4. **Price Discrepancy.** In the case of a discrepancy between the unit price and an extension, the unit price will be used for evaluation purposes.
5. **Evaluation Criteria Descriptions.** The items listed in the Evaluation Criteria should be considered as minimum requirements. All information contained in a proposal and presented in vendor interviews (if there are interviews) will be considered during the evaluation process and included in scoring within the appropriate Evaluation Criteria.
6. **Evaluation Scores.** Proposals will be evaluated and scored on the zero to five-point scale within each Evaluation Criteria below. Scores for all Evaluation Criteria (see the section below) will then be added, according to their assigned weight (below), to arrive at a weighted score for each proposal. A proposal with a higher-weighted total will be deemed of higher quality than a proposal with a lesser-weighted total.
7. **Reference Checks.** The County reserves the right to conduct reference check(s) on all Bidders who submitted a bid proposal. The CSC will then score the reference check(s), as identified in the Evaluation Criteria below, which will then be included in the final score.
8. **Optional Vendor Interviews.** The County may in its sole discretion, conduct vendor interviews. Should the County opt to conduct a vendor interview, the interview may include responding to standard and specific questions from the CSC regarding the Bidders' proposal. Whether or not a shortlist process is used, the score of any evaluation criterion below may be revised or informed based on the vendor interview.

9. **Final Score.** The final maximum score for any procurement is 500 points, including the possible 50 points for local and small, local and emerging, or local preference points (maximum 10% of the final score; derived from 5% for *local* preference and 5% for either *Small and Local* or *Emerging and Local* preference). Proposals will be ranked by their final scores. The final score will be determined by the evaluation of the written proposal with the reference score added.
10. **Contact During Evaluation Process.** Bidders must neither contact nor lobby CSC during the evaluation process. Attempts by Bidders to contact and/or influence members of the CSC may result in disqualification of Bidders.
11. **Determining Award.** As a result of this RFP, the County intends to award a contract to the highest-ranked responsible Bidder(s) as determined by the combined weight of the Evaluation Criteria, whose response conforms to the RFP and whose bid presents the greatest value to the County considering all Evaluation Criteria. The combined weight of the Evaluation Criteria is greater in importance than the cost in determining the best value to the County. The County may award a contract of higher qualitative competence over the lowest priced response.
12. The zero to five-point scale range is defined as follows:

0	Not Acceptable	Non-responsive, fails to meet RFP specification. The approach has no probability of success. If the unmet specification is a mandatory requirement, this score may result in the disqualification of the proposal.
1	Poor	Below average, falls short of expectations, is substandard to that which is the average or expected norm, has a low probability of success in achieving objectives per RFP.
2	Fair	Has a reasonable probability of success; however, some objectives may not be met.
3	Average	Acceptable and likely to achieves all objectives in a reasonable fashion per RFP specification. This will be the baseline score for each item with adjustments based on the interpretation of the proposal by CSC members.
4	Above Average / Good	Better than that which is average or expected as the norm. Excellent probability of success in achieving all objectives of the RFP requirements and expectations.
5	Excellent / Exceptional	Exceeds expectations, is very innovative, clearly superior to that which is average or expected as the norm. Excellent probability of success in achieving all objectives and meeting RFP specifications.

I. CONTRACT EVALUATION AND ASSESSMENT

1. During the initial 120-day period of any contract awarded, the County may review the proposal, the contract, any goods or services provided, and/or meet with the Contractor to identify any issues or potential problems.
2. The County reserves the right to determine, at its sole discretion, whether:
 - a. The Contractor has complied with all terms of this RFP and the contract;
and
 - b. Any problems or potential problems with the proposed goods and/or services were evidenced, which makes it unlikely (even with possible modifications) that such goods and/or services have met or will meet the County requirements.
3. If, as a result of such determination, the County concludes that it is not satisfied with the Contractor's performance under any awarded contract and/or Contractor's goods and services as contracted for therein, the Contractor may be notified that the contract is being terminated. The Contractor must be responsible for returning County facilities to their original state at no charge to the County. The County will have the right to invite the next qualified Bidder(s) to enter into a contract. The County also reserves the right to rebid this project if it is determined to be in its best interest to do so. The County's right to go to the next qualified Bidder(s) and/or rebid is not limited by the award of a contract or the 120-day period.

J. NOTICE OF INTENT TO AWARD

1. At the conclusion of the RFP response evaluation period, all Bidders will be notified in writing by email or US Postal Service mail of the contract award recommendation. The document providing this notification is the Notice of Intent to Award/Non-Award.

