Overview

Davillier-Sloan, Inc. (DSI) is a third-party Labor Compliance Program (LCP) administrator. This LC Guidebook has been developed for your reference and highlights the requirements, submittals and timelines necessary to be compliant with the program.

Certified Payrolls for this project will be submitted electronically into the Elation Systems, the web-based program. Related forms will be available online and should be accessed and downloaded according to the instructions provided by Elation Systems once you have registered on the site.

The law requires that all workers including employees, independent contractors, owner-operators etc. on a public works project must be paid the prevailing wage of the area in which the project is located. Detailed information pertaining to labor compliance may be found in the contract specifications.

Prevailing Wage Determinations

The California prevailing wage determinations are based on the first bid advertisement/publication date. For design-build projects, the construction contract signing/construction contract award date shall be considered the bid advertisement date.

The California prevailing wage determinations and rates are published twice each year, in February and August. All determinations are effective ten (10) days after issuance. Some trades are issued regionally (Northern and Southern California) and other sub trades are by the county in which the project is located. There are separate determinations for apprentices on public works.

The prevailing wage determination by craft can be found on the Department of Industrial Relations (DIR) web site: www.dir.ca.gov (Labor Law/Public Works). Prevailing wage determinations and any rate changes must be posted at the job site available for workers to view.

Asterisk (*) clarifications:

- Prevailing wage determinations with a single asterisk (*) after the expiration date, which are in effect on the date of advertisement of bids, remain in effect for the life of the project.
- Interested parties should contact the DIR at (415) 703-4774 for the new rates after ten (10) days from the expiration date (if no subsequent determination is required).
- Prevailing wage determinations with double asterisks (**) after the expiration date indicate that the basic hourly rate, overtime, holiday pay and employers' payments for work performed after this date have been predetermined. If work is to extend past this date, the new rates must be paid and should be incorporated into contracts entered now.

Site Visits

Site visits will be conducted weekly pursuant to Labor Code 16432(d). Information on certified payrolls will be verified by visual inspection and random in-person worker interviews.

Required Forms

The required forms are available for download in the Elation Systems. Copies of completed, signed forms should be forwarded to the appropriate agency and uploaded into Elation Systems for verification.

Project/Program Closeout

Contractor Affidavit

Verifies the contractor's information, work classifications used, type of work completed, first payroll report date to final payroll report date, and how the apprenticeship utilization requirement was reached.

Apprenticeship Utilization

California Labor Codes require Contractors to hire apprentices unless the total construction contract for the project is less than \$30,000 or it is not an apprenticeable craft.

Contractors, including Design-Build, General or Specialty subcontractors shall employ registered apprentices during the performance of public works in accordance with the required one (1) hour of work performed by an apprentice for every five (5) hours of work performed by a journeyman. Unless an exemption has been granted, all contractors shall employ apprentices for the number computed above, before the end of the contract or provide good faith effort documentation.

Section 2: Prior to Construction Forms

- B. Public Works Contract Award Information (DAS 140 Form)
- C. Request for Dispatch of an Apprentice (DAS 142 Form)

Checklist of Labor Law Requirements

(CCR Title 8, Section 16421)

Ultimately the prime contractor is liable for their sub and specialty contractors. This checklist is a useful tool for the prime contractor to ensure that their sub and specialty contractors know their responsibilities on public works projects. Contractors who understand and comply with the law are more likely to deliver the job on time, on budget and done right the first time. We suggest the prime contractor encourage completion of this checklist by their sub and specialty contractors.

OF APPRENTICESHIP STANDARDS**

Explanation to box 1 - 3 on form DAS 140

- Box 1 is for contractors who are already approved to train by an apprenticeship program (signatory/member).
- Box 2 indicates that a contractor is willing to comply with a program's Standards for the current project only. This generally means that the fringe benefits and the training funds will be paid to that Committee's Trust Fund. It also allows a contractor to take advantage of a more generous maximum ratio than the CAC Standards, but does not affect the minimum ratio of 1 apprentice hour for every 5 journeyman hours.
- Box 3 means that a contractor will be governed by the regulations of the California Apprenticeship Council. Generally this means that the minimum and maximum ratio for apprentices is the same – 1 apprentice hour for every 5 journeyman hours per each craft, totaled at the end of the project. It also means the Training Fund Contribution is usually paid to the California Apprenticeship Council.

ARTICLE 2

PURPOSE

- 2.1 The purposes of this Agreement are to promote efficient construction operations on the Covered Projects, to ensure an adequate supply of skilled craftspeople, to provide for peaceful, efficient and binding procedures for settling labor disputes, and to provide quality employment and training opportunities for Residents and Disadvantaged Residents to work on future County projects. In so doing, the parties to this Agreement establish the foundation to promote the public interest; to provide a safe work place; to assure high quality construction; to ensure uninterrupted construction of Covered Projects; to secure optimum productivity; to develop a pool of skilled labor for County projects; and to facilitate on-schedule performance and County satisfaction.
- 2.2 It is the intent of the Parties to set out uniform and fair working conditions for the efficient completion of the Covered Projects, maintain harmonious labor/management relations and eliminate strikes, lockouts and other delays.
- 2.3 The Parties agree that one of the primary purposes of this Agreement is to avoid the tensions that might arise on the Covered Projects if union and nonunion workers of different employers were to work side by side on the Covered Projects, thereby leading to labor disputes that could delay completion of the Covered Projects.
- 2.4 This Agreement is entered into pursuant to and consistent with California Public Contract Code (“PCC”) sections 2500 through 2502. Section 2500(a)(3) requires a public entity project stabilization agreement to include an agreed-upon protocol concerning drug testing for workers employed on the Covered Projects as set forth in Section 16.3.

