*** * * Notice about HealthPAC and insurance through Medi-Cal * * ***

Dear First, Last Name:

You are currently enrolled in HealthPAC, but HealthPAC is not insurance. Starting January 1, 2020, you may qualify for insurance through Medi-Cal.

Full-scope Medi-Cal:

- Will cover people under 26 years old, regardless of immigration status.
- Is insurance, so it covers health care in more places than HealthPAC.
- Covers more than just emergency care.
- Provides FREE or low-cost medical, dental, mental health, and vision (eye) care.

You can enroll in Restricted-Scope Medi-Cal, also known as “emergency” Medi-Cal now, so that you automatically transition to full-scope Medi-Cal on January 1, 2020.

To get help enrolling into emergency Medi-Cal, please contact your Medical Home at:
