partnership. It would be the company's business decision to decide who will be submitting the proposal as a prime.**
- Q9) Are graphics, such as company logos and project photos, allowed to be used in the proposal?
- A9) There are currently no restrictions for using Company logos and /or project photos in the proposals.**
- Q10) If [company is] not a "SMALL" SBE, meaning 1/2 of the SBE stated amount, are there any preference points for this area within a Joint Venture Agreement with a Certified SLEB Alameda County firm?
- A10) Only prime proposer that are certified SLEBs are eligible for preference points. Only one proposal should be submitted for the joint venture or partnership. It would be the company's business decision to decide who will be submitting the proposal as a prime.**

**County of Alameda, General Services Agency – Procurement  
RFSOQ No. 902017, Questions & Answers**

Q11) I think that your NAICS codes for the Small Business Preferences are incorrect. You reference Construction Contracts under certain NAICS codes and NOT professional services. RFP States: For purposes of this Proposal, applicable industries include, but are not limited to, the following NAICS Code(s): 236210, 236220, and 237990. I think you meant, or additionally: 541990 - All Other Professional, Scientific, and Technical Services. This would reference Project Management, Construction Management for the past GSA Contracts we have pursued.

**A11) The RFSOQ indicates, “For purposes of this Proposal, applicable industries include, but are not limited to, the following NAICS Code(s): 236210, 236220, and 237990.” The 541990 - All Other Professional, Scientific, and Technical Services is applicable as well and will be added in Addendum 1.**

Q12) Proposal states 30 Pages. However, this is an electronic submission. We assume you mean 30 Single Sided Pages, not 30 Pages Double Sided. Please clarify.

**A12) Yes, it means 30 single sided pages.**

Q13) The RFQ asks that respondents include their hourly rates and in the pre-proposal meeting, it was mentioned that this is not to be included. Can you please clarify for the submission?

**A13) Please refer to Exhibit A – Proposal Response Packet, Titled “Hourly Rates” which states as follows:**

**Instructions: Proposer must prepare, in a separate sealed envelope, a rate sheet listing the hourly rate for all classifications listed in the attached Table of Key Personnel. This will not be uploaded in EZSourcing Supplier Portal.**

**Proposer who are invited to the oral interview/presentation will be asked to bring the rate sheet in the sealed envelope.**

**If the proposed oral interview/presentation is via “online”, Proposer will email the rate sheet five days before the oral interview/presentation to: [evelyn.benzon@acgov.org](mailto:evelyn.benzon@acgov.org)**

Q14) Who are the shortlisted Design-Build teams?

**A14) The names of the Short-Listed Design Build Entities are as follows:**

- a. **McCarthy building Companies/International Parking Design**
- b. **Swinterton Builders/Choate Parking Consultants**
- c. **Overaa Construction/Watry Design**

Q15) What is the budget for the Design-Build contract?

**A15) Please see response to A2.**

**County of Alameda, General Services Agency – Procurement  
RFSOQ No. 902017, Questions & Answers**

Q16) Can a firm submit as both as a prime and a sub to another prime?

**A16) Yes.**

Q17) Who is the team that will be evaluating the SOQ responses and doing the interviews?

**A17) Please refer to RFSOQ, Section II (COUNTY PROCEDURES, TERMS AND CONDITIONS), Item G (EVALUATION CRITERIA/SELECTION COMMITTEE, pages 12 which states: All proposals that pass the initial Evaluation Criteria which are determined on a pass/fail basis will be evaluated by a County Selection Committee (CSC). The County Selection Committee may be composed of County staff and other parties that may have expertise or experience in project management/construction management services. The CSC will score and recommend a Contractor in accordance with the evaluation criteria set forth in this RFSOQ. Other than the initial pass/fail Evaluation Criteria, the evaluation of the proposals shall be within the sole judgment and discretion of the CSC.**

Q18) Please confirm that the Inspections, Materials Testing and Geotechnical consultants will not be under the PM/CM Services contract.

**A18) Please see the response to A1.**

Q19) A. INTENT items on Page 5 – Inspection services and Commissioning and related disciplines where needed are not detailed in D. SCOPE OF SERVICES – is there any additional information regarding the scope of these tasks?

**A19) Inspection here was intended to standard on site review of the contractors work and their adherence to County and Occupational Safety and Health Administration safety standards. There is minimal and standard start up and commissioning required for the Heating, Ventilation and Air Conditioning units for the office and break room area.**

Q20) On page 15 Evaluation Criteria, under item 4. Public Sector Experience, the 4<sup>th</sup> bullet says “Team and its leaders have experience in Public Private Partnership.” For this project, what Private Partnership is involved?

**A20) The Partnership is intended for Construction Management firms who have done work for Public Entities and are familiar with the Public Procurement contract requirements.**

Q21) Is a form for Debarment/Suspension Certification required? Its mentioned on page 1 of Exhibit A under Attachments, but is not included in the packet.

**A21) Please see Addendum 1, Exhibit B.**

**County of Alameda, General Services Agency – Procurement  
RFSOQ No. 902017, Questions & Answers**

## VENDOR LIST

### RFSOQ No. 902017 – Project Management/Construction Management Services for Dublin Transit Center Parking Garage Project

This Vendor Bid List is being provided for informational purposes to assist bidders in making contact with other businesses as needed to develop local small and emerging business subcontracting relationships to meet the requirements of the [Small Local Emerging Business \(SLEB\) Program](#).

This RFSOQ is being issued to all vendors on the Vendor Bid List; the following revised vendor list includes contact information for each vendor attendee at the Networking/Bidders Conferences.
