## **I. STATEMENT OF WORK**

To address the needs of the unincorporated area's under-banked communities, the Economic and Civic Development Department is seeking a non-profit partner to provide a broad range of financial services, including below-market rate and low fee financial services and products to low-income, under-served and unbanked people and businesses. Desired financial services include access to capital, non-predatory check cashing, financial literacy, financial coaching, and lending circles.

The selected partner will establish a permanent location in the unincorporated area, with a preference for Ashland or Cherryland.

### **A. BACKGROUND**

On March 8, 2022, the Alameda County Board of Supervisors approved the Community Development Agency's ARPA Unincorporated Area Funding Plan, which includes low-cost financial services. ARPA funds can be used to address a wide range of needs resulting from the COVID-19 pandemic.

After extensive engagement with community groups and other public agencies, the Community Development Agency (CDA) developed goals for the ARPA funds, including these goals that specifically relate to the needs of under-banked communities:

- Ensure that projects and programs have a long-term impact and are innovative, equitable and serve those most impacted by COVID-19.
- Have access to low-cost banking options
- Fund small business assistance
- Provide funding to start small businesses and support entrepreneurs
- Build a strong, resilient, and equitable recovery by making investments that support long-term growth and opportunity
- Exclusively serve the unincorporated areas of Alameda County

### **B. SCOPE**

The goal of this RFP is to solicit a non-profit partner to bring access to capital and financial literacy to under-served communities and businesses. Desired financial services include:

- access to capital, including small business loans
- non-predatory check cashing
- financial literacy
- financial coaching
- lending circles

### **C. QUALIFICATIONS**

#### **1. PROPOSER Minimum Qualifications**

The County will use the following criteria to evaluate qualifications:

- Prior experience providing community-based, low-cost financial services

- Prior experience providing small business loans and technical assistance
- Familiarity with business conditions and regulatory landscape in the unincorporated area
- Ability to engage with diverse community members and small business owners, including providing services in multiple languages
- Proven track record in meeting deadlines, reporting results and managing program budgets
- Creative and innovative approaches
- Sustainability – ability to sustain services after the two-year contract period
- Program budget
- Plan to provide physical location in Ashland or Cherryland
- Relevant licensing and/or regulatory authority to provide financial services

D. SPECIFIC REQUIREMENTS

Alameda County has a strong focus on addressing pre-existing disparities and working to achieve equitable communities where all residents have equal or equivalent access to goods, services, status, rights, power, and amenities.

To achieve racial and economic equity, ECD's ARPA-funded programs are investing in historically underserved communities, such as Ashland, Cherryland, and San Lorenzo. Funding for low-cost financial services is a good example of a high-impact investment designed to create long-term change.

E. DELIVERABLES / REPORTS

Using a County-issued reporting template, providers will submit *mandatory* monthly detailed report of activities by the 5<sup>th</sup> of the following month to the Economic and Civic Development Department with data that may include ethnicity, gender, location, and income of businesses and residents served under this ARPA-funded program.

F. INFORMATIONAL CONFERENCE

1. The Proposers Conference to be held on April 27, 2022, at 10:00 a.m., specified in the Calendar of Events will be held online for remote participation at this link: [Zoom Link](#)
2. A PowerPoint presentation will be shown during the conference.
3. Proposers Conference will be held to:
  - a. Provide an opportunity for Proposers to request clarification on this RFP and ask specific questions about the project and services.
  - b. Provide the County with an opportunity to receive feedback related to this RFP.
4. Potential Proposers are strongly encouraged to attend Proposers Conference. Failure to participate in the Proposers Conference will in no way relieve the Contractor from

submitting a proposal and furnishing services as required and in accordance with the specifications, terms, and conditions of the procurement documents and contract. Attendance at the Proposers Conference is highly recommended but is not mandatory

## **II. COUNTY PROCEDURES, TERMS, AND CONDITIONS**

### **G. EVALUATION CRITERIA / SELECTION COMMITTEE**

**Initial Evaluation (Completeness of Response and Debarment and Suspension).** All proposals will first be reviewed to determine if they pass the initial Evaluation Criteria (Section A), which are determined on a pass/fail basis.