ARTICLE 3

SCOPE OF AGREEMENT

- 3.1 Upon becoming effective, this Agreement shall amend and fully supersede the Project Stabilization/Community Benefits Agreement for the County of Alameda dated July 9, 2019, and will be applied to all Covered Projects awarded on or after the effective date.
- 3.2 This Agreement covers:

- 3.2.1 Construction contracts awarded by the County, including projects executed by the County for Special Districts, having an actual bid amount of \$1 million or more; with regard to construction contracts procured by the Alameda County Public Works Agency, the Parties mutually agree to the side letter set forth as Exhibit A, with Council signature on behalf of all Union parties; and
- 3.2.2 Construction contracts for projects not fitting into the above categories, and for which the Board of Supervisors at its discretion designates for application of this Agreement.
- 3.3 The County shall not divide construction contracts to intentionally evade the monetary thresholds of Section 3.2.1.
- 3.4 Where the County is providing at least fifty percent (50%) of the funding for a project having an actual bid amount of \$1 million or more, and is not awarding any construction contract(s) for the project and/or is not the lead agency for the project, the County shall make a request, in writing, to the entity awarding the project or the lead agency for the project, or both if both exist, to apply this Agreement, or in the alternative, shall make a request that the entity awarding the project or the lead agency for the project, or both if both exist, meet with the County and the Council to discuss application of this Agreement.
- 3.5 For the purpose of application of the thresholds set forth in Section 3.2.1 to Job Order Contracts, the threshold shall be applied to each Job Order, rather than to the Job Order Contract aggregate maximum. Individual Job Orders above the threshold shall require application of this Agreement to such individual Job Orders.
- 3.6 Covered Work: This Agreement covers, without limitation, all site preparation, surveying, construction, alteration, demolition, installation, improvement, remediation, retrofit, painting or repair of buildings, structures and other works, and related activities for the Covered Project that is within the craft jurisdiction of one of the Unions and that is directly or indirectly part of the Covered Project, including, without limitation to the following examples, landscaping and temporary fencing, temporary HVAC, geotechnical and exploratory drilling, soils and materials testing and inspection, pipelines (including those in linear corridors built to serve the Covered Project), pumps, pump stations, start-up, modular furniture installation, and final clean-up. This Agreement covers work done for the Covered Project in temporary yards, dedicated sites, or areas adjacent to the Covered Project, and at any on-site or off-site batch plant constructed to supply materials to the Covered Project.
- 3.7 This Agreement shall apply only to construction/craft employees, performing work on projects represented by the Unions, and shall not apply to Contractors' supervisors, technical or non-manual employees including, but not limited to, executives, engineers, office and clerical employees, drafters, architects, supervisors, timekeepers, messengers, guards, other employees above the classification of general foreman, inspectors, material

testers, and/or x-ray technicians, except to the extent that such inspectors, material testers, and/or x-ray technicians are covered by the relevant MLA.

- 3.8 There shall be no limitation or restriction upon the choice of materials or upon the full use and installation of equipment, machinery, package units, factory pre-cast, prefabricated or preassembled materials, tools or other labor-saving devices. The lawful fabrication provisions of the appropriate national or local agreements shall be applicable. The Covered Projects include work necessary for the Covered Projects and/or in temporary yards or areas adjacent to and dedicated to the Covered Projects, and at any batch plant(s) constructed or used solely to supply materials to the Covered Projects, when those sites or processes are dedicated exclusively to the Covered Projects.
- 3.9 This Agreement covers all on-site fabrication work over which the County or Contractors possess the right of control (including work done for Covered Projects in any temporary yard or area established for a Covered Project). Additionally, any offsite work, including fabrication, necessary for Covered Projects defined herein, that is lawfully covered by a current MLA or local addenda to a National Agreement of the applicable Union(s) that is in effect as of the execution of this Agreement shall be considered covered work under this Agreement. This agreement shall not apply to factory built modular construction.
- 3.10 The furnishing of supplies, equipment or materials which are stockpiled for later use shall in no case be considered subcontracting and shall be covered to the extent permitted by law. The delivery of ready-mix, asphalt, aggregate, sand or other fill material which are directly incorporated into the construction process as well as the off-hauling of debris and excess fill material and/or mud, shall be covered by the terms and conditions of this Agreement. All entities providing work covered under this Section shall provide certified payroll records to the County within ten (10) days of written request or as required by the bid specifications.
- 3.11 This Agreement shall apply to any start-up, calibration, performance testing, repair, maintenance, operational revisions to systems and/or subsystems performed pursuant to a contract for Covered Work on a Covered Project. The County reserves the right to perform any start-up, operation, repair, maintenance or revision of equipment or systems with employees of the County. If required, Contractor's personnel may make a final check and may direct their staff on site to make any necessary repairs to protect the terms of a manufacturer's guarantee or warranty of a piece of equipment.
- 3.12 The on-site installation or application of all items shall be performed by the craft having jurisdiction over such work as set forth under the provisions of this Agreement; provided, however, it is recognized that installation of specialty items which may be furnished by the County or a Contractor shall be performed by construction persons of the vendor or other companies where expressly required to protect a warranty on the items, provided, however, that (i) the warranty is uniform and standard across purchasers/customers, and (ii) the warranty requirements are provided in writing. Any such work shall be identified and discussed at the relevant pre-construction conference, or as soon as the County or the

Contractor is aware of the need to invoke this provision. Upon request from the Council, the County shall discuss with the vendor whether installation or application may be performed pursuant to terms of this Agreement without affecting the status of the warranty. The issue of whether it is necessary to use construction persons of the vendor or other companies to protect the warranty shall be subject to the grievance and arbitration clause of this Agreement.

- 3.13 Neither the Coordinator designated in Article 9 below, nor the Contractors, have the authority to speak for or bind the County.
- 3.14 The County retains the right and ability to meet all competitive bidding requirements of public contracting law and to award contracts pursuant to law and established contracting procedures, regardless of awardee's union signatory status. Further, the County may, at its sole discretion, end, delay, and/or suspend any or all portions of the work and may combine, consolidate, modify and/or not build any one or more portions of work covered by this Agreement at any time.
- 3.15 The County shall retain the right at all times to perform and/or subcontract all portions of the construction and related work on projects not covered by this Agreement.
- 3.16 The County shall have the right to purchase material and equipment from any source and the craftspersons will handle and install such material and equipment, subject to the requirements of the other Covered Work sections of this Agreement.
- 3.17 Work covered by this Agreement within the following craft jurisdictions shall be performed under the terms of their National Agreements as follows: the National Transient Lodge (NTL) Articles of Agreement, the National Stack/Chimney Agreement, the National Cooling Tower Agreement, the National Agreement of Elevator Constructors, and any instrument calibration work and loop checking shall be performed under the terms of the UA/IBEW Joint National Agreement for Instrument and Control Systems Technicians, with the exception that Articles 6, 11, and 23 of this Agreement shall apply to such work.
- 3.18 Without limiting the foregoing, items specifically excluded from the scope of this Agreement include the following:
 - 3.19.1 The operation of equipment and machinery owned or controlled by the County and its subcontractors and not directly related to construction of Covered Projects;
 - 3.19.2 All employees of any Contractor or any other consultant of the County not performing Covered Work;
 - 3.19.3 Any work performed on or near or leading to or on to the site of work covered by this Agreement and undertaken by state, county, city or other governmental bodies, or their contractors, or by public utilities or their contractors, and/or by

the County or its contractors, in each case for work that is not Covered Work. For the avoidance of doubt, work performed by public or private utilities, including all electrical utility, voice-data-video, and security installation work ahead of and up to the electrical service entry connection or the main point of entry into the building shall be excluded. All electrical utility, voice-data-video, and security installation work performed after the electrical utility service entrance or the main point of entry shall be Covered Work. Additionally, all contracted work performed ahead of the service entrance connection and main point of entry that is inside the property line that provides for access to the building via a conduit or series of conduits shall be Covered Work;

