SECTION 1

NOTICE OF REQUEST FOR PRE- QUALIFICATION OF GENERAL CONTRACTORS

SECTION 1

NOTICE OF REQUEST FOR PRE-QUALIFICATION OF GENERAL CONTRACTORS

Notice is hereby given that The County of Alameda ("County") General Services Agency ("GSA") will receive Pre-qualifications for the following Contracts:

Job Order Contract #'s: 25089, 25090; Master Contract #'s: 902604, 902605; Job Order Contracting for repair, remodeling, and other repetitive work.

("Project" or "Contract").

The County's competitive selection process will proceed in two steps as follows:

Step 1: The Construction General Contractor Pre-Qualification phase.

Step 2: Submittal of bids according to the requirements of the Construction Documents. Only those General Contractors ("Contractors") that are successfully prequalified in Step 1 will be allowed to participate in Step 2.

GENERAL DESCRIPTION OF THE CONTRACT

The County, GSA is seeking to prequalify contractors to bid on best value Job Order Contracts (JOC). Each JOC is an indefinite quantity contract pursuant to which the Contractor will perform a variety of projects, consisting of specific construction tasks, at different locations. The scope of work for the JOC Contracts is for general major maintenance, ADA improvements, repair, remodel, and other repetitive related work to be performed for the County. The County may use these JOC Contracts for job orders that utilize federal funds.

The County will utilize a Unit Price Book (UPB) containing a series of tasks with preset Unit Prices. The UPB was developed using experienced labor and high-quality materials. All Unit Prices are based on local labor, material and equipment prices including the current prevailing wages. The UPB may be updated periodically at the County's discretion and will be updated prior to executing an option year. The Contractor will bid on Adjustment Factors to be applied to the Unit Prices for the entire duration of contract. The price of an individual project will be determined by multiplying the preset Unit Prices and the appropriate quantities by the appropriate Adjustment Factor.

Those Bidders who are prequalified during this process will be eligible to submit bids for the best value JOC contracts. Bids will be evaluated on the basis of best value to the County. Each Contract will be awarded to the responsible and responsive bidder whose bid is determined by the County to provide the County with the best value.

Upon Pre-Qualification of General Contractors, request for sealed bids will be issued for best value evaluation of the Pre-Qualified General Contractors for the identified JOC contracts. The Pre-

Qualified Contractors list will remain valid for one year and may be utilized for the best value procurement of subsequent JOC contracts.

General Contractors who are interested in applying for Prequalification must attend the **Mandatory Virtual Pre-Submittal Conference**. To attend online via Microsoft Teams visit: [Join the meeting now](#) (Meeting ID: 250 305 360 25; Passcode: xW3jr2pJ) or dial in (audio only) +1 415-915-3950 (Phone Conference ID: 606 247 139#).

LICENSE REQUIREMENTS

B – General Contractor License

The Contractor's license(s) must remain active and in good standing.

NOTICE OF PRE-QUALIFICATION REQUIREMENTS

Notice is hereby given that the County has determined that all bidders on the Contract must be pre-qualified prior to submitting a bid. It is mandatory that all Contractors, who intend to submit a bid, fully complete the Pre-Qualification Questionnaire Document, and provide all materials requested herein and be approved by the County to be on the final qualified Bidders list. No bid will be accepted from a Contractor that has failed to comply with these requirements. If two or more business entities submit a bid as part of a Joint Venture, or expect to submit a bid as part of a Joint Venture, each entity within the Joint Venture must be separately qualified to bid.

Answers to questions contained in the Pre-Qualification Questionnaire, information about current bonding capacity, and notarized statement from surety with accompanying notes and supplemental information, are required. The County will use these documents as the basis of rating Contractors. The County reserves the right to check other sources available. The County's decision will be based on objective evaluation criteria.

The intent of the Pre-Qualification Questionnaire and supporting information required is to assist the County in determining bidder responsibility prior to submission of bids. Neither the fact of pre-qualification, nor any pre-qualification rating, will preclude the County from a post-bid consideration and determination of whether a bidder has the quality, fitness, capacity and experience to satisfactorily perform the proposed work, and has demonstrated the requisite trustworthiness.

A Contractor will not be considered as qualified for bidding on this Contract until the Contractor has met the requirements of the County. In addition, a Contractor may not be considered qualified for either: (1) omission of requested information, or (2) falsification of information.

IMPORTANT PROVISIONS OF THE PUBLIC CONTRACT CODE RELATED TO PRE-QUALIFICATION

In 1999, the California Legislature enacted a law that allows many public agencies, including Alameda County, to require licensed Contractors that wish to bid for public works jobs to "pre-

qualify” for the right to bid on a specific public work project, or on projects undertaken by a public agency during a specified period of time. Public Contract Code Section 20101 has the relevant provisions.

