Given Alameda County's dedication to sustainability, would it be acceptable to submit a PDF version of the Bid Response Packet (Exhibit A) via email instead?</p>	<p>Emailing a pdf may pose technical issues. Emailing a pdf version of a proposal is acceptable provided a <b>second email is sent without the attachment</b> to ensure we are aware of the Bidder's intention to submit and can contact the Bidder in the event the email with the attachemnt does not arrive, as expected.
