Detailed Scope of Work

Date: March 14, 2017 2:33 pm

Work Order No.: 17020-10020.0

Work Order Name: Ashland Youth Center Fence Upgrades

Location: 16335 East 14th Street San Leandro CA

Brief Scope: Increase the overall fence height to 10 feet tall for the fence that surrounds the toddler play area located at the Ashland Youth Facility (16355 East 14th Street, San Leandro, Ashland unincorporated district.) Utilize conceptual drawings as provided by Contractor to create a metal extension on top of the current stucco fence. Appearance and finish of this extension to match existing fence (polyurethane teal painted steel) located at the main entrance of the building. Supply shop drawings/sketches with submittal package with notes to clarify any deviance from conceptual drawings. Modify existing shade structure as to not interfere with new fence height. Supply specific details of plans for shade modification. All trades work to be performed during normal business hours.

The following items detail the scope of work as discussed at the site. All requirements necessary to accomplish the items set forth below shall be considered part of this scope of work:
