AGENDA 13. September 8, 2016

August 31, 2016

Honorable Commissioners
Alameda Local Agency Formation Commission

Subject: CALAFCO Legislative Committee Report

Dear Commissioners:

The California Association of Local Agency Formation Commissions (CALAFCO) Legislative Committee is winding down for this legislative year. Attached is the most current list of bills being tracked by the Legislative Committee (Attachment 1). Since July 14, 2016, when your Commission was last updated, the Legislative Committee has received updates via email.

The two CALAFCO sponsored bills, AB 2910 (Committee on Local Government) and SB 1266 (Maguire), were signed by the Governor on August 22nd. AB 2910 is the annual omnibus bill where CALAFCO made non-substantive, technical corrections to the Cortese-Knox-Hertzberg Act. SB 1266 creates a direct communication link between joint powers authorities and LAFCos. One bill supported by CALAFCO, AB 2032 (Linder), which cleans up some of the language in disincorporation statutes, was also signed by the Governor on August 22nd. Another CALAFCO supported bill, SB 817, which would restore vehicle license fee funding to cities that incorporated between 2004 and 2012, is in the Senate awaiting a vote.

CALAFCO opposed two bills, including AB 2471 (Quirk) which would require Alameda LAFCo to dissolve the Eden Township Healthcare District if certain criteria were met. AB 2471 died on the Senate floor while AB 2414 (Garcia) which would require Riverside LAFCo to approve the expansion of the Desert Healthcare District passed the Senate and is heading back to the Assembly for concurrence with amendments made on the Senate side.

Other bills that CALAFCO has been following include AB 2470 (Gonzalez) which would require the extension of water services to tribal lands in San Diego without annexation if criteria were met; SB 1262 (Pavley) which focuses on water supply planning; SB 1263 (Wieckowski) which deals with water system permitting and gives the State Water Resources Control Board (SWRCB) additional authority to deny permits for new systems; and SB 552 (Wolk) which is a follow up bill to last year's SB 88 that authorized SWRCB to consolidate water systems that meet certain criteria. AB 2470, SB 1262, and SB

Honorable LAFCo Commissioners
August 31, 2016
Page 2

552 are headed to the Governor's desk for signature. SB 1263 is back on the Senate floor awaiting concurrence with amendments made in the Assembly.

The 2016 CALAFCO Annual Conference in Santa Barbara includes a legislative update on October 28th. No further Legislative Committee meetings are expected until after the Annual Conference.

Sincerely,

Mona Palacios
Executive Officer

AB 2032 (Linder R) Change of organization: cities: disincorporation.

Current Text: Chaptered: 8/22/2016 [pdf](#) [html](#)

Introduced: 2/16/2016

Last Amended: 6/6/2016

Status: 8/22/2016-Chaptered by Secretary of State - Chapter No. 163, Statutes of 2016

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, requires the executive officer of a local agency formation commission to prepare a comprehensive fiscal analysis for any proposal that includes a disincorporation, as specified. This bill would additionally require the comprehensive fiscal analysis to include a review and documentation of all current and long-term liabilities of the city proposed for disincorporation and the potential financing mechanism or mechanisms to address any identified shortfalls and obligations, as specified.

CALAFCO Comments: This bill is sponsored by the County Auditor's Association. After working closely with the author's office and the sponsor's representative, the bill has been substantially amended. The amendments in the April 5, 2016 version of the bill eliminate all of CALAFCO's concerns, and as a result we have removed our opposition. The amendments reflected in the April 11, 2016 version reflect the addition of one item inadvertently omitted by the author and a requested change in the ordering sequence by CALAFCO. The amendments in the June 6 version make a minor change to align with AB 2910. All amendments are minor and have been agreed to by CALAFCO and the other stakeholders with whom we worked last year on AB 851 (Mayes).

AB 2277 (Melendez R) Local government finance: property tax revenue allocation: vehicle license fee adjustments.

Summary:

Beginning with the 2004-05 fiscal year and for each fiscal year thereafter, current law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a Vehicle License Fee Property Tax Compensation Fund that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise required to be allocated to educational entities. This bill would modify these reduction and transfer provisions for a city incorporating after January 1, 2004, and on or before January 1, 2012, for the 2016-17 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation.