- 3.19.4 Off-site maintenance of leased equipment and on-site supervision of such work;
- 3.19.5 Non-construction support services contracted by the County or any Contractor in connection with Covered Projects;
- 3.19.6 All work by employees of the County;
- 3.19.7 All warranty functions, warranty work, corrective work, repair and maintenance work on purchased equipment performed by manufacturers' representatives or vendors after Acceptance of any Covered Projects by the County pursuant to a contract for Covered Work on a Covered Project; and
- 3.19.8 All Post-Disaster and Emergency Work.
- 3.19.9 Work privately contracted by owners of property that the County is leasing.
- 3.20 The Council shall assist the County and its Contractors in encouraging and soliciting subcontractors in bidding on all Covered Projects.
- 3.21 This Agreement shall be included in all invitations to bid or solicitations for proposals from contractors or subcontractors for work on Covered Projects.
- 3.22 The provisions of this Agreement, including the MLAs incorporated herein by reference, shall apply to Covered Work, notwithstanding the provisions of any other local, area and/or national agreements which may conflict with or differ from the terms of this Agreement. To the extent a provision of this Agreement conflicts with an MLA, the provision of this Agreement shall prevail. Where a provision of an MLA does not conflict with this Agreement, the provision of the MLA shall apply. A list of all current MLAs in effect as of the effective date of this Agreement is attached hereto as Exhibit D; however, this list shall not be interpreted or construed to limit the applicability of future MLAs to Covered Work. The Council will provide any MLAs upon request from the County.

ARTICLE 4

RELATIONSHIP BETWEEN PARTIES

- 4.1 This Agreement shall only be binding on the signatory parties hereto, and shall not apply to parents, affiliates, subsidiaries, or other divisions of Contractors unless signed by such parent, affiliate, subsidiary, or other division of such company.
- 4.2 Each Contractor shall alone be liable and responsible for its own individual acts and conduct and for any breach or alleged breach of this Agreement, except as otherwise provided by law or the applicable Master Agreement. Any alleged breach of this Agreement by a Contractor or any dispute between the Union and the Contractor respecting compliance with the terms of this Agreement, shall not affect the rights, liabilities, obligations and duties between the signatory Union and each other Contractor party to this Agreement.
- 4.3 It is mutually agreed by the parties that any liability by a Union(s) to this Agreement shall be several and not joint. Any alleged breach of this Agreement by a Union shall not affect the rights, liabilities, obligations and duties between the Contractors and the other Unions party to this Agreement.

ARTICLE 5

SUBCONTRACTS

- 5.1 In order to perform Covered Work on a Covered Project, whether as a Contractor or subcontractor, all Contractors agree to be bound by each and every provision of this Agreement and agree to evidence their acceptance prior to the commencement of work by executing the Agreement to be Bound in the form attached hereto as Exhibit B.
- 5.2 Each Contractor, which includes all subcontractors of any tier, including trucking entities performing Covered Work for Covered Projects, agrees that neither it nor any of its subcontractors will subcontract any work to be done for a Covered Project except to a person, firm, or corporation who is or becomes party to this Agreement by signing the Agreement to be Bound attached to this Agreement as Exhibit B. All Contractors performing Covered Work for a Covered Project shall, as a condition to performing work, execute the Agreement to be Bound and perform all work under the terms of this Agreement. The obligations of a Contractor may not be evaded by subcontracting. If the subcontractor refuses to execute the Agreement to be Bound, then such subcontractor shall not perform Covered Work on a Covered Project.
- 5.3 Notwithstanding any other provisions of this Agreement, the Contractor, as appropriate, shall have the absolute right to award contracts or subcontracts for a Covered Project notwithstanding the existence or nonexistence of any collective bargaining agreements between the prospective Contractor and any Union party, and provided that such Contractor is willing, ready and able to comply with this Project Stabilization/Community Benefits Agreement and shall execute the Agreement to be

Bound (in the form attached as Exhibit B), should such Contractor be awarded work covered by this Agreement.

5.4 Each Contractor with a contract directly with the County has the primary obligation for performance of all conditions of this Agreement, including the performance of all of that Contractor's subcontractors. This obligation cannot be relieved, evaded or diminished by subcontracting. Should a Contractor elect to subcontract, that Contractor shall continue to have such primary obligation.

5.5 Each Contractor, which includes all subcontractors of any tier performing work on the Covered Project, shall give written notice to the relevant Union(s) of any subcontract involving the performance of work covered by this Agreement within either five (5) business days of entering such subcontract or before the subcontractor commences work on the Covered Project, whichever occurs first. Such notice shall specify the name and address of the subcontractor, the Contractors State License Board license number of the subcontractor (if required) and the scope of work to be performed. Written notice at a Pre-Job Conference shall be deemed written notice under this provision only for those subcontractors listed at the Pre-Job Conference.

5.6 Signatory Contractors:

5.6.1 With regard to any Contractor that is independently signed to any Master Labor Agreement, this Agreement shall in no way supersede or prevent the enforcement of any subcontracting clause contained in such MLA, except as specifically set forth in Section 5.6.2 below. Any such subcontracting clause in an MLA shall remain and be fully enforceable between each craft union and its signatory Contractors, and no provision of this Agreement shall be interpreted and/or applied in any manner that would give this Agreement precedence over subcontracting obligations and restrictions that exist between craft unions and their respective signatory Contractors under an MLA, except as specifically set forth in Section 5.6.2 below.

5.6.2 If a craft union ("aggrieved union") believes that an assignment of work for a Covered Project has been made improperly by a Contractor or subcontractor, even if that assignment was as a result of another craft union's successful enforcement of the subcontracting clause in its MLA, as permitted by Section 5.6.1 above, the aggrieved union may submit a claim under the jurisdictional resolution procedure contained in Article 6 of this Agreement, and the decision rendered as part of that process shall be enforceable to require the Contractor or subcontractor that made the work assignment to assign that work prospectively to the aggrieved union. An award made to a craft union under the subcontracting clause of its MLA, as permitted pursuant to Section 5.6.1 above, shall be valid and fully enforceable by that craft union unless it conflicts with a jurisdictional award made pursuant to this Agreement. If the award made under the MLA conflicts with the jurisdictional award, the award of damages under the former shall be null and void *ab initio*.