**Evaluation by County Selection Committee.** All proposals that have pass the initial Evaluation Criteria will be evaluated by a County Selection Committee (CSC). The CSC may be composed of County staff and other parties that may have expertise or experience in low-cost financial services. The CSC will score the proposals, in accordance with the evaluation criteria set forth in this RFP. Other than the initial pass/fail Evaluation Criteria, the evaluation of the proposals shall be within the sole judgment and discretion of the CSC.

**Unrealistic Proposals.** Proposers should bear in mind that any proposal that is unrealistic in terms of the technical or schedule commitments, or unrealistically high or low in cost, will be deemed reflective of an inherent lack of technical competence or indicative of a failure to comprehend the complexity and risk of the County's requirements as set forth in this RFP.

**Evaluation Criteria Descriptions.** The items listed in the Evaluation Criteria should be considered as minimum requirements. All information contained in a proposal and presented in proposers interviews will be considered during the evaluation process and included in scoring within the appropriate Evaluation Criteria.

**Reference Checks.** The County reserves the right to conduct reference checks on only the Proposers with the highest scoring proposals. The references checks will then be scored by the CSC, as identified in the Evaluation Criteria below, and included in the final score.

**Interviews.** The County will invite Proposers to participate in a vendor interview. A minimum of three Proposers receiving the highest preliminary scores and with at least 80 points will be invited to an oral interview. All other Proposers will be deemed eliminated from the process. All Proposers will be notified of the short list participants; however, the preliminary scores at that time will not be communicated to Proposers.

**Final Score.** The CSC shall consider the interview, and make adjustments to the preliminary scores to arrive at the Final Score, which will include Reference points. Proposals will be ranked by their final score.

**Contact During Evaluation Process.** All contact during the evaluation phase shall be through the Economic and Civic Development Department only. Proposers shall neither contact nor lobby

evaluators during the evaluation process. Attempts by Proposers to contact and/or influence members of the CSC may result in disqualification of Proposer.

**Determining Award.** As a result of this RFP, the County intends to award a contract to the responsible Proposer(s) whose response conforms to the RFP and whose proposal presents the greatest value to the County considering all Evaluation Criteria. The combined weight of the Evaluation Criteria is greater in importance than cost in determining the greatest value to the County. The intent is to award a contract to the highest ranked Proposer(s) as determined by the combined weight of the Evaluation Criteria. The County may award a contract of higher qualitative competence over the lowest priced response.

The Evaluation Criteria and their respective weights are as follows:

	<b>Evaluation Criteria</b>	<b>Weight</b>
<b>A.</b>	<b>Completeness of Response:</b> Responses to this RFP must be complete. Responses that do not include the requirements identified within this RFP, Q&A and all Addenda or do not address each of the items listed below will be considered incomplete, be rated a Fail in the Evaluation Criteria and will receive no further consideration. Failure to meet the Proposer Minimum Qualifications may also be considered an incomplete response and rated as a Fail.	Pass/Fail
<b>B.</b>	<b>Debarment and Suspension:</b> Proposers, its principal and named subcontractors are not identified on the list of Federally debarred, suspended or other excluded parties located at <a href="http://www.sam.gov/SAM">www.sam.gov/SAM</a> .	Pass/Fail
<b>C.</b>	<b>Budget:</b> The points for Budget will be computed by dividing the amount of the lowest responsive and responsible proposal received by each proposer's total proposed cost. Cost evaluation points maybe adjusted by considering: 1. Reasonableness (i.e., does the proposed pricing accurately reflect the proposer's effort to meet requirements and objectives?)	10 Points
<b>D.</b>	<b>Implementation Plan and Schedule:</b> An evaluation will be made of the likelihood that Proposer's implementation plan and schedule will meet the County's schedule of proposed services.	20 Points
<b>E.</b>	<b>Relevant Experience:</b> Proposals will be evaluated including considering the RFP specifications and the questions below: 1. How much experience does the proposer have with similar projects?	20 Points