CALAFCO Comments: UPDATE: This bill failed to make it out of the Assembly Appropriation Suspend File and has died.

As introduced, this bill is identical to SB 817 (Roth, 2016) except that it does not incorporate changes to the R&T Code Section 97.70 related to AB 448 (Brown, 2015). The bill calls for reinstatement of the VLF through ERAF for cities that incorporated between January 1, 2004 and January 1, 2012. There are no provisions for back payments for lost revenue, but the bill does reinstate future payments beginning in the 2016/17 year for cities that incorporated between 1-1-2004 and 1-1-2012.

AB 2470 (Gonzalez D) Municipal water districts: water service: Indian tribes.

Summary:

Current law authorizes a district to sell water under its control, without preference, to cities, other public corporations and agencies, and persons, within the district for use within the district. Current law authorizes a district to sell or otherwise dispose of water above that required by consumers within the district to any persons, public corporations or agencies, or other consumers. This bill, upon the request of an Indian tribe and the satisfaction of certain conditions, would require a district to provide service of water at substantially the same terms applicable to the customers of the district to an Indian tribe's lands that are not within a district, as prescribed, if the Indian tribe's lands meet certain requirements and the Indian tribe satisfies prescribed conditions.

Position: Watch With Concerns

Subject: Water

CALAFCO Comments: As amended, this bill requires a water agency to provide water service upon request of an Indian tribe and under certain conditions, to the tribe at substantially the same terms as existing customers of the water district even though no annexation of the land to be serviced is required. The proposed process bypasses entirely the LAFCo process and requires the water agency to provide the service without discretion. The author contends the criteria for qualification as outlined in the bill applies only to the Sycuan Indian tribe in San Diego. CALAFCO solicited feedback from members and based on the responses there are no other Indian tribes (at least for which LAFCo is aware) to which that criteria applies.

AB 2910 (Committee on Local Government) Local government: organization: omnibus bill.

Summary:

Under current law, with certain exceptions, a public agency is authorized to exercise new or extended services outside the public agency's jurisdictional boundaries pursuant to a fire protection contract only if the public agency receives written approval from the local agency formation commission in the affected county. Current law defines the term "jurisdictional boundaries" for these purposes. Current law, for these purposes, references a public agency's current service area. This bill would revise these provisions to remove references to a public agency's current service area and instead include references to the public agency's jurisdictional boundaries.

Subject: CKH General Procedures

CALAFCO Comments: This is the annual Omnibus bill that makes minor, non controversial changes to CKH. This year, the bill makes several minor technical changes, corrects obsolete and incorrect code references, and corrects typographical errors. Affected sections include: 56301, 56331, 56700.4, 56816, 56881, 57130 and 56134.

Summary:

The Sustainable Groundwater Management Act authorizes the State Water Resources Control Board to designate a basin as a probationary basin if the state board makes a certain determination and to develop an interim plan for the probationary basin. This bill would require a city or county that determines a project is subject to the California Environmental Quality Act to identify any water system whose service area includes the project site and any water system adjacent to the project site. This bill would provide that hauled water is not a source of water for the purposes of a water supply assessment, as specified.

Attachments:[CALAFCO Letter of Concern March 2016](#)**Position:** Watch**Subject:** Water

CALAFCO Comments: As introduced, this complicated bill makes a number of changes to GC Section 66473.7 and Section 10910 of the Water Code. In 66473.7, in the definitions section, the bill adds definitions pertaining to the use of groundwater by a proposed subdivision as the source of water. It adds an adopted groundwater sustainability plan as optional substantial evidence that the water system has sufficient water supply to meet the demands of the subdivision project. The bill adds that a groundwater basin identified by the State Water Resources Control Board (SWRCB) as a probationary basin is not considered a viable water supply.

Recent amendments removed CALAFCO's primary concern of the timing requirements of the water supply assessment, and returns the statute to its original state. Other concerns remain unaddressed in the bill including the ongoing discussion of the appropriate size of a project (is 500 units the appropriate threshold) and how this bill will deal with phased development. Based on stakeholder discussions with the author, these issues will not be addressed in this bill.