- a. The name(s) of the Bidder(s) being recommended for contract award;
and
 - b. The names of all other parties that submitted proposals.
2. The submitted proposals will be made available upon request no later than five calendar days before approval of the award and contract is scheduled to be considered by the Board of Supervisors.

K. BID PROTEST / APPEALS PROCESS

The County of Alameda prides itself on the establishment of fair and competitive contracting procedures and the commitment made to follow those procedures. The following is provided in the event that Bidders wish to protest the bid process or appeal the recommendation to award a contract once the Notices of Intent to Award/Non-Award have been issued. Bid protests submitted prior to issuance of the Notices of Intent to Award/Non-Award will not be accepted by the County.

1. Any bid protest must be submitted in writing by 5:00 p.m. on the SEVENTH (7th) calendar day following the date of issuance of the Notice of Intent to Award/Non-Award, not the date received by the Bidder.
2. The bid protest must be submitted via email to damien.curry@acgov.org.

A bid protest received after 5:00 p.m. is considered received as of the next calendar day. A protest received after 5:00 p.m. on the SEVENTH (7th) calendar day following the date of issuance of the Notice of Intent to Award/Non-Award will not be considered under any circumstances by the Protest Evaluator or their designee.

Generally, the County will promptly send an email acknowledging receipt of the protest; it is the responsibility of the protestor to confirm that the protest was timely received.

- a. The bid protest must contain a complete statement of the reasons and facts for the protest.
 - b. The protest must refer to the specific portions of all documents that form the basis for the protest.
 - c. The protest must include the name, address, email address, and telephone number of the person submitting the protest on behalf of the protesting party.

3. The Alameda County Planning Director, serving as Protest Evaluator, will review and evaluate the protest and issue a written decision.

A notification of the decision will be communicated by email and/or US Postal Service mail to the protestor. Notification will be provided to Bidders when a decision has been made on the protest and whether or not the recommendation

to the Board of Supervisors in the Notice of Intent to Award/Non-Award will stand.

4. The procedures and time limits set forth in this section are mandatory and are each Bidder's sole and exclusive remedy in the event of a bid protest. A Bidder's failure to timely complete both the bid protest and appeal procedures will be deemed a failure to exhaust administrative remedies. Failure to exhaust administrative remedies, or failure to comply otherwise with these procedures, will constitute a waiver of any right to further pursue the bid protest, including filing a Government Code Claim or legal proceedings.

Bids based on equivalent products must:

SMALL LOCAL EMERGING BUSINESS (SLEB) INFORMATION SHEET

Instructions: On the following page is the **SLEB Information Sheet**. Every Bidder must complete and submit a signed SLEB Information Sheet indicating their SLEB certification status. If the Bidder is not certified, the information sheet must be completed with the name, identification information, and goods/services to be provided by the CERTIFIED SLEB partner(s) with whom the Bidder will subcontract to meet the County SLEB participation requirement. The Exhibit must be signed by EACH of the named CERTIFIED SLEB(s) that will be subcontractors.

SLEB certification must be **valid** at the time of bid proposal submittal for SLEB primes and SLEB subcontractor(s).

- For SLEB Subcontracting Questions: Please contact the General Services Agency - Office of Acquisition Policy, GSA.OAP@acgov.org.

SLEB INFORMATION SHEET

In order to meet the Small Local Emerging Business (SLEB) requirements of this RFP, all Bidders must complete this form.

Bidders that are not certified SLEBS (for the definition of a SLEB, see [Alameda County SLEB Program Overview; \[http://acgov.org/auditor/sleb/overview.htm\]](http://acgov.org/auditor/sleb/overview.htm)) are required to subcontract with a SLEB for at least 20% of the total estimated bid amount in order to be eligible for contract award. SLEB subcontractors must be independently owned and operated from the prime Contractor with no employees of either entity working for the other. A copy of this form must be submitted for each SLEB that the Bidder will subcontract with as evidence of a firm contractual commitment to meeting the SLEB participation requirement.

Bidders are encouraged to form a partnership with a SLEB that can participate directly with this contract. One of the benefits of the partnership will be economical, but this partnership will also assist the SLEB to grow and build the capacity to eventually bid as a prime on their own.

Once a contract has been awarded, substitutions of the named subcontractor(s) are not allowed without prior written approval from the Auditor-Controller, Office of Contract Compliance & Reporting (OCCR).

County departments, prime, and subcontractors are required to use the web-based Elation Systems to monitor SLEB subcontractor compliance with [Elation Systems; \[http://www.elationsys.com/elationsys/\]](http://www.elationsys.com/elationsys/).