The County of Alameda has chosen to adopt the pre-qualification process described in Public Contract Code Section 20101 for this Project. Section 20101 requires every public agency that creates a pre-qualification procedure to: (1) use a standardized questionnaire (2) adopt and apply a uniform system of rating bidders on objective criteria, on the basis of the completed questionnaire, and (3) create an appeals procedure, by which a Contractor that is denied pre-qualification may seek a reversal of that determination.

COMPLIANCE WITH THE UNIFORM GUIDANCE (2 CFR PART 200)

The Contract will comply with all requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) including all relevant provisions of 2 CFR Part 200, Appendix II. Please see Attachment 2.

PUBLIC RECORD / CONFIDENTIALITY

The Pre-Qualification Documents (questionnaire answers) submitted by Contractors are not public records and are not open to public inspection. All information provided will be kept confidential to the extent permitted by law. However, the contents may be disclosed to third parties for purpose of verification, or investigation of substantial allegations, or in an appeal hearing. State law requires that the names of Contractors applying for pre-qualification status shall be public records subject to disclosure; the Contact Information page of the questionnaire will be used for that purpose.

PROJECT STABILIZATION/COMMUNITY BENEFITS AGREEMENT (PSCBA)

The Contract is subject to the requirements of the “Project Stabilization/Community Benefits Agreement for the County of Alameda” (“PSCBA”). Each of the individual Job Orders are subject to the requirements of the PSCBA, as described in Attachment 2.

In consideration of the award of a Contract to perform the Work, the Contractor will agree to be party to and bound by the PSCBA. Pre-Qualified Contractors will be required to accept and acknowledge that they will meet the PSCBA requirements and goals, for all individual Job Orders and agree to execute the PSCBA Letter of Assent and shall require all of their Subcontractors, of whatever tier, to be similarly bound for all Work within the scope of an individual Job Order, by signing an identical Letter of Assent.

COUNTY OF ALAMEDA RIGHTS

The County reserves the right to waive minor irregularities and omissions in the information contained in the pre-qualification application submitted, to make all final determinations, and to determine at any time that the pre-qualification procedures will not be applied to a specific future public works project.

The County may refuse to grant pre-qualification where the requested information and materials are not provided, or not provided by the date specified above. There is no appeal from a refusal for an incomplete or late application. The closing date and time for pre-qualification submittals will not be changed in order to accommodate supplementation of incomplete submissions, or late submissions.

The County reserves the right to accept pre-qualification applications despite minor irregularities and omissions in the information that would otherwise serve to disqualify a Contractor. The County reserves the right to make all final pre-qualification determinations and to determine at any time that the pre-qualification procedures will not be applied to the Project.

The County reserves the right to adjust, increase, limit, suspend or rescind the pre-qualification rating based on subsequently learned information. Contractors whose rating changes sufficient to disqualify them will be notified and given an opportunity for a hearing consistent with the hearing procedures described for appealing a pre-qualification rating.

PREQUALIFICATION PROTEST PROCESS

Where the scoring of a timely submitted and complete Pre-Qualification Document results in a rating below that necessary to pre-qualify, a protest can be made by a non-qualifying Contractor. Upon request, the County will provide the non-qualifying Contractor, in writing, the basis for its disqualification and any copies of supporting evidence that has been received from others or adduced as a result of the County's own investigation.

Any Prequalification protest by any Prospective Bidder regarding prequalification must be submitted in writing to the County's GSA–Office of Acquisition Policy, ATTN: Contract Compliance Officer, located at 1401 Lakeside Drive, 10th Floor, Oakland, CA 94612, Email: GSA-BidProtests@acgov.org, before 5:00 p.m. of the FIFTH (5th) business day following the date of issuance of the Notice of Qualification, not the date received by the Prospective Bidder. A Prequalification protest received after 5:00 p.m. is considered received as of the next business day.

- The Prequalification protest must contain a complete statement of the reasons and facts for the protest.
- The Prequalification protest must refer to the specific portions of all documents that form the basis for the protest.
- The Prequalification protest must include the name, address, email address, fax number and telephone number of the person representing the protesting party.
- Upon receipt of written Prequalification protest, GSA–Office of Acquisition Policy, or designee, will review and evaluate the protest and issue a written decision. The GSA–Office of Acquisition Policy, may, at its discretion, investigate the protest, obtain additional information, provide an opportunity to settle the protest by mutual agreement, and/or schedule a meeting(s) with the protesting Prospective Bidder and others (as appropriate) to discuss the Prequalification protest. The decision on the Prequalification protest will be issued at least ten (10) business days prior to the Step 2 Bidding Process.

