I. STATEMENT OF WORK

A. INTENT

Effective design, development, and strategic placement of unique and creative outreach materials is critical to the ability to attract the attention of the intended audiences. The materials need to be easy to read and to visually understand while helping to navigate a conversation with the target audiences. The materials need to be designed and developed for unvaccinated communities within the priority populations to achieve vaccine equity within Alameda County. At least two target populations use oral communication and not written language (Mam, Hmong).

Awarded Bidders shall develop, plan, design, produce, or install where necessary outreach materials with diverse and inclusive messaging (flyers, door hangers, brochures, magnets, postcards, billboards, PSA, transportation advertisement, posters, visual non-verbal imagery etc.) The bidder shall collaborate and strategize with the Alameda County Public Health Department (ACPHD) regarding the distinct community areas of focus. The materials shall be translated in different languages. Target areas are East and West Oakland, Ashland Cherryland, Hayward, Newark, and others prioritized areas where vaccine rates are lowest.

Bidders that creatively and strategically address the needs of the priority populations are especially welcomed to address the unvaccinated, partially vaccinated, and those individuals whose vaccinations are not up to date.

Bid responses that address the economic and social recovery needs of communities disproportionately affected by COVID-19 will be prioritized for contract award(s). These are the communities that have historically experienced structural racism and economic disenfranchisement. ACPHD will work with community-based partners to build upon current resiliencies and move toward a post-pandemic recovery that continuously addresses inequities while successfully meeting the demands of future public health emergencies.

Alameda County reserves the right to amend the contract(s) to add funds and extend the term, pending availability and applicability of funds, in accordance with the scope of work described in this RFQ.

The initial source of funding for services provided under this RFQ is federal. Future sources for services provided under this RFQ including subsequent amendments may include other federal, state, local, or private funds. The actual number of awards will be determined by the development of the scope and budget proposed by the bidder(s) and will be negotiated and finalized by the County, in conjunction with the awarded bidder(s) during the contract negotiation period. Actual award amounts may therefore differ from those originally proposed.

in the bidders' response(s). Renewal of contracts with the awarded bidder(s) is contingent upon meeting performance measures and contract deliverables, as set forth by the County, subject to periodic review, and upon the availability of funding.

B. SCOPE

The scope of work encompasses the County's philosophy of providing community-led, evidence-informed, strategies for meeting complex population needs. Messaging seeks to improve the County's ability to raise community awareness in response to the impact COVID- 19 and other communicable diseases are having on low-income Alameda County residents and on people of color. This scope of work also aims to support existing and emerging community- based structures ready to respond to post-pandemic needs.

Material Development Plan, Design, Produce, and Install (where necessary) messaging which inform the community.

C. BACKGROUND

Educational Materials are an essential tool and resource for outreach workers reaching community residents. The materials are used to guide and enhance conversations with residents about COVID-19 vaccines, testing, treatment and other resources and services the Cities, County, and State may offer. It is important for resources to get to the people who most desperately need them.

The COVID-19 pandemic has taken a toll on Alameda County residents. As of February 7, 2023, there have been 376,673 cumulative cases of COVID-19 and 2,162 COVID-related deaths here. Of the total number of deaths 1,332 were people of color. Black/African American, Latino/a/x, and Pacific Islander communities bear disproportionate disease burden, with higher infection and death rates in these groups. Historically, in several neighborhoods in Alameda County where large concentrations of low-income people of color live, residents face significant barriers accessing health and mental health care. These challenges include poverty, overcrowded housing, language barriers, unfamiliarity with or lack of access to modern internet-based technology, long work hours, unfair working conditions, and institutional distrust. Populations in these neighborhoods also have higher rates of other communicable and chronic disease compared to the rest of the County. This pattern has continued during the pandemic, with these same populations and neighborhoods experiencing the highest rates of COVID-19 infection.

