

# Child Care Centers: **GO GREEN** & Save!

Need help complying with Alameda County recycling ordinance and preparing for mandatory composting requirements?

Contact Alameda County Early Care and Education Planning Council *Greening Preschools Coordinator*

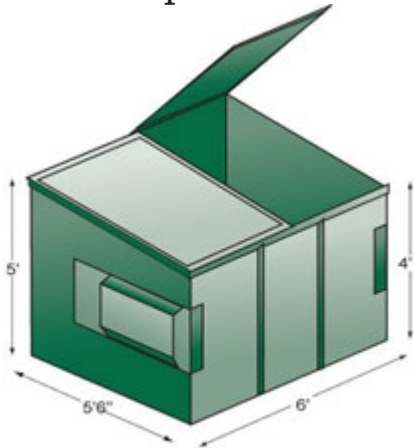

**Kimberly Hazard**

[kim.hazard@acgov.org](mailto:kim.hazard@acgov.org) (510) 208-9653

## DID YOU KNOW?

Recycling is required for most businesses in Alameda County and starting July, 2014 food scrap recycling will be required too.

**4-Yard Bin**

If you can fill this dumpster, then you should recycle!

## FREE SERVICES

In order to help centers add or improve recycling and compost, Kim can offer at no cost:

- Waste assessments
- Service change support
- Lesson plan and curriculum support
- Fun recycling trainings and activities for children
- Professional development for teachers and staff

As well as support for any other greening effort including green cleaning and gardens!

## FREE OFFER

The first 15 eligible centers to partner with Kim to change trash service will receive:

- Classroom recycling and compost bins
- Reusable, non-toxic serving ware

## FREE MONEY

StopWaste is offering \$5,000 to non-profits serving disadvantaged communities in Alameda County with a membership base of at least 50 people. After delivering an outreach campaign to improve food scrap recycling - the money is yours to spend however you like!
