Alameda County Arts Commission Releases Call for Artists for New Artist Registry

(Oakland, CA) – The Alameda County Arts Commission invites visual artists to submit an application to the new Alameda County Artist Registry, a prequalified list of artists that will be used for upcoming public art opportunities managed by the Alameda County Arts Commission. Public art opportunities will include outdoor and indoor projects with a range of budgets and will be appropriate for artists working in a variety of materials and styles. The Artist Registry will be primarily used to commission visual artists to create new artwork, however, there may be opportunities to purchase or license existing artwork. Artists interested in being considered for public art opportunities with the Alameda County Arts Commission during the next 3 - 4 years should apply. The new Alameda County Artist Registry will include over 200 artists creating a wide range of artwork.

The Artist Registry is open to professional artists who live, are permanently employed, or rent/own an artist's studio in one of the following 14 counties: Alameda, Contra Costa, Marin, Napa, Sacramento, Santa Clara, Santa Cruz, San Francisco, San Joaquin, San Mateo, Solano, Sonoma, Stanislaus, and Yolo.