Supporting community recovery and strengthening community resilience are top priorities and aligned with Alameda County Public Health Department (ACPHD)'s COVID-19 Mitigation Strategy. ACPHD also prioritizes community partnerships working to improve health and mental health support wellness and address structural factors that stand in the way of health equity. That includes addressing racism, economic disenfranchisement, and other forms of systemic oppression as well as mitigating increases in violence because of these factors. These are cross-cutting themes in ACPHD's Strategy.

ACPHD seeks bid responses describing innovative strategies to reach Alameda County residents and neighborhoods hardest hit by the COVID-19 pandemic. Bidders are asked to design and strategically

distribute unique and creative printed materials that are easy to read, easy to visually understand, and are culturally competent and linguistically appropriate.

II. COUNTY PROCEDURES, TERMS, AND CONDITIONS

I. EVALUATION CRITERIA / SELECTION COMMITTEE

1. **Initial Evaluation (Completeness of Response and Debarment and Suspension).** All proposals will first be reviewed by PHD staff to determine if they pass the initial Evaluation Criteria (Sections i.-ii.), which are determined on a pass/fail basis.
2. **Evaluation by County Selection Committee.** All proposals that have passed the initial Evaluation Criteria will be further evaluated by a County Selection Committee (CSC). The CSC may be composed of County staff and other parties that may have expertise or experience related to the goods or services that are being procured. The CSC will score the proposals according to the Evaluation Criteria set forth in this RFQ. Other than the initial pass/fail Evaluation Criteria, the evaluation of the proposals will be within the sole judgment and discretion of the CSC.
3. **Unrealistic Bids.** Bidders should bear in mind that any proposal that is unrealistic in terms of the technical or schedule commitments or unrealistically

high or low in cost may be deemed reflective of an inherent lack of technical knowledge or indicative of a failure to comprehend the complexity and risk of the County's requirements as set forth in this RFQ.

4. Cultural and Linguistical competency will be an evaluation criterion. Translation companies usually follow a six-grade equivalent of language proficiency standard.
5. **Price Discrepancy.** In the case of a discrepancy between the unit price and an extension, the unit price will be used for evaluation purposes.
6. **Evaluation Criteria Descriptions.** The items listed in the Evaluation Criteria should be considered as minimum requirements. All information contained in a proposal and presented in vendor interviews (if there are interviews) will be considered during the evaluation process and included in scoring within the appropriate Evaluation Criteria.
7. **Evaluation Scores.** Proposals will be evaluated and scored initially using the zero to five- point scale within each Evaluation Criteria below. Scores for all Evaluation Criteria (see the section below) will then be added, according to their assigned weight (below), to arrive at a weighted score for each proposal. A proposal with a higher-weighted total will be deemed of higher quality than a proposal with a lesser-weighted total.
8. **Reference Checks.** The County reserves the right to conduct reference check(s) on all Bidders who submitted a bid proposal. The CSC will then score the reference check(s), as identified in the Evaluation Criteria below, which will then be included in the final score.
9. **Final Score.** The final maximum score for any procurement is 100 points. Proposals will be ranked by their final scores.
10. **Contact During Evaluation Process.** All contact during the evaluation phase must be through the PHD Procurement Grants and Contracts Unit only. Bidders must neither contact nor lobby CSC during the evaluation process. Attempts by Bidders to contact and/or influence members of the CSC may result in disqualification of Bidders.
11. **Determining Award.** As a result of this RFQ, the County intends to award one (1) contract to the highest-ranked responsible Bidder(s), as determined by the combined weight of the Evaluation Criteria, whose response conforms to the RFQ and whose bid presents the greatest value to the County considering all Evaluation Criteria. The combined weight of the Evaluation Criteria is greater in importance than the cost in determining the best value to the County. The County may award a contract of higher qualitative competence over the lowest priced response.
12. The initial zero to five-point scale range used to screen bids for acceptability is defined as follows:

0	Not Acceptable	Non-responsive, fails to meet RFQ specifications. The approach has no probability of success. If the unmet specification is a mandatory requirement, this score may result in the disqualification of the proposal.
---	----------------	---