Summary:

Current law requires an agency or entity that files a notice of agreement or amendment with the Secretary of State to also file a copy of the original joint powers agreement, and any amendments to the agreement, with the Controller. This bill would require an agency or entity required to file documents with the Controller, as described above, that meets the definition of a joint powers authority or joint powers agency, as specified, that was formed for the purpose of providing municipal services, and that includes a local agency member, as specified, to also file a copy of the agreement or amendment to the agreement with the local agency formation commission in each county within which all or any part of a local agency member's territory is located within 30 days after the effective date of the agreement or amendment to the agreement.

CALAFCO Comments: This is a CALAFCO sponsored bill. As amended, the bill requires all stand-alone JPAs, as defined in GC Section 56047.7, which includes a member that is a public agency as defined in GC Section 56054, and are formed for the purposes of delivering municipal services, to file a copy of their agreement (and a copy of any amendments to that agreement) with the LAFCo in each county within which all or any part a local agency member's territory is located. Further it requires the JPA to file with the LAFCo within 30 days of the formation of the JPA or change in the agreement, and should they not file adds punitive action that the JPA shall not issue bonds nor incur indebtedness. Both of the latter changes are consistent with existing JPA statute.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 governs the procedures for the formation and change of organization of cities and special districts. This bill would additionally authorize a local agency formation commission to initiate a proposal by resolution of application for the annexation of a disadvantaged unincorporated community, as specified. This bill contains other related provisions and other current laws.

CALAFCO Comments: MOST RECENT UPDATE: As of June 15, CALAFCO was notified by the author's office they were dropping the bill. At the request of the author, CALAFCO provided a second set of proposed amendments that were focused solely on bringing all LAFCOs into compliance with SB 244. The sponsor of the bill ultimately could not agree to the proposed amendments, and as a result the author decided to drop the bill. CALAFCO's Oppose position will remain on record and we will continue to monitor the bill for any further activity.

PRIOR UPDATES: CALAFCO has been working closely with the author and sponsor on potential

amendments to improve the April 12 version of the bill. Substantial amendments were provided, and the bill as amended on June 1 reflect only a portion of those amendments.

As amended, the bill still provides no funding for LAFCo to conduct the required studies and for agencies to complete any service extensions or annexations, which is one of the biggest obstacles for these areas to receive the service. (CALAFCOs amendments included the Water Board and Regional Water Quality Boards as funding mechanisms.) The bill changes the definition of a DUC (different from what CALAFCO proposed), retains protest provisions for the DUC only, and requires LAFCo to hold public hearings as close in proximity to the DUC. Several important amendments that were included are the proposed change to 56653, the removal of the prohibition to LAFCo for annexing or extending services to an area if all DUCs in the area have not been served, it moves the DUC mapping requirements from the SOI/MSR section to the LAFCo Powers section.

Summary:

Would authorize a change in the appointment of the board of trustees of the San Mateo County Mosquito and Vector Control District. If a majority of the legislative bodies that include the city councils in, and the Board of Supervisors of, the County of San Mateo adopt resolutions approving the change in board composition and forward a copy of the resolution to the local agency formation commission, the bill would require the commission to adopt procedures for the reorganization of the board of trustees of the San Mateo County Mosquito and Vector Control District.

Position: Watch

CALAFCO Comments: As amended on June 22, this bill amends the Health and Safety Code by creating an alternative option to the appointment process to the board of trustees of the San Mateo County Mosquito and Vector Control District (previous versions were statewide - this version is district specific). The additional process calls for the City Selection Committee to make appointments rather than the cities themselves in a case where a majority of the city councils located within the district and are authorized to appoint a person to the board of trustees adopt resolutions approving of this alternate appointment process. No change is being made to how the County Board of Supervisors makes their appoint to the district board.

Summary:

Would authorize the expansion of the Desert Healthcare District to include the eastern Coachella Valley region by requiring the district to submit a resolution of application to the Riverside County Local Agency Formation Commission to initiate proceedings to expand the district. The bill would require the commission to order the expansion of the district subject to a vote of the registered voters residing within the territory to be annexed at an election following the completion of those proceedings.

