DISCUSSION/SUMMARY:

In March of 2021, President Biden signed into law the American Rescue Plan Act (ARPA) of 2021, Public Law (P.L.) 117-2. The intent of ARPA was to provide economic relief to communities, states, and local governments, individuals, and businesses impacted by COVID-19. The ARPA Community

Based Child Abuse Prevention supplemental grant was designated to be used towards the planning for child abuse prevention activities and providing primary and secondary services that are community-based, prevention-focused, and consistent with the intent and provisions found in the Community-Based Child Abuse Prevention grants (5116 and 5116e of Title 42 of the United States Code). ARPA Community Based Child Abuse Prevention presents the Alameda County Social Services Agency's (SSA) Department of Children and Family Services (DCFS) with the opportunity to provide concrete support for the safety and well-being of children, youth, parents, and families. Examples of concrete supports can include, but are not limited to, assistance with food, shelter, financial stability, clothing, and health care. By providing resources directly to families, they are able to address basic and material needs that impact their abilities when addressing life events. The Contractors will provide services and support to Black, Indigenous, People of Color (BIPOC), and lesbian, gay, bisexual, transgender, and queer (LGBTQ) children and families of children 0-17 years old, as well as communities who have been historically underserved, marginalized, and adversely affected by persistent poverty.

The contract amount covers the administration of concrete supports, as well as the allocation of concrete support funds to eligible individuals and families through five contractors serving as fiscal agents. These funds will be disbursed directly to eligible individuals and families for services outlined in the contract.

SELECTION CRITERIA/PROCESS:

The SSA-DCFS has determined that Alameda County does not currently have the resources to provide concrete supports through the ARPA Community Based Child Abuse Prevention.

The SSA-DCFS worked with General Services Agency (GSA)–Procurement to develop a Request for Proposal (RFP), which was issued on May 24, 2024, posted on the County and GSA LinkedIn websites for 39 days, emailed to the Chambers of Commerce e-mail group and sent to the E-Gov Professional Services – Current Contract Opportunities mailing service. The RFP was also advertised in the Inter-City Express on May 29, 2024, and the Sing Tao (San Francisco) on May 29, 2024. A vendor outreach was conducted on May 29, 2024, followed by one networking/bidders' conference on May 30, 2024, which was attended by 20 attendees representing 12 vendors.

On July 2, 2024, six bidders submitted responses to the RFP. One bidder was disqualified for not submitting a revised bid form as required. The remaining five responses were evaluated and interviewed by the County Selection Committee. A maximum total of 500 evaluation points was available for this RFP.

All five bidders, BANANAS, Inc., East Bay Agency for Children, Family Support Services, Safe Passages, Alliance for Community Wellness dba La Familia/FESCO are being recommended for award.

This contract includes ARPA federal funding that is regulated through federal regulations 5116 and 5116e of Title 42 of the United States Code; therefore, the Federal Small Local Emerging Business (SLEB) waiver was granted by the Auditor-Controller Agency, Office of Contract Compliance & Reporting for BANANAS, Inc. (SLEB Waiver #F2489-A), East Bay Agency for Children (SLEB Waiver #F2489-B), Family Support Services (SLEB Waiver #F2489-C), Safe Passages (SLEB Waiver #F2489-
