SLEB INFORMATION SHEET

In order to meet the Small Local Emerging Business (SLEB) requirements of this RFP, all Bidders must complete this form. If a bidder is unable to meet the SLEB requirements, they must take exception to this requirement in the [Exceptions and Clarifications](#) section of this solicitation. Please note that the County is under no obligation to accept any exceptions or clarifications, and any exceptions or clarifications may be the basis for bid disqualification.

Bidders that are not certified SLEBS (for the definition of a SLEB, see [Alameda County SLEB Program Overview; http://acgov.org/auditor/sleb/overview.htm](#)) are required to subcontract with a SLEB for at least 20% of the total estimated bid amount in order to be eligible for contract award. SLEB subcontractors must be independently owned and operated from the prime Contractor with no employees of either entity working for the other. A copy of this form must be submitted for each SLEB that the Bidder will subcontract with as evidence of a firm contractual commitment to meeting the SLEB participation requirement.

Bidders are encouraged to form a partnership with a SLEB that can participate directly with this contract. One of the benefits of the partnership will be economical, but this partnership will also assist the SLEB to grow and build the capacity to eventually bid as a prime on their own.

Once a contract has been awarded, substitutions of the named subcontractor(s) are not allowed without prior written approval from the Auditor-Controller, Office of Contract Compliance & Reporting (OCCR).

County departments, prime, and subcontractors are required to use the web-based Elation Systems to monitor SLEB subcontractor compliance with [Elation Systems; http://www.elationsys.com/elationsys/](#).

COUNTY OF ALAMEDA
THE IRAN CONTRACTING ACT (ICA) OF 2010
For Procurements of \$1,000,000 or more

The California Legislature adopted the Iran Contracting Act (ICA) to respond to policies of Iran in a uniform fashion (PCC § 2201(q)). The ICA prohibits persons engaged in investment activities in Iran from bidding on, submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars (\$1,000,000) or more (PCC § 2203(a)). A person who “engages in investment activities in Iran” is defined in either of two ways:

1. The person provides goods or services of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or
2. The person is a financial institution (as that term is defined in 50 U.S.C. § 1701) that extends twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created by the California Department of General Services (DGS) pursuant to PCC § 2201(b) as a person engaging in the investment activities described in paragraph 1 above.

By signing below, I hereby certify that as of the time of bidding or proposing for a new contract or renewal of an existing contract, neither I nor the company I own or work for are identified on the DGS list of ineligible persons and neither I nor the company I own or work for are engaged in investment activities in Iran in violation of the Iran Contracting Act of 2010.

If either I or the company I own or work for are ineligible to bid or submit a proposal or to renew a contract, but I believe I or it qualifies for an exception listed in PCC § 2202(c), I have described in detail the nature of the exception:
