

Community Corrections Partnership
Workforce Development/Employment Subcommittee 21/22 Focus Priorities

- a. Develop approaches to better address barriers to employment, such as cognitive behavioral interventions, substance use, soft skills development, etc. in effort to improve job retention among target population. *(Client Strategy #2)*
- b. Increase positive job matching to address long term job retention. *(Client Strategy #2 and Workforce Strategy #4)*
- c. Expand partnerships with employers to develop a pathway from incarceration to employment through pre-release services. *(Workforce Strategy #7)*