ARTICLE 6

WORK ASSIGNMENTS AND JURISDICTIONAL DISPUTES

- 6.1 The assignment of Covered Work will be solely the responsibility of the Contractor performing the work involved; and such work assignments will be in accordance with the Plan for the Settlement of the Jurisdictional Disputes in the Construction Industry (the "Plan") or any successor Plan.
- 6.2 All jurisdictional disputes on a Covered Project between or among the building and construction trades Unions and the Contractors parties to this Agreement, shall be settled and adjusted according to the present Plan established by the Building and Construction Trades Department or any other plan or method of procedure that may be adopted in the future by the Building and Construction Trades Department. Decisions rendered shall be final, binding and conclusive on the Contractors and Unions parties to this Agreement.
- 6.3 If a dispute arising under this Article involves the Northern California Carpenters Regional Council or any of its subordinate bodies, an arbitrator shall be chosen by the procedures specified in Article V, Section 5 of the Plan from a list composed of John Kagel, Thomas Angelo, Robert Hirsch and Thomas Pagan, and the arbitrator's hearing on the dispute shall be held at the offices of the California State Building and Construction Trades Council in Sacramento, California within fourteen (14) calendar days of the selection of the arbitrator. All other procedures shall be as specified in the Plan.
- 6.4 All jurisdictional disputes shall be resolved without the occurrence of any strike, work stoppage, or slow-down of any nature, and the Contractor's assignment shall be adhered to until the dispute is resolved. Individual employees violating this section shall be subject to immediate discharge.
- 6.5 Each Contractor will conduct a pre-job conference with the Council prior to commencing work. The County and the project manager will be advised in advance of all such conferences and may participate if they wish. Pre-job conferences for different Contractors may be held together.

ARTICLE 7

PRE-JOB CONFERENCE

- 7.1 The Coordinator shall convene and the Council shall conduct, at a location and time mutually agreeable to the Council and the Coordinator, or by teleconference or videoconference if agreeable to the Council and Coordinator, a pre-job conference with the Unions and the representatives of all involved Contractors, who shall be prepared to announce craft assignments and discuss in detail the scope of work and the other issues set

forth below, at least fourteen (14) calendar days prior to:

- (a) The commencement of any Covered Project work, and
 - (b) The commencement of Covered Project work on any subsequently awarded construction contract.
- 7.2 The pre-job conference shall be attended by a representative of each participating Contractor and each affected Union, and the Council and County may attend at their discretion.
- 7.3 Seven (7) days before the pre-job conference each Contractor shall provide to the Coordinator and Council the following information, for discussion at the pre-job conference:
- (a) A listing and brief description of each Contractor's scope of work;
 - (b) The craft assignments;
 - (c) The estimated number of craft workers required to perform the work;
 - (d) Transportation arrangements;
 - (e) The estimated start and completion dates of the work;
 - (f) Discussion of pre-fabricated materials; and
 - (g) Relevant plans, blueprints, or specifications as requested by the Council or County.
- 7.4 At the pre-job conference, the prime contractor shall identify the Covered Project's safety inspector(s), safety officer(s), and any Jobsite Safety Accountability Supervisor.

The Committee will be comprised of two (2) representatives selected by the Council, two (2) representatives selected by the County, and one (1) community representative, nominated by the Board of Supervisors and agreeable to the Council. The parties shall appoint an alternate. The JAC meetings will be convened by the Coordinator

This Subcommittee shall meet as required to resolve grievances by consensus vote, which resolution shall be final and binding. If no resolution can be mutually agreed upon, the grievance shall proceed to the grievance procedure outlined in Article 22, Step 4.
- 8.3 The JAC may review and make recommendations regarding overall operation of the Local Hiring Program (set forth in Article 18), and may make recommendations regarding compliance approaches in cases of noncompliance. Two years after the effective date of this Agreement, the JAC shall review overall operation and implementation of the Local Hiring Program to date, and, with affirmative vote from representatives of both the Council and the County, may (i) revise the definition of Disadvantaged Resident in Section 1.1 to align it with other local jurisdictions or to improve program implementation; or (ii) mutually agree to revise the Percentage Requirements (as set forth in the Local Hiring Program). In either case such revised definition or requirements shall be provided to Contractors and take effect for Contractors and all Parties without requiring re-execution of this Agreement.

The Coordinator shall not be responsible for the acts of the Contractors or Unions signatory hereto, or County, and will not be a party to any arbitration or litigation arising out of this Agreement.

ARTICLE 10

UNION RECOGNITION AND REPRESENTATION

- 10.1 The Contractors recognize the Unions as the sole and exclusive collective bargaining representatives for all craft employees on Covered Projects, and all such employees shall be represented by a Union for the duration of their employment on the Project.
- 10.2 All employees who are employed by the Contractors shall, as a condition of employment, on or before the eighth (8th) day of consecutive or cumulative employment for a construction contract subject to this Agreement, be responsible for the payment of the applicable monthly working dues and any associated fees uniformly required for union membership in the Union(s). However, there is nothing in this Agreement that would prevent non-union employees from joining the Union(s).
- 10.3 Authorized representatives of the Union(s) shall have access to the project site at all times when work is being, has been or will be performed. Such representatives shall comply with the reasonable visitor safety and security rules established for the project. Access for Union(s) representatives will not be unduly restricted.
- 10.4 The treatment and payment of stewards shall be in accordance with the applicable MLA.

ARTICLE 11

NO STRIKES - NO LOCKOUTS

- 11.1 During the life of this Agreement, the Unions and their members, agents, representatives and employees shall not incite, encourage, condone or participate in any strike, walkout, slowdown, sit-down, stay-in, boycott, wobble, sympathy strike, picketing or other work stoppage or hand-billing on Covered Projects for any cause whatsoever, or any other type of interference of any kind, coercive or otherwise, and it is expressly agreed that any such action is a violation of this Agreement.

11.1.1 Withholding of employees for failure of a Contractor to meet its weekly payroll is not a violation of this Article 11; however, the Union shall submit documentation of the failure to pay to the Coordinator and shall give the affected Contractor and the Coordinator written notice seventy-two (72) hours prior to the withholding of employees.