Specifications, Terms & Conditions
for Health Promotions Community Partnerships – Outreach Materials

1	Poor	Below average, falls short of expectations, is substandard to that which is the average or expected norm, has a low probability of success in achieving objectives per RFQ.
2	Fair	Has a reasonable probability of success; however, some objectives may not be met.
3	Average	Acceptable and likely to achieve all objectives in a reasonable fashion per RFQ specification. This will be the baseline score for each item with adjustments based on the interpretation of the proposal by CSC members.
4	Above Average / Good	Better than that which is average or expected as the norm. Excellent probability of success in achieving all objectives of the RFP requirements and expectations.
5	Excellent / Exceptional	Exceeds expectations, is very innovative, clearly superior to that which is average or expected as the norm. Excellent probability of success in achieving all objectives and meeting RFP specifications

a. The Evaluation Criteria and their respective weights are as follows:

	Evaluation Criteria	Weight
i.	Completeness of Response: Responses to this RFQ must be complete. Responses must address all the requirements identified within this RFQ and all related documents, including any Addenda. Failure to meet the <u>Bidder Minimum Qualifications</u> may also be considered an incomplete response and may result in the disqualification of the Bidder.	Pass/Fail
ii.	Debarment and Suspension: Bidders, its principal, and named subcontractors are not identified on the list of Federally debarred, suspended, or other excluded parties located at www.sam.gov/SAM .	Pass/Fail

J. CONTRACT EVALUATION AND ASSESSMENT

During the initial 120-day period of any contract awarded, the County may review the proposal, the contract, any goods or services provided, and/or meet with the Contractor to identify any issues or potential problems.

The County reserves the right to determine, at its sole discretion, whether:
The Contractor has complied with all terms of this RFQ and the contract; and
Any problems or potential problems with the proposed goods and/or services were evidenced, which makes it unlikely (even with possible modifications) that such goods and/or services have met or will meet the County requirements.

If, as a result of such determination, the County concludes that it is not satisfied with the Contractor's performance under any awarded contract and/or Contractor's goods and services as contracted for therein, the Contractor may be notified that the contract is being terminated. The Contractor must be responsible for returning County facilities to their original state at no charge to the County. The County will have the right to invite the next qualified Bidder(s) to enter into a contract. The County also reserves the right to re-bid this project if it is determined to be in its best interest to do so. The County's right to go to the next qualified Bidder(s) and/or rebid is not limited by the award of a contract or the 120-day period.

K. NOTICE OF INTENT TO AWARD

1. At the conclusion of the RFQ response evaluation period, all Bidders will be notified in writing by email or US Postal Service mail of the contract award recommendation, if any, by Alameda County Public Health Department. The document providing this notification is the Notice of Intent to Award/Non-Award.

The Notice of Intent to Award/Non-Award will provide the following information:

- a. The name(s) of the Bidder(s) being recommended for contract award;
and
 - b. The names of all other parties that submitted proposals.
2. The submitted proposals will be made available upon request no later than five calendar days before approval of the award and contract is scheduled to be considered by the Board of Supervisors.

L. BID PROTEST / APPEALS PROCESS

The County of Alameda prides itself on the establishment of fair and competitive contracting procedures and the commitment made to follow those procedures. The

following is provided in the event that Bidders wish to protest the bid process or appeal the recommendation to award a contract once the Notices of Intent to Award/Non-Award have been issued. Bid protests submitted prior to issuance of the Notices of Intent to Award/Non-Award will not be accepted by the County.

1. Any bid protest must be submitted in writing by 5:00 p.m. of the SEVENTH (7th) calendar day following the date of issuance of the Notice of Intent to Award, not the date received by the Bidder. The bid protest must be submitted to the office that has been designated for review of protests for this procurement (the Protest Evaluator). For this procurement, the Protest Evaluator is:

Alameda County Public Health Department
ATTN: Tamarra Brown, Administrative Services Division Director 1100
San Leandro Blvd., 1st Floor, San Leandro, CA 94577

2. Email: PHDprocurements@acgov.org Write 'Bid Protests' and include the RFQ reference number in the email Subject line.

A bid protest received after 5:00 p.m. is considered received as of the next calendar day. Generally, the County will promptly send an email acknowledging receipt of the protest; it is the responsibility of the protestor to confirm that the protest was timely received.