- The decision will be communicated by e-mail, fax, or US Postal Service mail, and will inform the prospective bidder whether or not the Notice of Prequalification is going to change.
- The decision of the GSA-Office of Acquisition Policy on the Prequalification protest may be appealed to the Auditor-Controller's Office of Contract Compliance & Reporting (OCCR) located at 1221 Oak St., Room 249, Oakland, CA 94612, Fax: (510) 272-6502 unless the OCCR determines that it has a conflict of interest in which case an alternate will be identified to hear the appeal and all steps to be taken by OCCR will be performed by the alternate. The Prospective Bidder whose Prequalification is the subject of the protest, all Prospective Bidders affected by the GSA-Office of Acquisition Policy's decision on the protest, and the protestor have the right to appeal if not satisfied with the GSA-Office of Acquisition Policy's decision. All appeals to the Auditor-Controller's OCCR shall be in writing and submitted within five (5) business days following the issuance of the decision by the GSA-Office of Acquisition Policy, not the date received by the Prospective Bidder. An appeal received after 5:00 p.m. is considered received as of the next business day. An appeal received after the FIFTH (5th) business day following the date of issuance of the decision by the GSA-Office of Acquisition Policy shall not be considered under any circumstances by the GSA or the Auditor-Controller OCCR.
- The appeal shall specify the decision being appealed and all the facts and circumstances relied upon in support of the appeal.
- In reviewing Prequalification protest appeals, the OCCR will not re-judge the proposal(s). The appeal to the OCCR shall be limited to review of the prequalification process to determine if the contracting department materially erred in following the prequalification process or, where appropriate, County contracting policies or other laws and regulations.
- The appeal to the OCCR also shall be limited to the grounds raised in the original protest and the decision by the GSA-Office of Acquisition Policy. As such, a Prospective Bidder is prohibited from stating new grounds for a Prequalification protest in its appeal. The Auditor-Controller (OCCR) shall only review the materials and conclusions reached by the GSA-Office of Acquisition Policy or department designee, and will determine whether to uphold or overturn the protest decision.
- The Auditor's Office may overturn the results of a prequalification process for ethical violations by Procurement staff, County Selection Committee members, subject matter experts, or any other County staff managing or participating in the competitive bid process, regardless of timing or the contents of a bid protest.
- The decision of the Auditor-Controller's OCCR is the final step of the appeal process. A copy of the decision of the Auditor-Controller's OCCR will be furnished to the protestor.
- The procedures and time limits set forth in this paragraph are mandatory and are each Prospective Bidder's sole and exclusive remedy in the event of Prequalification Protest. A Prospective Bidder's failure to timely complete both the Prequalification protest and appeal procedures shall be deemed a failure to exhaust administrative remedies. Failure to exhaust administrative remedies, or failure to comply otherwise with these procedures, shall constitute a waiver of any right to further pursue the Prequalification protest, including filing a Government Code Claim or legal proceedings.

SCORING APPROACH

The rating of the Contractor will result from consideration of the scores attained in parts II, III and IV of the questionnaire. The successfully qualified General Contractor must achieve a passing score in all three parts of the questionnaire. The scores achieved for the three scored parts are not aggregated to a "total score" to achieve a pass-fail rating. Rather, each part is stand-alone and must be passed sequentially. The Scoring Worksheet for all parts of this document can be found at the last section of this document.

PART I: INFORMATION ABOUT THE CONTRACTOR

This part applies to the Contractor and is for identification purposes only. There is no scoring value to Part I. For passing through this part, the Contractor must be able to answer the questions so that the aggregate score for all questions in this part is **equal to or greater than 65 points of the possible maximum score of 130**. If the Contractor passes Part III, consideration of its qualifications will proceed to Part IV.

PART IV: RECENT CONSTRUCTION PROJECTS COMPLETED

This part is comprised of a series of questions relating to the Contractor's performance on three (3) completed projects of similar quality, size, scope and cost. These three (3) projects will involve a short set of reference questions.

PART V: REFERENCE QUESTIONS

The identified owner's representative for each project in Part IV above, will be contacted by the County's staff and will be asked be asked 17 questions, of which 16 questions have a score value range of 1 to 10. The Contractor must be given a score value for each question so that the aggregate score for all questions in this part is **equal to or greater than 85 points of the possible maximum score of 170**. If the Contractor passes Part IV, after having also passed Parts II and III, it is considered qualified.