	2. How extensive is the experience of the personnel designated to work on the project?	
<b>F.</b>	<b>References (See Exhibit A – Proposal Response Packet)</b>	5 Points
<b>G.</b>	<b>Oral Interview:</b> The oral interview on the proposal shall not exceed 60 minutes. The oral interview may include responding to standard and specific questions from the CSC regarding the Proposer’s proposal.	15 Points
<b>H.</b>	<b>Understanding of the Project:</b> Proposals will be evaluated considering the RFP specifications and the questions below: 1. Has the Proposer demonstrated a thorough understanding of the purpose and scope of the project? 2. How well has the Proposer identified pertinent issues and potential problems related to the project? 3. Has the Proposer demonstrated that it understands the deliverables the County expects it to provide? 4. Has the Proposer demonstrated that it understands the County’s time schedule and can meet it? 5. Has the Proposer demonstrated that it understands the <a href="#">County’s Vision 2026</a> goals of Employment for All and Prosperous & Vibrant Economy?	15 Points
<b>I.</b>	<b>Equity Goals:</b> The proposal should meet equity goals by addressing pre-existing disparities and working to invest in historically underserved communities.	15 Points

**G. NOTICE OF INTENT TO AWARD**

1. At the conclusion of the RFP response evaluation period, all Proposers will be notified in writing by e-mail of the contract award recommendation, if any, by Economic and Civic Development Department staff. The document providing this notification is the Notice of Intent to Award.

The Notice of Intent to Award will provide the following information:

- a. The name of the Proposer being recommended for contract award; and
- b. The names of all other parties that submitted proposals.

2. The submitted proposals shall be made available upon request no later than five calendar days before approval of the award and contract is scheduled to be considered by the Board of Supervisors.

H. PROPOSAL PROTEST/APPEALS PROCESS

The County of Alameda prides itself on the establishment of fair and competitive contracting procedures and the commitment made to follow those procedures. The following is provided, in the event that Proposers wish to protest the proposal process or appeal the recommendation to award a contract for this project, goods or services once the Notices of Intent to Award/Non-Award have been issued. Proposal protests submitted prior to issuance of the Notices of Intent to Award/Non-Award will not be accepted by the County.

1. Any proposal protest must be submitted in writing before 5:00 p.m. of the FIFTH (5th) calendar day following the date of issuance of the Notice of Intent to Award, not the date received by the Proposer. The proposal protest may be submitted to the office that has been designated for review of protests in for this procurement (the Protest Evaluator). For this procurement the Protest Evaluator is:

Community Development Agency  
ATTN: Dora Ramirez, ECD Dept.

Email: [dora.ramirez@acgov.org](mailto:dora.ramirez@acgov.org)

A proposal protest received after 5:00 p.m. is considered received as of the next business day. Generally, the County will promptly send an email acknowledging receipt of the protest; it is the responsibility of the protestor to confirm that the protest was timely received.

- a. The proposal protest must contain a complete statement of the reasons and facts for the protest.
  - b. The protest must refer to the specific portions of all documents that form the basis for the protest.
  - c. The protest must include the name, address, email address, and telephone number of the person submitting the protest on behalf of the protesting party.
  - d. Proposers will be notified of any protests.
2. The Protest Evaluator, or their designee, will review and evaluate the protest and issue a written decision. The Protest Evaluator may, at its discretion, do any of the following: investigate the protest, obtain additional information, provide an opportunity to settle the protest by mutual agreement, and/or schedule a meeting(s) with the protesting Proposer and others (as appropriate) to discuss the protest. The decision on the proposal protest will be issued at least ten (10) calendar days prior to the Board hearing.

The decision will be communicated by e-mail and/or US Postal Service mail, and will inform the protestor whether or not the recommendation to the Board of Supervisors in the Notice of Intent to Award is going to change. A copy of the decision will be furnished to all Proposers affected by the decision. As used in this paragraph, a Proposer is affected by the decision if a decision on the protest could have resulted in the Proposer no longer being recommended for contract award.

