### 3. Alameda County Adult Reentry Strategic Plan – Road to Reentry:

- a. Initial Plan was adopted by the Alameda County Board of Supervisors (BOS) in 2014
- b. 2019 Update was adopted by the BOS in 2020
- c. The Plan outlines vision statements (population statement and system statement), guiding principles, and overarching themes -
  - i. **Theme 1** - Reduce Recidivism (*Goal: To promote community safety and improve the quality of lives of all people in the community by reducing recidivism defined as: "rearrest, re-conviction, or return to incarceration/custody for people with conviction histories, with or without a new sentence within three years."*)
  - ii. **Theme 2** – High Quality, Comprehensive Wrap Around Services Beginning at First Point of Contact with the Criminal Justice System, with a Reintegration and Reunification Focus that Leads to Pro-social Outcomes. (*Goal: Reentry planning and response begins at the earliest possible point of contact with the criminal justice system and continues until "successful" reintegration, as defined by an individualized plan and the acquisition of positive services and social-based outcomes that are high-quality, peer involved, and comprehensive*).
  - iii. **Theme 3** - Develop a Network of Well-Coordinated Systems of Services (*Goal: Develop an effective, culturally responsive, well-coordinated system of services that promotes*

*evidenced-based practices with and for those impacted by reentry, including individuals, their families, victims, and the community.)*

- iv. **Theme 4** – Accountability, Transparency, Fiscal, and Performance Outcomes (*Goal: Ensure transparency and accountability through outcome-based evaluations based on evidentiary practices and a supporting information system that has the ability to track individual services, provider and system outcomes, and collect appropriate data/statistics.*)
- d. 2019 Alameda County Reentry Population
  - i. All people living in Alameda County who have had contact with the criminal justice system.
  - ii. Total Alameda County Reentry Population: 528,000 (Comprised of adults supervised by Probation, California Department of Corrections and Rehabilitation (CDCR), the Court, Federal, and Post Sentence estimate)