- a. The bid protest must contain a complete statement of the reasons and facts for the protest.
 - b. The protest must refer to the specific portions of all documents that form the basis for the protest.
 - c. The protest must include the name, address, email address, and telephone number of the person submitting the protest on behalf of the protesting party.
 - d. The Alameda County Public Health Department Representatives will send a notification to Bidders if a protest is received.
3. The Protest Evaluator, or their designee, will review and evaluate the protest and issue a written decision. The Protest Evaluator may, at its discretion, do any of the following, investigate the protest, obtain additional information, provide an opportunity to settle the protest by mutual agreement, and/or schedule a meeting(s) with the protesting Bidder and others (as appropriate) to discuss the protest. The decision on the bid protest must be final prior to the Board hearing. A notification of the decision will be communicated by email and/or US Postal Service mail to the protestor. Notification will be provided to Bidders when a decision has been made on the protest and whether or not the recommendation to the Board of Supervisors in the Notice of Intent to Award/Non-Award will stand.

4. The decision on the bid protest by the Protest Evaluator may be appealed to the Auditor-Controller's Office of Contract Compliance & Reporting (OCCR) located at 1221 Oak St., Room 249, Oakland, CA 94612, Email: OCCR@acgov.org, unless the OCCR determines that it has a conflict of interest in which case an alternate will be identified to hear the appeal and all steps to be taken by OCCR will be performed by the alternate. The Bidder whose bid is the subject of the protest, all Bidders affected by the Protest Evaluator's decision on the protest, and the protestor have the right to appeal if they feel the Protest Evaluator's decision is incorrect. All appeals to the Auditor-Controller's OCCR must be in writing and submitted within SEVEN (7) calendar days following the issuance of the decision, not the date the decision is received by the Bidder. An appeal received after 5:00 p.m. is considered received as of the next calendar day. An appeal received after 5:00 p.m. on the SEVENTH (7th) calendar day following the date of issuance of the decision by the Protest Evaluator will not be considered under any circumstances by the Auditor-Controller OCCR or their designee.
 - a. The appeal must specify the decision being appealed and all the facts and circumstances relied upon in support of the appeal.
 - b. In reviewing protest appeals, the OCCR will not re-judge the proposal(s). The appeal to the OCCR must be limited to a review of the procurement process to determine if the contracting department materially erred in following the bid or, if applicable, County contracting policies or other laws and regulations.
 - c. The appeal to the OCCR must be limited to the grounds raised in the original protest and the written decision by the Protest Evaluator. As such, a Bidder is prohibited from stating new grounds for a Bid protest in its appeal.
 - d. The Auditor's Office may overturn the results of a bid process for ethical violations by Procurement staff, County Selection Committee members, subject matter experts, or any other County staff managing or participating in the competitive bid process, regardless of timing or the contents of a bid protest.
 - e. The finding of the Auditor-Controller's OCCR is the final step of the appeal process. A copy of the finding of the Auditor-Controller's OCCR will be furnished to the protestor.
 - f. The finding on the appeal must be issued before a recommendation to award the contract is considered and contract awarded by the Board of Supervisors.¹
5. The procedures and time limits set forth in this section are mandatory and are each Bidder's sole and exclusive remedy in the event of a bid protest. A Bidder's

failure to timely complete both the bid protest and appeal procedures will be deemed a failure to exhaust administrative remedies. Failure to exhaust administrative remedies, or failure to comply otherwise with these procedures, will constitute a waiver of any right to further pursue the bid protest, including filing a Government Code Claim or legal proceedings.