Subject: Disincorporation/dissolution, LAFCo Administration

CALAFCO Comments: As amended, this bill requires Riverside LAFCo to approve the expansion of the district, providing a determination is made that the expansion is financially feasible. The bill requires the County of Riverside to file the application with the LAFCo by 1/1/17, and as the applicant, to pay all necessary fees. The bill gives Riverside LAFCo 150 days to conduct all proceedings and direct the election necessary to expand the district. While the amendments removed the unrealistic timelines prescribed in the original version, and removed the requirement for the LAFCo (and other agencies) to find a viable funding source for the expansion, the bill still divests Riverside LAFCo of its authority and discretion.

AB 2471 (Quirk D) Health care districts: dissolution.

Summary:

Would require the Alameda County local agency formation commission to order the dissolution of the Eden Township Healthcare District if that health care district meets certain criteria, as specified. The bill would subject a dissolution under these provisions to specified provisions of the act that require dissolution by voter approval only if a majority protest exists, as specified. By requiring a higher level of service from the Alameda County local agency formation commission to analyze the criteria described above, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Subject: CKH General Procedures, Disincorporation/dissolution, Special District Consolidations

CALAFCO Comments: As amended, the bill makes the language specific to Eden Township Healthcare District, rather than the more generic statewide original approach. However, the bills still divests Alameda LAFCo of their authority and discretion. The bill requires the Alameda LAFCo to review Eden Township Healthcare District's compliance with certain criteria set forth in the bill. If all of the prescribed criteria is met, the bill requires the LAFCo to order the dissolution of the district.

Summary:

Would require a person submitting an application for a permit for a proposed new public water system to first submit a preliminary technical report to the State Water Resources Control Board at least 6 months before initiating construction of any water-related improvement, as defined. Because a misstatement in the report could be a crime under the provision described above, this bill would impose a state-mandated local program by expanding the scope of a crime.

Position: Watch

Subject: Water

CALAFCO Comments: As amended, this bill would require an application for a permit for a proposed new public water system to first submit a preliminary technical report to the board at least 6 months before initiating construction of any water-related improvement, as defined.

The bill would allow the state board to direct the applicant to undertake additional discussion and negotiation with certain existing public water systems to provide an adequate and reliable supply of domestic water to the service area of the proposed new public water system and would require an applicant to comply before submitting an application for a permit to operate a system and would prohibit the application from being deemed complete unless the applicant has complied. The bill would authorize the board to deny the permit if the state board determines that the service area of the public water system can be served by one or more currently permitted public water systems. The

bill also prohibits a local primacy agency from issuing a permit to operate a public water system without the concurrence of the state board. The bill prohibits water hauling as a viable source of water supply.

Amendments done on June 8, 2016 raised a concern for CALAFCO in that Section 116527(e) addresses what the board may do upon review of a prelim tech report. Subsection (1) states they may direct the applicant to undertake additional discussions if they have not already gone to LAFCo. It further states the board will not do that if, among other things, the LAFCo has already denied the project. However, there is no indication that the board's direction for the applicant to undertake additional discussions is NOT a replacement for going to LAFCo. CALAFCO has requested an amendment to add clarifying language on this point.

Summary:

The California Public Records Act requires state and local agencies to make public records available for inspection, unless an exemption from disclosure applies. The act requires a response to a written request for public records that includes a denial of the request, in whole or in part, to be in writing. This bill instead would require the written response demonstrating that the record in question is exempt under an express provision of the act also to identify the type or types of record withheld and the specific exemption that justifies withholding that type of record.

CALAFCO Comments: As amended, this bill would require public agencies, including LAFCos, when responding to a Public Records Request for which a determination has been made to deny the request, to identify the types of records being withheld and the specific exemption that applies to that record. The amendments did little to mitigate concerns, as the change is minor. (Removed the requirement of having to list every document and now requires them to be categorized.)

CALAFCO understands this bill has been pulled by the author. We will continue to monitor.

Summary:

Current law requires the county auditor, in the case in which a qualifying city becomes the successor agency to a special district as a result of a merger with that district as described in a specified statute, to additionally allocate to that successor qualifying city that amount of property tax revenue that otherwise would have been allocated to that special district pursuant to general allocation requirements. This bill would make nonsubstantive changes to the provision pertaining to property tax revenue allocations to a qualifying city that merges with a special district.

Position: Watch

CALAFCO Comments: As introduced, this appears to be a spot bill. The bill targets Section 96.15 of the Rev & Tax code pertaining to property tax revenue allocations to a qualifying city that merges with a special district.