11.1.2 Should a Contractor performing work on a Covered Project be delinquent in the payment of Trust Fund contributions required under this Agreement with respect to employees represented by the Union, withholding of employees for failure of a Contractor to make Trust Fund contributions is not a violation of this Article 11; however, the Union or Trust Fund shall submit documentation of the failure to the Coordinator and shall give the affected Contractor and the Coordinator written notice seventy-two (72) hours prior to the withholding of employees. The documentation will indicate the amount of delinquency asserted and the period that the delinquency covers, to the best of the Union's or Trust Fund's knowledge. The Union or Trust Fund may request that the Contractor issue joint checks payable to the Contractor and the appropriate employee benefit Trust Fund until such delinquencies are satisfied, and the Contractor agrees that the County may issue joint checks to the Contractor and the Trust Fund until the delinquency is satisfied. It is agreed, however, with respect to Contractors delinquent in trust or benefit contribution payments, that nothing in this Agreement shall affect normal contract remedies available under the local collective bargaining agreements.

11.2 Expiration of Local and Other Applicable Agreements. It is specifically agreed that there shall be no strike, sympathy strike, picketing, lockout, slowdown, withholding of work, refusal to work, walk-off, sick-out, sit-down, stand-in, wobble, boycott or other work stoppage of any kind as a result of the expiration of any local, regional or other applicable labor agreement having application on the Covered Project and/or failure of the parties to that agreement to reach a new contract. If a Master Labor Agreement between a Contractor and the Union expires before the Contractor completes the performance of a construction contract and the Union or Contractor gives notice of demands for a new or modified Master Labor Agreement, the Union agrees that it will not strike or withhold labor from the Contractor for said contract for Covered Work and the Union and the Contractor agree that the expired collective bargaining agreement shall continue in full force and effect for Covered Work until a new or modified Master Labor Agreement is reached between the Union and Contractor. If the Union and Contractors agree to an interim agreement that will apply until a new Master Labor Agreement is reached, then, the Contractor may work under the terms of the interim agreement until a new or modified Master Labor Agreement is reached between the Union and Contractor. If the new or modified Master Labor Agreement reached between the Union and Contractor provides that any terms of compensation of the Master Agreement shall be retroactive, the Contractor agrees to comply with any retroactive terms of the new or modified Master Labor Agreement to its effective date which is applicable to employees who performed work for the project during the interim period. Such compliance shall occur within seven (7) days after notification by the Union.

- 11.3 In consideration of the foregoing, the Contractor shall not incite, encourage or participate in any lockout or cause to be locked out any employee covered under the provisions of this Agreement. The term "lockout" does not refer to the discharge, termination or layoff of employees by the Contractor for any reasons in the exercise of its rights as set forth in any provision of this Agreement, nor does "lockout" include the County's or Contractor's decision to terminate or suspend work for the site or any portion thereof for any reason.
- 11.4 Any employee or employees inciting, encouraging or participating in any strike, slowdown, picketing, sympathy strike or other activity in violation of this Agreement may be subject to immediate discharge and the procedure under this Article 11, if invoked.
- 11.5 Upon written or electronic mail notice of a violation to the Local and/or International Union offices, the Union and its officers shall take immediate action and will use their best efforts to prevent, end or avert any such aforementioned activity or the threat thereof by any of its officers, members, representatives or employees, either individually or collectively, including but not limited to, publicly disavowing any such action and ordering all such officers, representatives, employees or members who participate in such unauthorized activity to cease and desist from same immediately and to return to work and comply with its orders. The Contractor shall have the right, in the event of a work stoppage by the Union, to replace the employees represented by the Union in violation of this Agreement. Nothing in this Agreement shall be construed to limit or restrict the right of any of the parties to this Agreement to pursue fully any and all remedies available under law in the event of a violation of this Article 11.
- 11.6 Any party to this Agreement may institute the following binding arbitration procedure when such a breach is alleged. In the event a party institutes this procedure, arbitration shall be mandatory.
- 11.6.1 The party invoking this procedure shall immediately notify Robert Hirsch, who the parties agree shall be the permanent Arbitrator under this procedure. Thomas Angelo shall serve as alternate in the event that the permanent Arbitrator is unavailable at any time. If neither Robert Hirsch nor Thomas Angelo is available to hold a hearing within 24 hours or another short timeframe as mutually agreed, an arbitrator shall be selected using the provisions of Article 22 (Grievance Procedure). Notice to the Arbitrator shall be by the most expeditious means available, with written notice by email or similar means to the party alleged to be in violation and the involved Union General President. Should either the permanent or the alternate arbitrator identified above no longer work as a labor arbitrator, the County and the Council shall mutually agree to a replacement.
- 11.6.2 Upon receipt of said notice the Arbitrator named above or the alternate shall designate a place for, schedule and hold a hearing within twenty-four (24) hours or another short timeframe as mutually agreed.

- 11.6.3 The Arbitrator shall notify the parties by electronic mail or similar means of the place and time chosen for the session. A failure of any party or parties to attend said hearing shall not delay the hearing of evidence or issuance of an award by the Arbitrator.
- 11.6.4 The sole issue at the hearing shall be whether or not a violation of this Article has in fact occurred, and the Arbitrator shall have no authority to consider any matter in justification, explanation or mitigation of such violation or to award damages, which issue is reserved for court or other arbitration proceedings, if any. The award shall be issued in writing within three (3) hours after the close of the hearing and may be issued without a written opinion. If any party desires a written opinion, one shall be issued within fifteen (15) days, but its issuance shall not delay compliance with, or enforcement of, the award. The Arbitrator shall order cessation of the violation of this Article and other appropriate relief, and such award shall be served on all parties by hand or registered mail upon issuance.
- 11.6.5 Liquidated Damages: A party found to have violated the provisions of the No Strike-No Lockout section in this Article 11 shall cease such violation within eight (8) hours of the award of the Arbitrator. Should the violation continue past eight (8) hours, the party in violation shall pay to the affected party as liquidated damages either the actual damages incurred or the sum of ten thousand dollars (\$10,000.00) per shift, or portion thereof, whichever is greater, until such violation is ceased. The Arbitrator shall retain jurisdiction to resolve any disputes regarding the liquidated damages claimed under this section.
- 11.6.6 The award shall be final, binding and non-reviewable as to the merits. A judgment of any court of competent jurisdiction shall be entered upon the award, which may be enforced by any such court, upon the filing of this Agreement and all other relevant documents referred to hereinabove in the following manner. Electronic mail or similar notice of the filing of such enforcement proceedings shall be given to the other party. In the proceeding to obtain a temporary order enforcing the Arbitrator's award as issued under Section 11.6.4 of this Article, all parties waive the right to a hearing and agree that such proceedings may be ex parte. Such agreement does not waive any party's right to participate in a hearing for a final order of enforcement. The Court's order or orders enforcing the Arbitrator's award shall be served on all parties by hand or by delivery to their last known address or by registered mail.
- 11.6.7 Any rights created by statute or law governing arbitration or injunction proceedings inconsistent with the above procedure, or which interfere with compliance therewith, are hereby waived by the parties to whom they accrued, to the extent permitted by law.
- 11.6.8 The costs of the arbitration, including the fee and expenses of the Arbitrator, shall be borne equally by the affected Union(s) and the affected Contractors.