3. The decision on the proposal protest by the Protest Evaluator may be appealed to the Auditor-Controller's Office of Contract Compliance & Reporting (OCCR) located at 1221 Oak St., Room 249, Oakland, CA 94612, Email: [OCCR@acgov.org](mailto:OCCR@acgov.org), unless the OCCR determines that it has a conflict of interest in which case an alternate will be identified to hear the appeal and all steps to be taken by OCCR will be performed by the alternate. The Proposer whose proposal is the subject of the protest, all Proposers affected by the Protest Evaluator 's decision on the protest, and the protestor have the right to appeal if they feel the Protest Evaluator 's decision is incorrect. All appeals to the Auditor-Controller's OCCR shall be in writing and submitted within five (5) calendar days, following the issuance of the decision, not the date the decision is received by the Proposer. An appeal received after 5:00 p.m. is considered received as of the next calendar day. An appeal received after the FIFTH (5th) calendar day (except as noted above for weekend days) following the date of issuance of the decision by the Protest Evaluator shall not be considered under any circumstances by the Auditor-Controller OCCR, or their designee.
  - a. The appeal shall specify the decision being appealed and all the facts and circumstances relied upon in support of the appeal.
  - b. In reviewing protest appeals, the OCCR will not re-judge the proposal(s). The appeal to the OCCR shall be limited to review of the procurement process to determine if the contracting department materially erred in following the proposal or, if applicable, County contracting policies or other laws and regulations.
  - c. The appeal to the OCCR shall be limited to the grounds raised in the original protest and the written decision by the Protest Evaluator. As such, a Proposer is prohibited from stating new grounds for a Proposal protest in its appeal. The Auditor-Controller (OCCR) shall only review the materials and conclusions reached by the Protest Evaluator, and will determine whether to uphold or overturn the protest decision.
  - d. The Auditor's Office may overturn the results of a proposal process for ethical violations by Procurement staff, County Selection Committee members, subject matter experts, or any other County staff managing or participating in the competitive proposal process, regardless of timing or the contents of a proposal protest.

- e. The decision of the Auditor-Controller's OCCR is the final step of the appeal process. A copy of the decision of the Auditor-Controller's OCCR will be furnished to the protestor, the Proposer whose Proposal is the subject of the proposal protest, and all Proposers affected by the decision.
4. The County will complete the proposal protest/appeal procedures set forth in this paragraph before a recommendation to award the Contract is considered by the Board of Supervisors.
5. The procedures and time limits set forth in this section are mandatory and are each Proposer's sole and exclusive remedy in the event of proposal protest. A Proposer's failure to timely complete both the proposal protest and appeal procedures shall be deemed a failure to exhaust administrative remedies. Failure to exhaust administrative remedies, or failure to comply otherwise with these procedures, shall constitute a waiver of any right to further pursue the proposal protest, including filing a Government Code Claim or legal proceedings.

## APPENDIX E

### ADDITIONAL CONTRACT PROVISIONS – FEDERAL PROVISION

Funds used for payment of this Contract may be from or subject to reimbursement by state and/or federal funds. Some of these funding sources require additional contractual obligations and County and Contractor hereby agree to the following additional terms and conditions. The parties agree to each of these terms for reasons including, but not limited to, meeting all contracting requirements as set forth in 2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II. These terms supplement the General Terms and Conditions.

#### I. General Provisions

- A. **Remedies.** In the event of a breach by Contractor of any term or provision of this Agreement, the County shall have the right to pursue all available remedies at law or equity, including recovery of damages and specific performance of this Agreement. The parties hereto agree that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by Contractor of any of the provisions of this Agreement and hereby further agrees that, in the event of any action for specific performance in respect of such breach, Contractor shall waive the defense that a remedy at law would be adequate. Except as expressly provided elsewhere in this Agreement, each party's rights and remedies under this Agreement are cumulative and in addition to, not exclusive of or in substitution for, any rights or remedies otherwise available to that party.
- B. **Termination.** The County may suspend, terminate, or abandon the execution of any work by the Contractor under this Contract with or without cause at any time upon giving the Contractor prior written notice. In the event that the County should abandon, terminate, or suspend the Contractor's work, the Contractor shall be entitled to payment for services provided hereunder prior to the effective date of said suspension, termination, or abandonment, but in no event shall Contractor be entitled to more than the not to exceed amount of the Contract, or if applicable, the portion of the Contract being terminated.
- C. **Equal Employment Opportunity.** During the performance of this contract, Contractor agrees as follows:
  - 1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
  - 2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for

employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3. The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the labor union or workers' representatives of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965 and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to their books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. The Contractor will include the portion of the sentence immediately preceding paragraph 1 and the provisions of paragraphs 1 through 8 in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the County may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in,

or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Contractor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the Contractor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The Contractor agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The Contractor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the Contractor agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Contractor and refer the case to the Department of Justice for appropriate legal proceedings.