M. TERM / TERMINATION / RENEWAL

1. The contract term, which may be awarded pursuant to this RFQ, will be 18 months.
2. By mutual agreement, any contract, which may be awarded pursuant to this RFQ, may be extended for an additional two-years.

In the event that the County should abandon, terminate, or suspend the Contractor's work, services and/or providing of goods, the Contractor shall be entitled to payment for services provided hereunder prior to the effective date of said suspension, termination, or abandonment. The County may terminate the contract at any time for cause without written notice upon a material breach of contract or substandard or unsatisfactory performance by the Contractor. In the event of termination with cause, the County reserves the right to seek any and all damages from the Contractor. In the event of such termination, with or without cause, the County reserves the right to invite the next highest-ranked Bidder to enter into a contract or rebid the project if it is determined to be in its best interest to do so.

N. BRAND NAMES AND APPROVED EQUIVALENTS

1. Any references in this RFQ, including Addendum and other documents, to manufacturers' trade names, brand names, and/or catalog numbers are intended to be descriptive but not restrictive unless otherwise stated and are intended to indicate the quality level desired. Unless otherwise noted, Bidders may offer any equivalent product that meets or exceeds the specifications; however, if the County, in its sole discretion, determines the product proposed is not equivalent, the Bid may be disqualified. Bids based on equivalent products must:
 - a. Clearly describe the alternate offered and indicate how it differs from the product specified; and
 - b. Include complete descriptive literature and/or specifications as Portable Document Format (PDF) attachments to the online bid submission as proof that the proposed alternate will be equal to or better than the product named in this RFQ.

3. Reasonable price increases or decreases for subsequent contract terms may be negotiated between Contractor and County after completion of the initial term.
4. Taxes and freight charges:

AUDIT REQUIREMENTS

The County contracts with various organizations to carry out programs mandated by the Federal and State governments or sponsored by the Board of Supervisors. Under the Single Audit Act Amendments of 1996 (31 U.S.C.A. §§ 7501-7507) and Board policy, the County has the responsibility to determine whether organizations receiving funds through the County have spent them in accordance with applicable laws, regulations, contract terms, and grant agreements. To this end, effective with the first fiscal year beginning on and after December 26, 2014, the following are required.

I. AUDIT REQUIREMENTS

Funds from Federal Sources:

Non-Federal entities which are determined to be sub recipients by the supervising department according to 2 CFR § 200.330 and which expend annual Federal awards in the amount specified in 2 CFR § 200.501 are required to have a single audit performed in accordance with 2 CFR § 200.514.

2. When a non-Federal entity expends annual Federal awards in the amount specified in 2 CFR § 200.501(a) under only one Federal program (excluding R&D) and the Federal program's statutes, regulations, or terms and conditions of the Federal award do not require a financial statement audit of the auditee, the non-Federal entity may elect to have a program-specific audit conducted in accordance with 2 CFR § 200.507 (Program Specific Audits).
3. Non-Federal entities which expend annual Federal awards less than the amount specified in 2 CFR § 200.501(d) are exempt from the single audit requirements for that year except that the County may require a limited-scope audit in accordance with 2 CFR § 200.503(c).

Funds from All Sources:

Non-Federal entities which expend annual funds from any source (Federal, State, County, etc.) through the County in an amount of:

\$100,000 or more must have a financial audit in accordance with the U.S. Comptroller General's Generally Accepted Government Auditing Standards (GAGAS) covering all County programs.

Less than \$100,000 are exempt from these audit requirements except as otherwise noted in the contract.

Non-Federal entities that are required to have or choose to do a single audit in accordance with 2 CFR Subpart F, Audit Requirements are not required to have a financial audit in the

same year. However, Non-Federal entities that are required to have a financial audit may also be required to have a limited-scope audit in the same year.

General Requirements for All Audits:

All audits must be conducted in accordance with Generally Accepted Government Auditing Standards issued by the Comptroller General of the United States (GAGAS).