11.6.9 The procedures contained in this Section 11.6 shall be applicable only to alleged violations of this Article. Discharge or discipline of employees for violation of this Article shall be subject to the grievance and arbitration procedures of Article 22.

In such cases the County and prime contractor shall notify the Council and provide an opportunity to meet and discuss.

- 15.2 Holidays and designated days off will be in compliance with the applicable General Prevailing Wage Determination made by the Director of Industrial Relations pursuant to the California Labor Code, unless otherwise set forth in the MLA.

ARTICLE 16

These rules and regulations will be published and posted at conspicuous places throughout the Covered Project site.
- 16.2 In accordance with the requirements of OSHA/Cal-OSHA, it shall be the exclusive responsibility of each Contractor working on a Covered Project to assure safe working conditions for its employees and compliance by them with any safety rules contained herein or established by the Contractors or the County. Nothing in this Agreement shall in any way be construed to make the Union(s) or the County liable for safety violations on the Covered Project.
- 16.3 The Parties and the Contractors agree to abide by the substance abuse policies contained in the applicable MLA, subject to Article 12. Should the County decide that there is a need for an OCIP on a Covered Project, the Parties and the Contractors mutually agree to the side letter attached as Exhibit C, with Council signature on behalf of all Union parties.

REFERRAL PROCESS

- 17.1 The Union(s) shall be the primary source of all craft labor employed on Covered Projects. However, in the event that a Contractor has its own core workforce, the Contractors may request by name, and the Union(s) shall honor, referral of persons who have applied to

the local union for Covered Work and who demonstrate the following qualifications (“Core Employees”):

- 17.1.1 possess any license and/or certifications required by state or federal law for the Covered Work to be performed;
 - 17.1.2 have worked a total of at least one thousand (1,000) hours in the construction craft during the prior three (3) years;

 - 17.1.4 have the ability to perform safely the basic functions of the applicable trade; and
 - 17.1.5 be a Resident.
- 17.2 In the case of a Sole Proprietor that is self-performing work, the Sole Proprietor is not required to request a dispatch from the Union hall for themselves. If the Sole Proprietor hires employees or field staff for the project, it shall cease to be a Sole Proprietor as defined under this Agreement and shall comply with all Contractor obligations herein.
- 17.3 The Union(s) will first refer to such Contractors one journeyman employee from the hiring hall out-of-work list for the affected trade or craft, and will thereafter refer one of such Contractors’ “core” employees as a journeyman and shall repeat the process, one and one, until such Contractors’ crew requirements are met or until such Contractors have hired no more than five (5) Core Employees, whichever occurs first. All Core Employees shall satisfy the requirements of Article 10 of this Agreement. Thereafter, all additional employees shall be hired exclusively from the Union(s)’ hiring hall out-of-work list(s), in accordance with this Agreement. For the duration of the Contractors’ work the ratio shall be maintained and when the Contractors’ workforce is reduced, Employees shall be laid off in the same ratio of core employees to hiring hall referrals as was applied in the initial hiring. Contractors signatory to a Local, Regional, and/or National collective bargaining agreement(s) with a Union(s) shall be bound to the hiring hall provisions contained in the relevant MLA of the affected Union(s).
- 17.4 An Owner/Operator may be dispatched to the Covered Project as a core employee, provided that such Owner/Operator satisfies the qualifications in Article 1 and has complied with and completed all registration requirements with the Union prior to dispatch. In addition, upon request of the Council or any Union, the Owner Operator must provide documentation of insurance, a business license, and a valid motor carrier permit issued solely in their name. In the event the Owner/Operator hires employees or field staff for the Covered Project, it shall cease to be an Owner/Operator as defined under this Agreement and shall comply with all Contractor obligations herein.
- 17.5 All Contractors shall be bound by and utilize the registration facilities and referral systems established or authorized by the relevant Union so long as such procedures are in

Upon hiring Alternative Employees, the Contractor shall immediately notify the appropriate Union(s) of the name and address of the Alternative Employees hired, which Alternative Employees shall be bound by the provisions of this Article and the Union(s)’ hiring hall rules.

ARTICLE 18

LOCAL HIRING PROGRAM

- 18.1 Local Hiring. The Parties and Contractors agree to work together to increase utilization of Residents and Disadvantaged Residents in the employment and apprenticeship opportunities created by the Covered Work. The requirements of this Article 18 are referred to as the Local Hiring Program.

- 18.2 Percentage Requirements. For each Covered Project, Contractors shall satisfy the following percentage requirements (the “Percentage Requirements”):

18.2.1 Residents shall perform at least 40 percent of all hours worked, on a craft-by-craft basis; and

18.2.2 Disadvantaged Residents shall perform at least 40 percent of all apprentice hours worked, for the project overall (*i.e.*, not on a craft-by-craft basis).

Prime contractors must comply with the Local Hiring Program either by demonstrating satisfaction of the Percentage Requirements or by demonstrating that all Contractors have satisfied the good faith efforts set forth in Section 18.3, below.

- 18.3 Contractors’ Good Faith Efforts. Each Contractor must take the following steps in an attempt to satisfy the Percentage Requirements:

18.3.1. Each Contractor shall attend the scheduled pre-job meetings identified in Article 7. At this meeting, each Contractor must submit written workforce projections and projected worker-hours on a craft-by-craft basis, consistent with the Contractor’s bid proposal. In the event the pre-job meeting is waived, each Contractor must submit written workforce projections to the Coordinator within

five days.

