Sticker Placement Instructions

Make sure the sticker is centered and straight, near the top of the dispenser

- Stickers help us reduce waste and save money
- Help encourage employees to go green
- A well-placed sticker keeps a bathroom looking great
Preparation

• Collect enough stickers from your supervisor to place one on every bathroom paper towel dispenser that you fill.

• Wipe the dispenser clean of any greasy residue or filth so the sticker attaches well.

• Carefully place the sticker near the top of the dispenser so it is straight and centered as shown in the picture.