All audits must be conducted annually, except for biennial audits authorized by 2 CFR § 200.504 and where specifically allowed otherwise by laws, regulations, or County policy.

The audit report must contain a separate schedule that identifies all funds received from or passed through the County that is covered by the audit. County programs must be identified by contract number, contract amount, contract period, and amount expended during the fiscal year by funding source. An exhibit number must be included when applicable.

If a funding source has more stringent and specific audit requirements, these requirements must prevail over those described above.

II. AUDIT REPORTS

For Single Audits

Within the earlier of 30 calendar days after receipt of the auditor's report or nine months after the end of the audit period, the auditee must electronically submit to the Federal Audit Clearinghouse (FAC) the data collection form described in 2 CFR § 200.512(b) and the reporting package described in 2 CFR § 200.512(c). The auditee and auditors must ensure that the reporting package does not include protected personally identifiable information. The FAC will make the reporting package and the data collection form available on a web site and all Federal agencies, pass-through entities and others interested in a reporting package and data collection form must obtain it by accessing the FAC. As required by 2 CFR § 200.512(a)(2), unless restricted by Federal statutes or regulations, the auditee must make copies available for public inspection.

A notice of the audit report issuance along with two copies of the management letter with its corresponding response should be sent to the County supervising department within ten calendar days after it is submitted to the FAC. The County supervising department is responsible for forwarding a copy of the audit report, management letter, and corresponding responses to the County Auditor within one week of receipt.

For Audits other than Single Audits

At least two copies of the audit report package, including all attachments and any management letter with its corresponding response, should be sent to the County supervising department within six months after the end of the audit year, or other time frame as specified by the department. The County supervising department is responsible for forwarding a copy of the audit report package to the County Auditor within one week of receipt.

III. AUDIT RESOLUTION

Within 30 days of issuance of the audit report, the entity must submit to its county supervising department a corrective action plan consistent with 2 CFR § 200.511(c) to address each audit finding included in the current year auditor's report. Questioned costs and disallowed costs must be resolved according to procedures established by the County in the Contract Administration Manual. The County supervising department will follow up on the implementation of the corrective action plan as it pertains to County programs.

IV. ADDITIONAL AUDIT WORK

The County, the State, or Federal agencies may conduct additional audits or reviews to carry out their regulatory responsibilities. To the extent possible, these audits and reviews will rely on the audit work already performed under the audit requirements listed above

ADDITIONAL CONTRACT PROVISIONS – FEDERAL PROVISION

Funds used for payment of this Contract may be from or subject to reimbursement by state and/or federal funds. Some of these funding sources require additional contractual obligations and County and Contractor hereby agree to the following additional terms and conditions. The parties agree to each of these terms for reasons including, but not limited to, meeting all contracting requirements as set forth in 2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II. These terms supplement the General Terms and Conditions.

I. General Provisions

- A. **Remedies.** In the event of a breach by Contractor of any term or provision of this Agreement, the County shall have the right to pursue all available remedies at law or equity, including recovery of damages and specific performance of this Agreement. The parties hereto agree that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by Contractor of any of the provisions of this Agreement and hereby further agrees that, in the event of any action for specific performance in respect of such breach, Contractor shall waive the defense that a remedy at law would be adequate. Except as expressly provided elsewhere in this Agreement, each party's rights and remedies under this Agreement are cumulative and in addition to, not exclusive of or in substitution for, any rights or remedies otherwise available to that party.
- B. **Termination.** The County may suspend, terminate, or abandon the execution of any work by the Contractor under this Contract with or without cause at any time upon giving the Contractor prior written notice. In the event that the County should abandon, terminate, or suspend the Contractor's work, the Contractor shall be entitled to payment for services provided hereunder prior to the effective date of said suspension, termination, or abandonment, but in no event shall Contractor be entitled to more than the not to exceed amount of the Contract, or if applicable, the portion of the Contract being terminated.

Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
 - 2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for

employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3. The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the labor union or workers' representatives of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