- 18.3.2 Resident Hiring – Overall Workforce. If staffing with Contractor’s current crew members has not enabled satisfaction of the Percentage Requirement in Section 18.2.1, the Contractor shall request referral of needed Residents from the appropriate Union hiring hall, using “name call,” “rehire,” or other available procedures to satisfy the Percentage Requirements. All requests for referrals under this subsection shall be in writing.
- 18.3.3 Disadvantaged Resident Hiring – Apprentices. If staffing with the Contractor’s current crew members has not enabled satisfaction of the Percentage Requirement in Section 18.2.2, the Contractor shall request from the Coordinator a copy of the list of Disadvantaged Residents set forth in Section 19.3 and shall sponsor a Disadvantaged Resident for enrollment in the applicable JATC if possible, or if sponsorship is not possible, shall request referral of a Disadvantaged Resident from the appropriate Union hiring hall or apprenticeship program, as required, using “name call,” “rehire,” or other available procedures to satisfy the Percentage Requirements. All requests for referrals under this subsection shall be in writing.
- 18.3.4 Contractors’ employees on sites other than Covered Projects may be credited toward satisfaction of the Percentage Requirements, if such hours are worked during term of the Contractor’s work on the Covered Project, and if such work is performed in any of the nine Bay Area counties of: Alameda, Contra Costa, San Francisco, San Mateo, Santa Clara, Marin, Solano, Napa and Sonoma. The Contractor is responsible for providing written evidence, such as certified payroll records or other documents as approved by the JAC, of Resident and/or Disadvantaged Resident hours worked on such sites.

18.4 Oversight and Enforcement.

- 18.4.1 With day-to-day support from the Coordinator, the JAC shall provide oversight regarding the Local Hiring Program and will serve as the central forum for representatives of all interested or affected parties to exchange information and ideas and to advise the County staff and the Coordinator concerning the operation and results of the Local Hiring Program and the ongoing role of this Project Stabilization/Community Benefits Agreement as an integral component of the Local Hiring Program. As part of these responsibilities, the JAC will assess the obstacles to success of achieving inclusion of Residents and Disadvantaged Residents in the construction opportunities and shall make recommendations to overcome some of those obstacles.
- 18.4.2 Contractor requirements of the Local Hiring Program shall be terms of the prime contracts awarded by the County on Covered Projects, and enforcement actions shall be pursuant to contract compliance procedures set forth in such contracts.

Hours worked by workers who reside in states other than California shall not be considered in compliance determinations regarding the Local Hiring Program.

- 18.4.3 Contractors shall submit to the Coordinator copies of all information necessary to determine Contractor compliance with the Local Hiring Program, including dispatch requests and responses, records regarding hiring decisions of Residents and Disadvantaged Residents who were referred but not hired, and any other relevant information requested by the Coordinator.
- 18.5 Federally-Funded Projects. Requirements of this Article 18 shall not apply to Covered Projects for which funding sources prohibit such application. However, if funding sources require alternative hiring goals or requirements (such as the hiring requirements of Executive Order 11246, applicable to federally-funded projects), then such requirements shall apply, and all requirements and procedures set forth in this Agreement related to implementation of the Local Hiring Program shall be utilized to implement the alternative hiring goals or requirements imposed by the funding source, consistent with the applicable MLAs and hiring hall procedures. The County shall make good faith efforts to notify the Council prior to invoking this provision.
- 18.6 JAC Compliance Review. Any Contractor deemed not in compliance with the Local Hiring Program by the Coordinator shall be referred to the JAC to facilitate compliance, including establishing a corrective action plan. In the event the Contractor remains out of compliance, the JAC will refer the Contractor to the County for enforcement.
- 18.7 Apprentices. The Contractors/Employers shall employ Apprentices enrolled in a JATC in their respective crafts, to perform work that is within their capabilities and that is customarily performed by the craft in which they are indentured. Apprentice ratios shall be in compliance with the provisions of the California Labor Code and the applicable state prevailing wage determination. Consistent with the Master Agreements, there shall be no restriction on the utilization of apprentices in performing the work of their craft provided they are properly indentured and supervised.
- 18.8 Union Commitments. The Unions will exert their utmost efforts to recruit and enroll as Apprentices and journey-level workers sufficient numbers of skilled craft persons who are Residents and Disadvantaged Residents to enable Contractors to satisfy the Percentage Requirements on Covered Projects, and to meet the needs of the industry generally. The Unions will utilize all available mechanisms and relationships with the JATCs to refer to Covered Projects qualified and available Residents and Disadvantaged Residents. In addition, for purposes of the Local Hiring Program, notwithstanding any other provisions of this Agreement:
- 18.8.1 The Unions agree to accept requests of Contractors for Residents and Disadvantaged Residents on Covered Projects; that in performance of Covered Work, Residents and Disadvantaged Residents qualify as "name calls" (or "rehire" or similar term) for purposes of referral and hiring under the MLAs and hiring hall rules; and that Residents and Disadvantaged Residents shall be referred

to requesting Contractors as needed in order for Contractors to satisfy percentage requirements of the Local Hiring Program, and otherwise under same terms as other workers referred as name calls.

- 18.8.2 In limited circumstances where Section 18.8.1 conflicts with a Union's hiring hall rules, that Union shall refer Residents and Disadvantaged Residents actively searching for work to those Contractors who have provided the requisite information regarding staffing needs as set forth in Section 18.3.1, to ensure the Contractor can fulfill Local Hiring Program percentages on the Covered Project.
- 18.9 The Council and the Coordinator shall conduct a quarterly meeting or conference call with Union representatives, reminding them of the Percentage Requirements and referral procedures pursuant to this Agreement, and to discuss and address any issues arising in implementation.
- 18.10 Proposition 209 Repeal. If Article I, Section 31 of the California Constitution (*a.k.a* Proposition 209) is repealed during the term of this Agreement, and if the County, acting through the Board of Supervisors, subsequently establishes race- and/or gender-conscious percentage hiring requirements applicable to Covered Projects, then Parties shall meet and confer to discuss implementation of such requirements through this Agreement.

ARTICLE 19

REPORTING

- 19.1 This article describes reporting guidelines and responsibilities for parties signatory to this Agreement.
- 19.2 On a monthly basis, Contractors must submit reports on the status and progress of local hiring on a craft by craft basis, including utilization of Apprentices.
- 19.3 The Coordinator shall develop and maintain a current list of Disadvantaged Residents who are available to work on the Covered Projects. The Council shall assist with development of this list. The Coordinator shall provide the list to Contractors as set forth in Section 18.3.3.
- 19.4 Upon request from the Coordinator (but no more frequently than quarterly), the Unions shall make best efforts to provide available information regarding apprenticeship program advancement and employment status of Disadvantaged Residents who were newly enrolled in JATC apprenticeship programs pursuant to the Local Hiring Program.
- 19.5 On an annual basis, the Unions and the County shall jointly prepare and submit a report for the Board of Supervisors' review. This report shall include but not be limited to the Local Hiring Program, as well as challenges and benefits of this Agreement.