Summary:

The Ralph M. Brown Act requires the legislative body of a local agency to post, at least 72 hours before the meeting, an agenda containing a brief general description of each item of business to be transacted or discussed at a regular meeting, in a location that is freely accessible to members of the public and to provide a notice containing similar information with respect to a special meeting at least 24 hours prior to the special meeting. This bill would require an online posting of an agenda for a meeting occurring on and after January 1, 2019, of a legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state that has an Internet Web site to be posted on the local agency's primary Internet Web site homepage accessible through a prominent, direct link, as specified.

Position: Watch

Subject: LAFCo Administration

CALAFCO Comments: As amended, this bill amends GC Section 54954.2 pertaining to the online posting of a local agency's meeting agenda. The bill requires that online posting to have a prominent and direct link to the current agenda itself from the local agency's homepage. This means that LAFCOs will have to post a prominent link on their website's homepage, directly taking the user to the meeting agenda. Other requirements added in the April 11, 2016 version of the bill include: (1) The direct link to the agenda required shall not be in a contextual menu; (2) The agenda shall be posted in an open format that is retrievable, downloadable, indexable, and electronically searchable by commonly used Internet search applications; is platform independent and machine readable; is available to the public free of charge and without any restriction that would impede the reuse or redistribution of the public record.

Summary:

Would authorize a governing body of a special district, as defined, to require, by resolution, that the members of its governing body be elected using district-based elections without being required to submit the resolution to the voters for approval. This bill would require the resolution to include a declaration that the change in the method of election is being made in furtherance of the purposes of the California Voting Rights Act of 2001.

Position: Watch

CALAFCO Comments: As amended, this bill allows special districts, if approved by resolution of the governing board, to conduct elections of their governing board using district-based elections, without being required to submit the resolution to the voters for approval.

Summary:

Would require a nonprovider health care district, as defined, to spend at least 80% of its annual budget on community grants awarded to organizations that provide direct health services and not more than 20% of its annual budget on administrative expenses, as defined. The bill would require a nonprovider health care district to pay any amount required to be paid in the district's annual budget year by a final judgment, court order, or arbitration award before payment of those grants or administrative expenses, as specified.

Position: Watch**CALAFCO Comments:** This bill appears to be a companion bill to AB 2471 (Quirk) addressing the Eden Township Healthcare District, although it is written in generic form. Summary:

Would authorize the State Water Resources Control Board to order consolidation where a public water system or a state small water system is serving, rather than within, a disadvantaged community, and would limit the authority of the state board to order consolidation or extension of service to provide that authority only with regard to a disadvantaged community. This bill would make a community disadvantaged for these purposes if the community is in a mobilehome park even if it is not in an unincorporated area or served by a mutual water company. This bill contains other related provisions and other existing laws.

Position: Watch

Subject: Disadvantaged Communities, Water

CALAFCO Comments: As amended, the bill makes the CALAFCO requested change to the Health & Safety Code by amending 116682 (g) which gives LAFCo the approval to do what is necessary to complete a consolidation of two systems, should they be required to do so by the State Water Board. (Previous language technically divested LAFCo of that authority.)

Further, the bill adds provisions that give the SWRCB the authority to appoint an Administrator to a water system (as opposed to mandating consolidation), which is a kind of receivership.

CALAFCO Comments: UPDATE: This bill did not make it out of the Assembly Appropriations Suspense File and therefore died.

Sponsored by CSDA. As amended, the bill requires the Grand Jury to conduct an exit interview with report subjects to discuss and share findings. They may also provide a copy of the subject's report. The subject will have no less than 5 working days to provide written comments back to the Grand Jury for their consideration before the report is public. One the Grand Jury report is approved by a judge, the Grand Jury is required to provide a copy of the section pertaining to the subject to that entity no later than 6 working days prior to the reports public release. The subject entity can submit a preliminary response to the report to the Grand Jury, who is then required to make those prelim comments public at the time the report is made public.

This will allow LAFcos, when they are the subject of a Grand Jury report, to meet with the Grand Jury and hear their findings, and for the LAFco to respond to those findings and offer additional information or corrections. Further, it allows the LAFco to provide preliminary comments that are required to be posted with the report when it is made public.