ARTICLE 20

HELMETS TO HARDHATS: VETERAN EMPLOYMENT

- 20.1 The Contractors and the Unions recognize a desire to facilitate the entry into the building and construction trades of veterans who are interested in careers in the building and construction industry. The Contractors and Unions agree to utilize the services of the Center for Military Recruitment, Assessment and Veterans Employment (hereinafter "Center) and Center's "Helmets to Hardhats" program to serve as a resource for preliminary orientation, assessment of construction aptitude, referral to apprenticeship programs or hiring halls, counseling and mentoring, support network, employment opportunities and other needs as identified by the Contractors and the Unions.
- 20.2 The Unions and Contractors agree to coordinate with the Center to create and maintain an integrated database of veterans interested in working on the Covered Project and of apprenticeship and employment opportunities for this Covered Project. To the extent permitted by law, the Unions will give credit to such veterans for bona fide, provable past experience.

ARTICLE 21

NON-DISCRIMINATION

- 21.1 The Unions and Contractors shall not discriminate against any employee or applicant for employment based on race, national origin, religion, sex, sexual orientation, political affiliation, membership in a labor organization, or any other basis recognized by law, in hiring and dispatching workers for the project.

ARTICLE 22

GRIEVANCE PROCEDURE

- 22.1 All disputes concerning the interpretation and/or application of this Agreement that do not fall within the Article 11 No-Strike/No-Lockout procedure, or Article 6 Work Assignments and Jurisdictional Disputes, shall be governed by the following grievance and arbitration procedure. The County may intervene and become a party to any grievance pursuant to this Agreement, as set forth below. Dispute resolution and enforcement procedures in this Agreement do not replace or affect the availability to County of contractual remedies and enforcement mechanisms set forth in prime contracts or County contract administration guidelines and procedures.

22.2 Grievances regarding interpretation and/or application of this Agreement shall be pursued according to the following provisions:

22.2.1 A grievance shall be considered null and void if not brought to the attention of the parties within ten (10) working days after the grievance is alleged to have occurred but in no event more than thirty (30) days after the charging party became aware of the event giving rise to the dispute. The grieving party shall give notice of the grievance to the Coordinator.

22.2.2 Grievances regarding provisions of this Agreement shall be settled or otherwise resolved according to the following Steps and provisions. Upon mutual request by the parties to the grievance, the Coordinator may facilitate the processing of disputes under this Article, including the scheduling and arrangement of facilities for meetings, administration of the selection of the arbitrator to hear the case (including coin toss), and any other administrative matters necessary to facilitate the timely disposition of the dispute. However, it is the responsibility of the principal parties to any pending dispute to ensure that the applicable time limits outlined in this Article are met.

Step 1: The parties' representatives shall attempt to resolve the grievance with the participation of the relevant craft supervisor or steward.

Step 2: In the event the matter remains unresolved in Step 1 above, within five (5) working days, the grieving party shall reduce the grievance to writing provide such written account of the grievance to all responding parties, with a copy to the County, for discussion and resolution. The County may join the grievance as a grieving or responding party within thirty (30) days after receiving such notice.

Step 3: In the event that the representatives are unable to resolve the dispute with approval of all parties by the date five (5) working days after its referral to Step 2, then any involved party may submit it within the next five (5) working days to the Joint Administrative Subcommittee, established in Section 8.2, which shall meet within five (5) working days after such submission (or such longer time as is mutually agreed upon by the representatives on the Joint Administrative Subcommittee) in an attempt to resolve the grievance. Regardless of which party has initiated the grievance proceeding, prior to the meeting of the Joint Administrative Subcommittee, the Union shall notify its international union representative(s), which shall advise all parties if it intends on participating in the meeting. The participation by the International Union Representative in this Step 3 meeting shall not delay the time set herein for the meeting, unless otherwise mutually agreed by all parties. Decisions by the Joint Administrative Subcommittee shall be by majority vote with such resolutions to be final and binding on all parties to the grievance.

Step 4: If the dispute is not resolved by the Joint Administrative Subcommittee within 10 days after submission to the Joint Administrative Subcommittee, then the grieving party may, within five (5) working days, initiate submission of the dispute to arbitration. The time limits set out in this procedure may, upon agreement of all parties to the grievance, be extended. Initiation of submission to arbitration, request for extension of time limits, and agreement to extend such time limits, shall be in writing with copies to all parties in order to be effective.

Step 5: Within seven (7) calendar days after arbitration initiation pursuant to Step 4, the parties to the grievance shall choose an arbitrator for final and binding arbitration. The arbitrator shall be selected by the alternate striking method from the following list. If there are more than two parties to the grievance, alternate strikes shall be between grieving as a group and responding parties as a group. The party or group who shall strike the first name shall be selected by the toss of a coin. (1) Barbara Kong-Brown; (2) Morris Davis; (3) Robert Hirsch; (4) William Riker; (5) Katherine Thomson; (6) Carol Vendrillo; (7) David Weinberg; (8) Joel Schaffer; (9) Martin Gran. Should all grieving or all responding parties to the procedure fail or refuse to participate in the hearing, if the Arbitrator determines that proper notice of the hearing has been given, said hearing shall proceed to a default award. The Arbitrator's award shall be final and binding on all parties to the arbitration. The costs of the arbitration, including the arbitrator's fee and expenses, shall be borne equally by the parties to the arbitration. If there are more than two parties to the arbitration, the costs of arbitration shall be borne equally between the grieving parties as a group and responding parties as a group. The Arbitrator's decision shall be confined to the question(s) posed by the grievance and the Arbitrator shall not have authority to modify amend, alter, add to, or subtract from, any provisions of this Agreement.

22.3 Should any of the arbitrators listed in this Article or Article 11 no longer work as a labor arbitrator, the City and the Council shall mutually agree to a replacement.

22.4 Where an issue is addressed in this Agreement and an MLA, this Agreement shall prevail. Where an issue is addressed in an MLA and not in this Agreement, the MLA shall control. Grievances between a Union(s) and a Union(s)' signatory contractor involving interpretation or application of the Master Agreement shall be governed by the grievance procedures contained in the Master Agreement. All disputes involving the discipline and/or discharge of an employee shall be resolved through the grievance and arbitration provisions contained in the Master Labor Agreement for the craft of the affected employee. This Agreement shall not displace provisions of MLAs that prohibit workers from being disciplined or discharged without just cause.
